Any of the premises leased to Airline under Section 1.01., 1.02., 1.03., or premises made available pursuant to Section 1.04., hereof may also be used, in whole or in part, by Airline on behalf of or in conjunction with any other Airline Party or Parties, in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. Airline shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties, for use in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. In case of any use of any of such premises by Airline on behalf of or in conjunction with any other Airline Party or Parties, or in case of any sublease of any of such premises to any other Airline Party or Parties, Airline shall remain liable for its obligations hereunder and the rights and privileges granted hereunder to Airline, its employees, agents, passengers, guests, patrons and invitees and its or their suppliers of materials and furnishers of service shall, to the same extent, be granted with respect to such premises to such other Airline Party or Parties, and its or their employees, agents, passengers, guests, patrons and invitees, suppliers of materials and furnishers of service.

Notwithstanding the foregoing provisions of this Section 1.08., no use of any of the premises leased to Airline under Section 1.01., 1.02., or 1.03., hereof may be made by Airline on behalf of or in conjunction with any other Airline Party or Parties, and no sublease of any part of such premises may be made by Airline to any other Airline Party or Parties, except in each case with the consent of the Commissioner of Aviation, if such use or sublease involves payment to Airline by any such other Airline Party or Parties, of any amount greater than Airline's expense with respect to the premises, facilities and building maintenance services used by, furnished to or subleased to such other Airline Party or Parties.

ARTICLE II

Term

The term of this Lease shall be for a period commencing on .... the day of authorizing ordinance by the City Council of the City of Chicago and ending on December 31, 1984. It is understood and agreed that notwithstanding the above term, either party may cancel and terminate this agreement by sixty (60) days notice to the other party in writing of this election so to do.

ARTICLE III

Rentals and Charges

Section 3.01. Rental Payable by Airline for Exclusive Space. Commencing on the date hereof, and thereafter during the term of this Lease, Airline shall pay to City, as rental for Airline's exclusive Terminal Building Space, a monthly rental of .... Dollars (.................).

Section 3.02. Rental Payable by Airline for Airline Outbound Joint Space. Commencing on the date hereof, and thereafter during the term of this Lease, Airline shall pay to City, as rental for Airline Outbound Joint Space, its pro rata share of a monthly rental of Fourteen Thousand Five Hundred Three and No/100 Dollars ($14,503.00) computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties leasing such space in common; and

(b) Eighty percent (80%) thereof shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers enplaned by Airline at the International Terminal Building during the month second preceding the month for which such billing is rendered bears to the total number of passengers so enplaned by Airline and such other Airline Party or Parties.

Section 3.03. Rental Payable by Airline for Airline Inbound Joint Space. Commencing on the date hereof, and thereafter during the term of this Lease, Airline shall pay to City, as rental for Airline Inbound Joint Space, its pro rata share of a monthly rental of One Thousand Four Hundred Thirty-Four and No/100 Dollars ($1,434.00) computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties leasing such space in common; and

(b) Eighty percent (80%) thereof shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers deplaned by Airline at the International Terminal Building during the month second preceding the month for which such billing is rendered bears to the total number of passengers so deplaned by Airline and such other Airline Party or Parties.

Section 3.04. Charge Payable by Airline for Federal Inspection Area. Commencing on the date hereof, and thereafter during the term of this Lease, Airline shall pay to City its pro rata share of a monthly reimbursement charge for the availability of the Federal Inspection Area of Thirty Nine Thousand Nine Hundred and No/100 Dollars ($39,900.00), subject to adjustment as hereinafter provided, computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties; and leasing space in the International Terminal Building; and

(b) Eighty percent (80%) thereof shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers deplaned by Airline at the International Terminal Building, and using the Federal Inspection Area, during the month second preceding the month for which such billing is rendered bears to the total number of passengers so deplaned by Airline and such other Airline Party or Parties.

The City shall lease or issue a permit covering the use of the Federal Inspection Area or so much thereof as is possible to the United States as soon as the United States or any of the Federal Inspection Agencies thereof are willing and legally empowered to lease or otherwise hire such space or the use thereof at a rental rate or fee equal or as close as possible to the City's reimbursement charge for such space as provided in Article III hereof.

City shall assess and collect from all aircraft operators using the Federal Inspection Area (other than Airline Party or Parties paying a pro rata share of the aforesaid monthly reimbursement charge and other than aircraft operators who are being handled by and whose passengers are being processed by such an Airline Party or Parties), a use charge for each of their passengers and crew inspected in the Federal Inspection Area. Such charge, however, shall be subject to establishment by ordinance by City after consulting with and giving due consideration to suggestions by the International Airlines Representative, so that such charge as far as practicable may not be less than the estimated equivalent average charge paid by the aforesaid Airline Party or Parties for each of their passengers inspected in the Federal Inspection Area.

The monthly reimbursement charge payable by the Airline Party or Parties shall be reduced by such amounts, hereinabove referred to, as shall be collected by the City from (a) the United States Government for use of the Federal Inspection Area, and (b) the aforesaid aircraft operators, by giving credit as soon as practicable after such receipts. If a Terminal Use Charge per aircraft is in effect for such other aircraft operators, pursuant to City ordinance in lieu of Federal Inspection Area use charge per person, the total Federal Inspection Area reimbursement charge shall be reduced by that portion of each such use charge collected in the month second preceding the month of billing, which represents the average individual aircraft cost of using such Federal Inspection Area by aircraft of any other Airline Party or Parties leasing space in the International Terminal Building, during the previous Fiscal Year, but in no event shall more than the whole of any such charge be credited.

Section 3.05. International Terminal Adjustment Charge. In addition to all other sums payable hereunder, Airline agrees to pay, from the date hereof, its pro rata share of an International Terminal Adjustment Charge of Twenty-Five Thousand Nine Hundred Forty-Eight and No/Dollars ($25,948.00) per month, such pro rata share to be computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties leasing space in the International Terminal Building, except that airlines conducting arrival operations only shall pay one-half share while airlines conducting both arrival and departure operations shall pay one full share;

(b) Eighty percent (80%) shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers enplaned and deplaned by Airline at the International Terminal Building during the month second preceding the month for which such billing is rendered bears to the total number of passengers so enplaned and deplaned by Airline and such other Airline Party or Parties.

In the event that Commissioner of Aviation and International Airlines Representative agree to allow aircraft operators other than Airline Party or Parties to use either Airline Outbound Joint Space or Airline Inbound Joint Space or both, and if at the time a Terminal Use Charge per aircraft is in effect for such other aircraft operators pursuant to City ordinance, the total International Terminal Adjustment Charge shall be reduced by that portion of each such use charge collected in the month second preceding the month of billing, which represents the average individual aircraft cost of using such joint space by aircraft of all Airline Party or Parties leasing space in the International Terminal Building during the previous Fiscal Year, but in no event shall more than the whole of any such charge be credited.

Section 3.06. Provisions Relating to Airline Joint Charges. Airline shall prepare the necessary passenger statistics required by the Commissioner of Aviation and City Comptroller, to compute the proration of joint space rentals and charges under this Article III, which shall be reported monthly, as directed by the Commissioner of Aviation and City Comptroller, not later than the tenth day of the month for which the statistics are prepared, which is the second month preceding the month for which billing is rendered, e.g., June statistics are the basis for August joint space billings. City shall then prepare and submit to Airline and the other Airline Party or Parties involved monthly invoices for the following month's charges, setting forth their respective pro rata share of such rentals and charges.

When an Airline Party or Parties begins operations at the International Terminal Building after the date hereof, the eighty percent (80%) share of Airline Joint Charges referred to in each of Section 3.02., 3.03., 3.04., and 3.05., shall be computed for the third month by giving double weight to such Airline's passenger statistics of the first month, and shall be computed for the fourth month by giving double weight to such Airline's passenger statistics of the second month.

Airline shall be responsible only for the payment of the amounts prorated and billed to it in accordance with the provisions of Section 3.02., 3.03., 3.04., and 3.05., and shall not be responsible for any part of amounts prorated and billed to any other Airline Party or Parties.

In the event the Lease of any other Airline Party or Parties leasing space or paying charges in common with Airline pursuant to Sections 3.02., 3.03., 3.04., or 3.05., shall be terminated and such Airline is no longer using such space, the total monthly rental therefor shall be prorated, effective, as of the first day of the next succeeding calendar month, among the other Airline Party or Parties obligated to pay a pro rata share of the said rental.

The proration formulas set forth in Section 3.02., 3.03., 3.04., and 3.05., may be revised with approval of the Commissioner of Aviation by notice through the International Airlines Representative to the Commissioner of Aviation and City Comptroller, from time to time by a majority of the Airline Party or Parties paying a pro rata share of the rent and charges for the space to which the formula in question applies. Such majority shall mean a numerical majority, which majority must also have had enplaned in the case of Section 3.02., deplaned in the case of Section 3.03., and 3.04., and enplaned plus deplaned in the case of Section 3.05., a majority of the passengers at the International Terminal Building during the most recent six-month period for which such information is available.

Section 3.07. Payment of Rentals and Charges. Airline shall pay to City at the office of City Comptroller of City on or before the first calendar day of each month for which such rental and charges are payable (a) all rental payable for Airline's Exclusive Terminal Building Space in accordance with Section 3.01., and (b) Airline's pro rata share of Airline Outbound Joint Space Rental, Airline Inbound Joint Space Rental, Federal Inspection Area Reimbursement Charge, and International Terminal Adjustment Charge in accordance with the provisions of Section 3.02., 3.03., 3.04., and 3.05., respectively. Rental and charges for Airline's Exclusive Terminal Building Space for a period less than a full calendar month shall be prorated on a daily basis. Any rental or charge payable by Airline hereunder which is not paid when due shall bear interest at the rate of seven percent (7%) per annum from the due date thereof until paid.

ARTICLE IV

Construction, Maintenance and Repair By Airline

Section 4.01. Construction, maintenance and repair in exclusive and joint space in International Terminal Building. Airline may construct or install, at its own expense, any equipment, improvements and facilities, and any additions thereto, in all or any part of Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, and Airline Inbound Joint Space. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any proposed construction or installation of improvements and facilities (including any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation prior to the commencement of construction or installation. Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Airline shall keep and maintain all such improvements and facilities and additions thereto constructed or installed by it in good condition and repair. No restrictions shall be placed upon Airline as to the architects, builders or contractors who may be employed by it in connection with any construction, installation, alteration, repair or maintenance of any such improvements, facilities and additions.

Airline shall have the responsibility for keeping Airline's Exclusive Terminal Building Space, and together with the other Airline Party or Parties shall have responsibility for keeping Airline Outbound Joint Space, Airline Inbound Joint Space, and the Federal Inspection Area (except to the extent that Federal Inspection Agencies may have assumed such responsibility) in a sanitary and sightly condition, in accordance with regulations which may be issued on this matter from time to time by the Commissioner of Aviation pursuant to Article VI hereof.

Section 4.02. Covenant against liens. Airline shall keep Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, and Airline Inbound Joint Space and the installations situated thereon free and clear of any and all liens in any way arising out of the construction, improvement or use thereof by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.03. Performance by City upon failure of Airline to maintain. In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do any obligation required by this Article IV to be performed by Airline, City may enter the premises involved (without such entering, causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof, and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

ARTICLE V

Maintenance, Operation and Repair By City

Section 5.01. Maintenance and operation. City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair, the International Terminal Building and all additions, improvements, facilities and equipment now or hereafter provided by City at or in connection with the International Terminal Building. City shall keep the International Terminal Building, except Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, Airline Inbound Joint Space, Federal Inspection Area, and concession and other rented space, in a sanitary and sightly condition.

City shall maintain and keep in good repair Public Passenger Ramp Area adjacent to the International Terminal Building (including the removal therefrom of snow and foreign matter), so as to permit the efficient taxiing, servicing, and loading and unloading of aircraft operated by Airline, and Airline agrees to take such action as the Commissioner of Aviation may reasonably request in order to enable the City to comply with this provision.

City shall at all times maintain the International Terminal Building Public Facilities so as to provide for reasonably unobstructed use thereof by passengers and invitees and shall keep such facilities adequately supplied, equipped (including directional signs), furnished and decorated.

City shall supply heat, water and sewerage facilities for the International Terminal Building Public Facilities, and Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, Airline Inbound Joint Space, and Federal Inspection Area, shall supply air conditioning in the International Terminal Building Public Facilities and in that portion of the Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, Airline Inbound Joint Space, and Federal Inspection Area which according to the plans and specifications on file in the office of the Commissioner of Public Works is to be air conditioned, shall supply adequate electric power for normal use and light in all Facilities and Space, except in Airline's Operations Space, shall supply electric power lines for normal use adjacent to Airline's Operations Space, and shall supply janitor service in the International Building Public Facilities, which janitor service shall be of a character satisfactory to those scheduled air transportation companies who at the time are lessees of a majority of the space in the International Building which is leased to scheduled air transportation companies; provided, however, that Airline shall be required to pay to City a reasonable charge for water supplied by City to Airline's Operations Space.

Section 5.02. Taxes on leased premises. City shall pay any and all taxes or special assessments which may be levied or assessed upon the premises leased hereunder; provided, however, that the foregoing shall not apply to any taxes on any personal property or leasehold of Airline located on such premises.

Section 5.03. Enjoyment of rights and privileges. City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the possession and enjoyment of the premises, facilities, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

Section 5.04. Concessionaires. In the event any concessionaire selected by City for the purpose of operating any concession at or in connection with the International Terminal Building shall not operate such concession in a satisfactory and efficient manner, or in the event City shall fail to select a concessionaire for the purpose of furnishing necessary or desirable services or products to the public at or in connection with the International Terminal Building, City shall, upon request of those scheduled air transportation companies who at the time are lessees of a majority of the International Terminal Building which is leased to scheduled air transportation companies, use its best efforts to correct such situation, including, if and so long as required, the selection of another concessionaire, provided that City has the authority so to do under the terms of the applicable concession agreement.

City agrees that it will not, during the term of this Lease, either lease or otherwise permit the use of any space, area or facility in any terminal building or otherwise upon the Airport, by way of a concession or otherwise, to any individual, partnership, or corporation engaged in business as a travel agent or travel bureau for the purpose of selling, furnishing or delivering tickets available from any Airline Party or Parties for transportation by air.

Section 5.05. Performance by Airline upon failure of City to maintain and operate. In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required by this Article V to be performed by City, Airline may perform such obligation of City and bill City for the cost to Airline of such performance; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operation at the Airport and Airlines so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and bill City for its cost of such performance. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation or otherwise by it of the Airport or any facilities now or hereafter connected therewith.

ARTICLE VI

Rules and Regulations

Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Airline of any right or privilege granted to it hereunder or under any other agreement between Airline and City relating to the Airport or any part thereof, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect thereto, nor inconsistent with the procedures prescribed or approved from time to time by the Federal Aviation Administration or any other governmental authority having jurisdiction over operations at the Airport.

The City shall keep Airline supplied with five (5) sets of City's current Airport rules and regulations applicable to Airline. Except in cases of emergency, no such rule or regulation shall be applicable to Airline unless it has been given fifteen (15) days notice of the adoption thereof.

City, however, shall have no control over the rates, fares or charges that Airline may prescribe in connection with its conduct of an air transportation business.

ARTICLE VII

Exercise By City of Governmental Functions

Nothing contained herein shall impair the right of City in the exercise of its governmental functions to require Airline to pay any tax or inspection fees or to procure necessary permits or licenses, provided such requirement is not inconsistent with the rights and privileges granted to Airline hereunder.

Nothing contained herein shall be deemed to be the grant of any franchise, license, permit or consent to Airline to operate motor coaches, buses, taxicabs or other vehicles carrying passengers or property for hire or other consideration over the public ways to and from the Airport.

ARTICLE VIII

Indemnity and Insurance

Airline agrees to indemnify and hold City harmless from and against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recovered from City by reason or on account of damage to the property of City or the property of, injury to or death of any person, arising from Airline's use and occupancy of and operations at the Airport, including acts of its agents, contractors and subcontractors, except when caused by City's sole negligence or by the joint negligence of City and any person other than Airline, its agents, contractors and subcontractors; provided that City shall give Airline prompt and timely notice of any claim made or suit instituted which, in any way, affects Airline or its insurer, and Airline or its insurer shall have the right to compromise and defend the same to the extent of their own interests. Any final judgment rendered against City for any cause for which Airline is liable hereunder shall be conclusive against Airline as to liability and amount.

Airline shall, at its own expense, keep in force insurance of the following types and in not less than the following amounts, issued by a company, companies or insurers whose sound and adequate financial responsibility shall be satisfactory to the City Comptroller, insuring Airline and City against all liabilities for accidents arising out of or in connection with Airline's use and occupancy of and operations at the Airport, except when caused by City's negligence alone or jointly with any person other than Airline, its agents, contractors and subcontractors, and shall furnish to City certificates evidencing such insurance, naming City as an additional assured thereunder, subject to the limitations set forth above in respect of City's negligence, to-wit:

Aircraft Public Liability Insurance	$1,000,000 per person $5,000,000 per accident
Aircraft Property Damage Insurance	$ 500,000 per accident
Comprehensive Public Liability Insurance	$1,000,000 per person $5,000,000 per accident
Comprehensive Property Damage Insurance	$ 100,000 per accident

If pursuant to any other agreement between Airline and City, Airline is complying with requirements identical with those of this Article, such compliance shall also serve as compliance with the requirements of this Article.

ARTICLE IX

Abatement

Section 9.01. Abatement in event of closing. In the event that the Airport shall be closed for any period of time by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, the rentals provided herein as payable by Airline shall abate for the period of such closing, or for the period of abatement of rentals for Airline Parties signatory to the Lease of Terminal Facilities dated January 1, 1959, due to such closing, whichever period is the shorter.

In the event the Airport shall be so closed for the landing or taking off of all turbo jet powered aircraft operated by Airline Party or Parties, which at the time are landing or taking off, in the course of normal operations, at one or more airports having facilities similar to those at the Airport, but shall not be closed to the landing or taking off of other aircraft operated by any Airline Party or Parties, then fifty percent (50%) of the rentals provided herein as payable by Airline shall abate for the period of such closing, or for the period of abatement of rentals for Airline Parties signatory to the Lease of Terminal Facilities dated January 1, 1959, due to such closing, whichever period is the shorter, but in no event for more than six (6) months for any single closing, in any fiscal year.

Section 9.02. Abatement on account of casualty. If any part of Airline's International Terminal Building Space shall be rendered untenantable by reason of damage or destruction by fire, other casualty, act of God or the public enemy, not due to any fault of Airline, and if City is obligated hereunder to repair such damage or destruction, then the rentals provided herein as payable by Airline for such Space shall be paid up to the date of such damage or destruction, but, unless City shall promptly furnish adequate temporary substitute facilities and expeditiously restore such Space, such rental shall thereafter abate in an amount directly proportional to the percentage of Airline's International Terminal Building Space, as is rendered untenantable; provided, however, that if City fails to repair such damage or destruction so that such Space remains untenantable for more than ninety (90) days, then Airline at its option may, by giving to City at least thirty (30) days prior notice, terminate this Lease. City shall not be liable to Airline for damages for City's failure to furnish such temporary substitute facilities or, except as provided in Section 5.05. hereof, for City's failure to expeditiously restore such Space.

ARTICLE X

Termination By City

City may terminate this Lease by giving Airline sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The filing by Airline of a voluntary petition in bankruptcy. In such event, City shall have the right to file a claim as a creditor and the rent due and to become due, under the terms of this Lease, shall be accelerated and become due and payable.

(b) The institution of proceedings in bankruptcy against Airline and the final adjudication of Airline as a bankrupt pursuant to such proceedings.

(c) The taking by a court of competent jurisdiction for a period of sixty (60) days of all or substantially all of Airline's assets pursuant to proceedings brought under the provisions of any Federal reorganization act.

(d) The appointment of a receiver of all or substantially all of Airline's assets and Airline's failure to vacate such appointment within sixty (60) days thereafter.

(e) The assignment by Airline of its assets for the benefit of its creditors.

(f) The abandonment by Airline of its conduct of air transportation at the Airport.

(g) The default by Airline in the performance of any covenant or agreement required to be performed by Airline herein and the failure of Airline to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from City of notice to remedy the same.

No waiver by City of default of any of the terms, covenants or conditions hereof to be performed, kept and observed by Airline shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

ARTICLE XI

Termination By Airline

Airline may terminate this Lease and any or all of its obligations hereunder at any time that Airline is not in default in the payment of any amount due from it to City hereunder by giving City sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The failure or refusal of the Federal Aviation Administration to approve all weather operations into and from the Airport of aircraft of any type operated by Airline in scheduled air transportation using facilities similar to those at the Airport and continuance thereof for a period of at least sixty (60) days.

(b) The issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Airport or any part thereof so as to substantially affect Airline's use of the Airport in its conduct of an air transportation system and the remaining in force of such injunction, not stayed by way of appeal or otherwise, for a period of at least sixty (60) days.

(c) The issuance of any order, rule or regulation or the taking of any action by the Civil Aeronautics Board or the Federal Aviation Administration or other competent government authority, or the occurrence of any fire, other casualty, act of God or the public enemy, substantially affecting, for a period of at least sixty (60) days, Airline's use of the Airport in its conduct of an air transportation system; provided, however, that none of the foregoing is due to any fault of Airline.

(d) The default by City in the performance of any covenant or agreement required to be performed by City herein or in any other agreement between City and Airline relating to the Airport or any part thereof, and the failure of City to remedy such default, within a period of sixty (60) days after receipt from Airline of notice to remedy the same.

(e) The substantial restriction of City's operation of the Airport by action of the Federal Government, or any department or agency thereof, under its wartime or emergency powers, or by action of the State of Illinois, or any department or agency thereof, and continuance thereof for a period of not less than sixty (60) days, provided such restriction adversely affects Airline's operations at the Airport.

(f) The coming into effect of any treaty, convention or agreement or amendment thereto, which shall have the effect of eliminating authority to land at the Airport from the routes which may be operated by Airlines designated by the Government of ....

(g) The effective day of any permit granted by the Civil Aeronautics Board to any other carrier designated by the Government of .... in lieu of Airline.

(h) The termination or expiration of the Air Transport Agreement between the Government of the United States and the Government of .... signed ...., 19....., effective ...., 19....., provided however, that if prior to the occurrence of the event specified in clause (c) of this Article, the operation of the foreign air transportation to Chicago authorized in such Air Transport Agreement and related Civil Aeronautics Board permit is authorized by any treaty, convention or agreement to which the United States and .... are or shall become parties, then and in that event, Airline shall not have the right of termination by reason of such clause.

(i) Any action or failure to act by the United States or any Board or agency thereof, or by the Government of ...., or any Board or agency thereof which shall constitute or result in the cancellation or loss of Airline's right to operate into the Airport.

Upon the exercise of this right of termination, all agreements and leases entered into between Airline and City relating to this Airport shall likewise stand terminated.

No waiver by Airline of default of any of the terms, covenants or conditions hereof, or of any other agreement between City and Airline relating to the Airport or any part thereof, to be performed, kept and observed by City shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

ARTICLE XII

Termination By City or Airline

In addition to any other termination rights provided in this Lease:

(a) City may terminate this Lease and any or all of its obligations hereunder, effective at the end of any fiscal year during the term hereof, by giving Airline sixty (60) days notice of such termination; and

(b) Airline may terminate this Lease and any or all of its obligations hereunder, effective at the end of any fiscal year during the term hereof, by giving City sixty (60) days notice of such termination.

ARTICLE XIII

Surrender of Possession

Upon termination of this Lease, Airline shall surrender the premises leased to it hereunder in as good condition as when received, reasonable wear and tear, damage by fire, other casualty, Act of God or the public enemy excepted.

ARTICLE XIV

Right of Airline to Remove Property

Airline shall be entitled during the term of this Lease and for a reasonable time (not exceeding forty-five days) after its termination to remove from the premises involved, or any part thereof, all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it pursuant to this Lease, subject, however, to any valid lien City may have thereon for unpaid rentals or other amounts payable by Airline to City hereunder or under any other agreement between City and Airline relating to the Airport or any part thereof, and provided that Airline shall repair all damage resulting from such removal.

ARTICLE XV

Equal Opportunity

Tenant, in performing under this agreement, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex, or national origin, nor otherwise commit an unfair employment practice.

Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, creed, religion, age, sex, or national origin. Such shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Tenant further agrees that this clause will be incorporated into all contracts entered into with suppliers of materials or services, contractors and subcontractors, and all labor organizations, furnishing skilled, unskilled, and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

I. General

(1) This agreement shall be in force and effect for a period ending ten years from the date hereof, subject, however, to the option of the Village of McCook to renew said agreement for successive like terms, written notice thereof to be submitted to the City six months prior to the expiration of each said ten year term.

(2) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions as to bind the City by making any promise or representation not contained herein.

(3) This agreement shall not be assigned or transferred by either party.

(4) This agreement will be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this contract shall not exceed the amount of Lake Michigan water allocated the Village of McCook by the Illinois Department of Transportation.

(6) The City will not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description which may arise as a result of making this agreement and furnishing water hereunder.

(7) The Village of McCook may not permit any water furnished hereunder to be used to supply any party outside their territorial limits, except as provided for herein, without specific approval of the City Council of the City. This shall not apply to emergency service provided to other City water users.

II. *Reporting Requirements*

(8) The Village of McCook shall submit quarterly reports to the City listing all consumers located outside their territorial limits showing location, character of occupancy and amount used by each during the period covered.

(9) The Village of McCook shall maintain suitable records of the hourly and daily consumption of water by the consumers and these records shall be available to the City at all reasonable times.

(10) At the end of each calendar year during the term of this contract and not later than March 31st of each year, the Village of McCook agrees to submit to the Commissioner of Water of the City a written copy of the prevailing water rate schedule as applicable to its water consumers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(11) The Village of McCook shall submit to the City by the 10th day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to consumers. The Village of McCook shall also furnish water system plats, zoning maps and such other information regarding billing, collections and delinquencies as may be requested by the City from time to time.

III. *Reservations*

(12 The City reserves the right to require the Village of McCook to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety days at the prevailing metered rate.

(13) The City reserves the right to inspect, test, repair and replace the water meters as required. Such replacements or repairs shall be charged to and paid by the Village of McCook.

IV. *Water Quality*

The City of Chicago water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(16) The City bears no degree of responsibility for the water quality at any point beyond the meter vault. The Village of McCook bears the responsibility for maintaining the water quality at any point beyond the meter vault and within its distribution system.

(17) The Village of McCook shall notify and keep the City informed of the responsible individual in charge of operations.

the City limits and said valve shall be under the sole and complete control of the City and will mark the limit of the City's responsibility for maintenance of the piping system.

(21) The Village of McCook shall provide and maintain any and all devices expressly requested by the City's Commissioner of Water for the purpose of controlling, measuring, transmitting and recording flows of the supply of water furnished and the transmitting and recording of pressures, reservoir levels and other required operational information.

Meters provided must be delivered to the City Meter Shop for testing and picked up promptly after testing, all at the expense of the Village of McCook prior to installation by them. Plans and specifications for the equipment and vault, or other protective structure, must be submitted to and be approved by the City's Commissioner of Water before an authorization for installing the meters and related devices will be issued. The Village of McCook shall place the meters and related devices in a vault or other protective structure near the City limits and keep the vault or protective structure accessible and safe to work in at all times.

(23) The City's representative will regularly inspect the meters measuring the supply of water furnished and will repair or replace any meter or part of a meter which has a total registration greater than authorized, or which has been in service for a period longer than authorized or which is known or suspected to be registering incorrectly. All such repairs or replacements shall be made by the City's representatives and the Village of McCook shall pay for repairs and replacement made.

(24) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the City's Commissioner of Water for the purpose of billing the Village of McCook. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(25) The Village of McCook shall provide and maintain reservoirs of sufficient capacity to store twice the annual daily average consumption of water.

VI. *Rates and Discounts*

(26) Charges for water furnished to the Village of McCook for consumers within its corporate limits and to municipalities within the Metropolitan Sanitary District of Greater Chicago served by the Village of McCook shall be at the rate fixed for like large quantities of water furnished through meters to consumers inside the City, said rate being fixed by City Ordinance.

COMMITTEE ON INTERGOVERNMENTAL RELATIONS.

Failed to Pass—PROPOSED RESOLUTION MEMORIALIZING ILLINOIS LEGISLATURE TO PROVIDE FUNDING FOR ABORTIONS.

The Committee on Intergovernmental Relations submitted the following report:

CHICAGO, September 3, 1980.

To the President and Members of the City Council:

Your Committee on Intergovernmental Relations, having had under consideration a proposed resolution (which was referred on July 8, 1980) memorializing the Illinois Legislature to provide funding for abortions, begs leave to recommend that Your Honorable Body *Do Not Pass* the said resolution, which is transmitted herewith.

This recommendation was concurred in by 7 members of the committee, with 2 dissenting votes.

Respectfully submitted,
(Signed) ROMAN PUCINSKI,
Chairman,

The proposed resolution transmitted with the foregoing committee report reads as follows:

Whereas, The Supreme Court, in its recent 5 to 4 decision supporting the cutting off of federal funding for abortions through the Hyde Amendment, has demonstrated an overwhelming disregard for the physical and mental health of millions of women too poor to afford obtaining abortions on their own; and

Whereas, This appalling lack of compassion for those whose financial situation doesn't permit the same freedom of choice enjoyed by those more affluent, has only demonstrated the inconsistent application of equality that has marked this Court in recent years, and seemingly indicates a willingness to implicitly discriminate against those without means; and

Whereas, The Court by its action has doomed thousands of women to seeking abortions illegally, forcing them to sacrifice the competence and care of a hospital for the likelihood of injury at the hands of an untrained abortionist; and

Whereas, The narrow margin exhibited by the Court in approving this cut-off is indicative of the shakey resolve in which they rendered this opinion, and dissenting Justice Blackmun probably best summarizes this opposition to any act of government that, ". . . punitively impresses upon a needy minority its own concepts of the socially desirable, the publicly acceptable, and the morally sound . . ."; and

Whereas, The State of Illinois, through its responsibility to protect the rights of its citizens, has an obligation to provide funding where the federal government has failed, restoring the long-cherished freedom of choice to all of its citizens, regardless of situation; now, therefore,

BE IT RESOLVED, By the Mayor and Members of the Chicago City Council assembled in meeting this 8th day of July, 1980, A.D., that we memorialize the Illinois State Legislature to provide the needed funding that is to be terminated by the Hyde

Amendment, and thereby join the forefront of progressive states that are willing to preserve the rights of their citizens when actions of the federal government implicitly refuse them; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Illinois State Legislature.

On motion of Alderman Pucinski the committee's recommendation was *Concurred In* and the foregoing proposed resolution *Failed to Pass*, by yeas and nays as follows:

SECTION 2. *Additional Levy for Deficiencies.* The taxes which are levied by this Ordinance (the "1980 Series C Tax Levy Ordinance") include the additional sums provided in this Section, which are in addition to the dollar amounts specifically set forth in Section 1 of this Ordinance. For paying principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the debt service reserve fund (the "Reserve Fund") established by the Bond Resolution for the Bonds pursuant to the Act, there is levied and there shall be collected a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, sufficient to produce the sums specified in this Section. The additional amount levied for each such year pursuant to this Section is the sum sufficient to produce the amount, if any, by which:

(i) the cumulative total principal amounts due on the 1980 Series C Bonds at maturity or on sinking fund installment dates and interest on the 1980 Series C Bonds as it fell due, in each case through December 1 of such levy year, less an amount equal to the interest paid from the 1980 Series C Capitalized Interest Account (all as provided in the Bond Resolution and the 1980 Series C Resolution) shall have exceeded

(ii) the cumulative total of the collections, up to and through December 1 of such levy year, of all taxes levied as provided by this 1980 Series C Tax Levy Ordinance (including taxes levied pursuant to this Section).

No later than December 31 of each year, beginning in 1981, the Trustee under the Bond Resolution shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of that Trustee, of the amount of the additional taxes which are included in the levy for that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts levied by this Section, all as provided in this Section.

SECTION 3. *Filing of Ordinance.* After the adoption of this 1980 Series C Tax Levy Ordinance, the City Clerk of the City is directed to cause copies of this 1980 Series C Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and of the county tax collectors of each county in which any taxable property in the City is located. Upon the filing of such copies of this 1980 Series C Tax Levy Ordinance with the county clerks, it shall be the duty of those county clerks to extend the taxes so levied for the 1980 Series C Bonds, all as provided in the Act, this 1980 Series C Tax Levy Ordinance, the Bond Resolution and the 1980 Series C Resolution. Except as specifically provided in the Bond Resolution, the 1980 Series C Resolution or this 1980 Series C Tax Levy Ordinance, the taxes levied as provided in this 1980 Series C Tax Levy Ordinance shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series C Tax Levy Ordinance shall be extended without limitation as to rate and shall be extended in the amounts sufficient to produce the amounts so specified and provided for. No further action of this City Council shall be required for the levy of taxes as provided in this 1980 Series C Tax Levy Ordinance or for their extension and collection by the appropriate county officers.

SECTION 4. *Tax for Sole Benefit of Bondholders; Payment to Trustee.*

(a) As provided by the Act and the Bond Resolution, while any Bonds remain outstanding and unpaid, the taxes levied by this 1980 Series C Tax Levy Ordinance shall be for the sole benefit of the holders of the outstanding Bonds and the coupons pertaining to the outstanding Bonds. The Act and the Bond Resolution provide that such holders of Bonds and coupons shall have a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to the levy and all present and future proceeds of the levy and that the security interest in and lien upon those rights, claims and interests is valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims, if any, of all other parties having claims of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(b) As provided by the Act and the Bond Resolution, all proceeds of the levy of taxes made by this 1980 Series C Tax Levy Ordinance shall be deposited by the county collectors of each county in which any taxable property in the City shall be located directly in the Debt Service Fund established with the Trustee by the Bond Resolution. The Bond Resolution provides that such amounts shall be applied solely for the payment and discharge of principal of the Bonds (at maturity or on sinking fund installment dates) and of interest on the Bonds as it falls due, or for redemption or purchase of Bonds as provided by the Bond Resolution, or for transfer to the Reserve Fund as provided by the Bond Resolution, and shall not be used for any other purpose.

SECTION 5. *Tax in Addition to and Separate from Other Taxes.* As provided by the Act, the taxes levied as provided in this 1980 Series C Tax Levy Ordinance shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council is now, or may hereafter be, authorized constitutionally or by law to levy for any and all school (or any other) purposes. The taxes so levied by this 1980 Series C Tax Levy Ordinance shall be separate and apart from all other taxes of the Authority, the Board and the City.

SECTION 6. *Bonds Not Obligations of City.* This 1980 Series C Tax Levy Ordinance is adopted in order to carry out the functions of the City Council as specified in the Act and the 1980 Series C Bonds shall not be deemed to constitute a debt or liability of the City, within the meaning of the Constitution and law of the State, or a pledge of the full faith and credit of the City. The issuance of the 1980 Series C Bonds shall not directly, indirectly or contingently obligate the City to levy any form of taxation for the 1980 Series C Bonds or to make any appropriation for payment of the 1980 Series C Bonds, provided that this sentence does not affect the obligations of the City Council under the Act, the Bond Resolution, the 1980 Series C Resolution and this 1980 Series C Tax Levy Ordinance. The City shall not in any event be liable for the payment of principal, Redemption Price or interest on the 1980 Series C Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the City or any charge upon its general credit or against its taxing power.

SECTION 7. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* The Act, the Bond Resolution and the 1980 Series C Resolution provide that in extending the taxes levied by this 1980 Series C Tax Levy Ordinance, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied as is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and the 1980 Series C Resolution. The 1980 Series C Resolution initially determines amounts to be so included in the extension of the taxes levied by this 1980 Series C Tax Levy Ordinance. The Bond Resolution and the 1980 Series C Resolution provide for those determinations to be modified by the Authority as provided in those Resolutions. No action of this City Council shall be required with respect to any such determination or modification of the determination of the allowance for loss and cost of collection and anticipated deferred collections for taxes to be extended in any year.

SECTION 8. *Covenants.* It is covenanted and agreed with the Holders (as defined in the Bond Resolution) of all Bonds issued under the Bond Resolution as follows:

(a) The City Council will not take any action to repeal, abate or reduce the taxes levied by this 1980 Series C Tax Levy Ordinance, or otherwise to restrict the extension and collection of those taxes, except upon the direction of the Authority to the extent expressly permitted by the Bond Resolution.

(b) Without limiting any provisions of this 1980 Series C Tax Levy Ordinance, the City Council will take any or all additional steps, make any or all additional directions and cause to be filed any or all additional documents as may be or may become necessary to cause to be levied and extended for collection a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, sufficient to pay and discharge the principal of the 1980 Series C Bonds, at maturity or on sinking fund installment dates, and interest on the 1980 Series C Bonds as it falls due.

SECTION 9. *Conflict.* To the extent that any ordinances, resolution or rules of the City Council are in conflict with this 1980 Series C Tax Levy Ordinance or its adoption, the provisions of this 1980 Series C Tax Levy Ordinance and its adoption shall be controlling.

SECTION 10. *Effectiveness.* This 1980 Series C Tax Levy Ordinance shall be effective and in force immediately upon its adoption.

(a) The Authority has been established by the Act as a body politic and corporate and as a unit of local government for the purposes of exercising financial control over the Board and of furnishing financial assistance to the Board, in each case so that the Board can provide public education within the City while permitting the Board to meet its obligations to its creditors and the holders of its bonds and notes.

(b) It is necessary and in the best interests of the Authority and the public for the Authority to establish by this Resolution an issue of its General Obligation School Assistance Bonds and to provide for the issuance from time to time of those Bonds.

103. *Authority for this Resolution.* This Resolution is adopted pursuant to the provisions of the Act.

104. *Resolution and Series Resolutions Constitute Contract.* In consideration of the purchase and acceptance of any and all of the Bonds issued under this Resolution by those who shall hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Authority and the Holders of the Bonds and coupons. Each Series Resolution shall be deemed to be and shall constitute a contract between the Authority and the Holders of the Bonds and of the coupons pertaining to the Bonds. The liens and security interests provided for in this Resolution and the covenants and agreements set forth in this Resolution to be performed by the Authority shall be for the equal benefit, protection and security of the Holders of any and all of the Bonds and coupons, all of which, without regard to the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds or coupons over any other Bonds or coupons, except as expressly provided in or permitted by this Resolution.

ARTICLE II

Authorization and Issuance of Bonds

201. *Authorization of Bonds.* There is established and created an issue of Bonds of the Authority to be known and designated as "General Obligation School Assistance Bonds". The Bonds may be issued as provided in this Resolution without limitation as to principal amount except as provided in this Resolution or as may be limited by law. All the Bonds are payable from the sources and are secured as provided in this Resolution. The Bonds shall be general obligations of the Authority. To the payment as it falls due of the interest on the Bonds and of the principal of the Bonds at maturity or on Sinking Fund Installment dates, the full faith and credit of the Authority are irrevocably pledged. The principal, Redemption Price and interest on Bonds are payable solely from the taxes levied as provided by this Resolution, and from the Debt Service Fund and the Reserve Fund, including from deposits in those Funds of proceeds from the sale of Bonds, and from investment earnings on those Funds, all as provided in this Resolution and the various Series Resolution; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for any such payment of Bonds of any funds which lawfully may be used for that purpose.

202. *Bonds Not Obligations of State, City or Board.* The Bonds shall not be deemed to constitute a debt or liability of the State, the City or the Board or of any other political subdivision of the State (other than the Authority) within the meaning of the Constitution of the State or any State law, or a pledge of the full faith and credit of the State, the City or the Board or any other political subdivision of the State (other than the Authority). The issuance of the Bonds shall not directly, indirectly or contingently obligate the State, the City or the Board, or any other political subdivision of the State (other than the Authority) to levy any form of taxation for the Bonds (except as explicitly provided in the Act, this Resolution, the various Series Resolutions and the various Tax Levy Ordinances) or to make any appropriation for payment of the Bonds. The State, the City and the Board shall not in any event be liable for the payment of principal, Redemption Price or interest on the Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the State, the City or the Board or any charge upon their general credit or against their taxing power. The Bonds shall state on their face that they are payable solely from the funds and revenues provided for their payment in accordance with this Resolution and the various Series Resolutions; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for such payment of Bonds of any funds which lawfully may be used for that purpose.

203. *Pledge of State.* By the Act, the State pledges to and agrees with the Holders of the Bonds that the State will not limit or alter the rights and powers vested in the Authority by the Act so as to impair the terms of the contract made by this Resolution, the various Series Resolutions or the various Tax Levy Ordinances with the Holders of the Bonds and of the coupons pertaining to the Bonds or so as in any way to impair the rights and remedies of the Holders of the Bonds and of the coupons pertaining to the Bonds until the Bonds are paid in full as to both principal and interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the Holders of the Bonds and of the coupons pertaining to the Bonds are fully met and discharged or provision is made for their payment.

204. *Provisions for Issuance of Bonds.* The Bonds may be issued in one or more Series. The issuance of the Bonds shall be authorized by one or more Series Resolutions of the Authority adopted subsequent to this Resolution. The Bonds of each Series shall, in addition to the title "General Obligation School Assistance Bonds", contain an appropriate Series designation.

The Bonds of each Series shall be executed by the Authority for issuance under the Resolution and delivered to the Trustee, authenticated by the Trustee, if authentication is required by the Series Resolution, and delivered by the Trustee to the Authority or upon its order, but only upon the receipt by the Trustee of:

(1) A Counsel's Opinion of nationally recognized bond counsel to the effect that (a) the Authority has the legal right and power to adopt the Resolution and the Series Resolution pertaining to that Series of Bonds, and the Resolution has been duly and lawfully adopted by the Authority, is in full force and effect and is valid and binding upon the Authority, (b) the Series Resolution and the Tax Levy Ordinance pertaining to the Series of Bonds being issued have been duly and lawfully adopted, are in full force and effect and are valid and binding and conform to the requirements of this Resolution for such Series Resolutions and Tax Levy Ordinances, and (c) the Bonds of such Series are valid and binding obligations of the Authority as provided in the Resolution and entitled to the benefits of the Resolution and of the Act as amended to the date of such Counsel's Opinion, and that such Bonds have been duly and validly authorized and issued in accordance with law, including the Act as amended to the date of such Counsel's Opinion, and in accordance with the Resolution.

(2) A written order as to the delivery of such Series of Bonds, signed by an Authorized Officer of the Authority.

(j) The manner in which the Bonds of such Series are to be executed, including any provision for authentication of such Series of Bonds; and

(k) The amount and due date of each Sinking Fund Installment for Term Bonds of such Series of Bonds, if any.

Each Series Resolution shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of such Series as provided in Section 906 of this Resolution. Each Series Resolution shall determine an allowance for loss and cost of collection of taxes and anticipated deferred collections of those taxes in accordance with the provisions of Section 906 of this Resolution. Bonds of a Series may be either Serial Bonds or Term Bonds, or a combination of Serial and Term Bonds. Each Series Resolution shall provide for principal maturities or Sinking Fund Installments, or both, as the case may be. All Bonds of each such Series of like maturity shall be identical in all respects, except as to denominations, numbers and letters, and except that they may be in either coupon or fully registered form.

(4) The amount, if any, necessary to deposit in the Reserve Fund so that the value of the Reserve Fund shall at least equal the Reserve Requirement calculated immediately after the delivery of such Series of Bonds on all Bonds then to be Outstanding.

ARTICLE III

General Terms and Provisions of Bonds

301. *Medium of Payment; Form and Date.* (1) Principal, interest and the Redemption Price on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Bonds are authorized to be issued in the form of coupon bonds, registrable as to principal only, or in the form of fully registered bonds without coupons, or in both such forms. Bonds in coupon form shall each be exchangeable for Bonds in fully registered form and Bonds in fully registered form shall be exchangeable for Bonds in coupon form, all as provided in this Resolution.

(2) Bonds of each Series in coupon form shall be dated as of the date specified in the Series Resolution authorizing their issuance. Bonds of each Series in fully registered form issued before the first interest payment date for that Series shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form. Bonds in fully registered form issued on or after that first interest payment date shall be dated as of their date of issue if issued on June 1 or December 1, or if not issued on such a date, shall be dated as of the June 1 or December 1 next preceding their date of issue. However, notwithstanding the previous sentence, if the interest on Bonds shall be in

default, as shown by the records of the Trustee, Bonds issued in fully registered form in exchange or transfer for Bonds in default shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form, or the date to which interest has been paid in full on the Bonds surrendered, whichever date is later. The Bonds shall bear interest from their date. All Bonds of each Series shall mature and each Sinking Fund Installment shall fall due on June 1 of the years as specified by the related Series Resolution. Interest on all Bonds of each Series shall be payable semiannually on June 1 and December 1 of each year as specified by a Series Resolution. The first interest payment date on the Bonds of a Series shall be such date as the Authority shall specify by the related Series Resolution.

302. *Interchangeability of Bonds.* Bonds in coupon form, upon their surrender at the corporate trust office of the Trustee with all unmatured coupons attached, may, at the option of their Holder, be exchanged for an equal aggregate principal amount of Bonds in fully registered form of the same Series and maturity of any authorized denomination. Bonds in fully registered form, upon their surrender at the principal trust office of the Trustee may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds in coupon form of the same Series and maturity with appropriate coupons attached, or of Bonds in fully registered form of the same Series and maturity of any other authorized denomination or denominations.

303. *Negotiability, Transfer and Registry.* All the Bonds issued under this Resolution shall, as provided in the Act, be negotiable, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain outstanding, the Authority shall maintain and keep, at the corporate trust office of the Trustee, books for the registration and transfer of Bonds. Upon presentation of any Bond for registration and transfer at that office, the Authority shall register or cause to be registered in those books, and shall permit to be transferred on those books, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Authority shall make all necessary provisions to permit the transfer and exchange of Bonds pursuant to this Resolution at the corporate trust office of the Trustee. The Trustee is appointed Bond Registrar for the Bonds.

304. *Transfer and Registration of Bonds in Coupon Form.* (1) All Bonds in coupon form shall pass by delivery, unless registered as to principal other than to bearer in the manner provided in this Section. Any Bond in coupon form may be registered as to principal on the books of the Authority at the corporate trust office of the Trustee, upon presentation of the Bond at that office and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such registration, and such registration shall be noted on such Bond. No other charge shall be made by the Authority or the Trustee as a condition precedent to such registration. After that registration no transfer shall be valid unless made on the books of the Trustee by the registered owner in person or by the registered owner's attorney duly authorized in writing, and similarly noted on such Bond. Such a Bond may be discharged from registration by being in like manner registered to bearer after which it shall again become transferable by delivery. Thereafter such Bond may again, from time to time, be registered or discharged from registration in the same manner. Registration of any Bond in coupon form as to principal, however, shall not affect the negotiability by delivery of the coupons pertaining to such Bond, but each such coupon shall continue to pass by delivery and shall remain payable to bearer.

(2) As to any Bond in coupon form registered as to principal (other than to bearer), the person in whose name the Bond shall be registered upon the books of the Authority may be deemed and regarded as the absolute owner of the Bond, whether such Bond shall be overdue or not, for all purposes, except for the purpose of receiving payment of coupons. Payment of, or on account of, the principal or Redemption Price, if any, of such Bond shall be made only to, or upon the order of, such

registered owner, but such registration may be changed as provided in this Article. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Authority, the Trustee and any Paying Agent may treat the bearer of any coupon as the absolute owner of the coupon, whether the coupon shall be overdue or not, for the purpose of receiving payment of the coupon and for all other purposes whatsoever, and may treat the bearer of any Bond in coupon form which shall not at the time be registered as to principal other than to bearer, as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal or Redemption Price of that Bond and for all other purposes whatsoever except for the purpose of receiving payment of coupons, and neither the Authority, nor the Trustee nor any Paying Agent shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee and each Paying Agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such bearer or registered owner.

305. *Transfer of Bonds in Fully Registered Form.* (1) Each Bond in fully registered form shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the corporate trust office of the Trustee. Such a transfer may be made by the registered owner of the Bond in person or by such owner's attorney duly authorized in writing, upon surrender of the Bond together with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or such owner's duly authorized attorney. Upon the transfer of any such Bond in fully registered form, the Authority shall issue (and cause to be authenticated by the Trustee) new Bond or Bonds in fully registered form registered as directed by the instrument of transfer, or, at the option of the transferee, Bonds in coupon form, with appropriate coupons attached, of the same Series, aggregate principal amount and maturity as the surrendered Bonds.

(2) The Authority and the Trustee may deem and treat the person in whose name any outstanding Bond in fully registered form shall be registered upon the books of the Authority as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner of upon such owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority, nor the Trustee shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such registered owner.

306. *Regulations with Respect to Exchange and Transfer.* In all cases in which the privilege of exchanging Bonds or transferring registered Bonds is exercised, the Authority shall execute and cause to be authenticated and the Trustee shall deliver Bonds in accordance with the provisions of this Resolution. All Bonds in fully registered form surrendered in any such exchanges or transfers shall forthwith be cancelled by the Trustee. All Bonds in coupon form, and the coupons pertaining to such Bonds surrendered in any such exchange or transfer shall be retained in the possession of the Trustee for the purpose of reissuance upon subsequent exchanges. The Trustee, prior to reissuance of any such Bonds in coupon form, shall detach and cancel all matured coupons (as to dates as to which interest on Bonds of that Series have been paid) from those Bonds. For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made by the Authority or the Trustee as a condition precedent to such exchange or transfer. The cost of preparing each new Bond in coupon form or Bond in fully registered form upon each exchange or transfer, and any other expenses of the Authority or the Trustee incurred in connection with the exchange or transfer (except

any applicable tax, fee or other governmental charge, other than one imposed by the Authority), shall be paid by the Authority. The Authority shall not be obliged to make any such exchange or transfer of Bonds of any Series during the ten (10) days next preceding an interest payment date on the Bonds of that Series or, to make any such exchange or transfer in the case of any Bond proposed to be redeemed, after the first publication of notice of such redemption.

307. *Bonds Mutilated, Destroyed, Stolen or Lost.* In the case any Bonds of any Series shall become mutilated or be destroyed, stolen or lost, the Authority shall execute, cause to be authenticated by the Trustee, if authentication is required by the Series Resolution authorizing the Bonds of that Series, and deliver new Bonds (with appropriate coupons attached in the case of coupon Bonds) of like Series, maturity and principal amount as the Bonds and attached coupons, if any, so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds, upon surrender and cancellation of such mutilated Bonds and attached coupons, if any, or in lieu of and substitution for the Bonds and coupons, if any, destroyed, stolen or lost, upon filing with the Authority of evidence satisfactory to the Authority and the Trustee that such Bonds and attached coupons, if any, have been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Authority with indemnity satisfactory to it and complying with such other reasonable regulations as the Authority may prescribe and paying such expenses as the Authority may incur. All Bonds and coupons so surrendered to the Authority shall be cancelled by it. An Authorized Officer shall advise the Trustee and Paying Agents of the issuance of substitute Bonds or coupons.

308. *Preparation of Definitive Bonds; Temporary Bonds.* Until definitive Bonds of any Series are prepared, the Authority may execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) in the same manner as is provided in this Resolution, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions, as the definitive coupon Bonds (except as to the denominations and as to exchangeability for registered Bonds) one or more temporary Bonds (which may be registrable as to principal and interest), substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, but with or without coupons, in denominations of $5,000 of any integral multiples of that amount authorized by the Authority, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds in bearer form shall be payable only upon the presentation and surrender of the coupons pertaining to those Bonds or, if no coupons for such interest are attached, then only upon presentation of such temporary Bonds for notation on those Bonds of the payment of such interest. The Chairman or other Authorized Officer is authorized to enter into such agreements as may be necessary or desirable with the purchasers of any Series of Bonds for issuance of such temporary Bonds. The Authority at its own expense shall prepare, execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) and, upon the surrender of such temporary Bonds, with there being attached all unmatured coupons and all matured coupons for which no payment or only partial payment has been provided, for exchange and the cancellation of such surrendered temporary Bonds and coupons, without charge to the Holder of such Bonds and coupons, deliver in exchange, at the corporate trust office of the Trustee, definitive Bonds. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall then be promptly cancelled by the Trustee.

ARTICLE IV

Redemption of Bonds

401. *Privilege of Redemption and Redemption Price.* Bonds subject to redemption prior to maturity pursuant to the provisions of a Series Resolution shall be redeemable, upon published notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms as may be specified in the Series Resolution authorizing such Series.

402. *Redemption at the Election of the Authority.* In the case of any redemption of Bonds at the option of the Authority, an Authorized Officer shall give written notice to the Trustee of the Authority's election so to redeem such Bonds, of the redemption date, of the Series, of the principal amounts of the Bonds of each maturity of such Series so to be redeemed (the Series, maturities and principal amounts of the Bonds to be redeemed to be determined by the Authority, subject to the limitations with respect to such determination contained in this Resolution and any Series Resolution) and of the monies to be applied to the payment of the Redemption Price and the interest accrued and unpaid on the principal amount of the Bonds to be redeemed to the redemption date. That notice shall be given at least sixty (60) days prior to the redemption date or such shorter period (not less than thirty (30) days) as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 405 of this Resolution, the Trustee shall, if it holds the monies to be applied to the payment of the Redemption Price and the interest to the redemption date accrued and unpaid on the principal amount of the Bonds to be redeemed or otherwise the Authority shall, prior to the redemption date, pay to the Trustee and the appropriate Paying Agents an amount in cash which, together with other monies, if any, available for that payment held by the Trustee and those Paying Agents, will be sufficient to redeem all of the Bonds to be redeemed, on the redemption date and at the Redemption Price for those Bonds together with accrued and unpaid interest on those Bonds to the redemption date. The Authority shall promptly notify the Trustee in writing of all such payments made by the Authority to a Paying Agent other than the Trustee.

403. *Redemption Otherwise Than at Authority's Election.* Whenever by the terms of this Resolution and any Series Resolution the Authority is required to redeem Bonds pursuant to Sinking Fund Installments or otherwise, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out the Redemption Price and interest accrued and unpaid to the redemption date on those Bonds to itself and the appropriate Paying Agents in accordance with the terms of this Article IV in order to effect such redemption.

404. *Selection of Bonds to Be Redeemed by Lot.* In the event of redemption of less than all of the outstanding Bonds of any Series and maturity, the Trustee shall assign to each Outstanding Bond in fully registered form of the Series and maturity to be redeemed a distinctive number for each $5,000 of the principal amount of such Bond. The Trustee shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers of all such Bonds in coupon form of such maturity and the numbers assigned to those Bonds in fully registered form as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds of such Series and maturity to be redeemed. The Bonds to be redeemed shall be the Bonds in coupon form of the denomination of $5,000 bearing the numbers so selected and the Bonds in fully registered form to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond in fully registered form of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected.

405. *Notice of Redemption.* When the Trustee shall receive notice from an Authorized Officer of the Authority's election to redeem Bonds pursuant to Section 402 of this Resolution, or when redemption of Bonds is required by this Resolution pursuant to Section 403 of this Resolution, the Trustee shall give notice, in the name of the Authority, of the redemption of such Bonds. The notice shall specify the Series and maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any series and maturity are to be redeemed, the letters and numbers of such Bonds so to be redeemed. In the case of Bonds in fully registered form to be redeemed in part only, the notice shall also specify the respective portions of the principal amount to be redeemed. The notice shall further state that on the redemption date there shall become due and payable upon each Bond to be redeemed the Redemption Price, or in case of Bonds in fully registered form the Redemption Price of the specified portions of the principal to be redeemed, together with unpaid interest accrued to the redemption date on the principal of the Bonds to be redeemed, and that from and after that date interest on such principal amount shall cease to accrue and be payable. The notice shall be given

by publication once a week for at least two (2) successive weeks in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York, the first such publication to be not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. The Trustee shall also mail a copy of such notice, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the registered owners of any Bonds or portions of Bonds which are to be redeemed at their last addresses, if any, appearing upon the registry books, but such mailing shall not be a condition precedent to such redemption and failure so to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds.

406. *Payment of Redeemed Bonds.* Notice having been given by publication in the manner provided in Section 405 of this Resolution, the Bonds or portions of Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date on the principal of the Bonds to be redeemed, and, upon presentation and surrender of such Bonds at the offices specified in such notice, together with, in the case of Bonds registered other than to bearer presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or that owner's duly authorized attorney, and, in the case of Bonds in coupon form, all coupons pertaining to those Bonds maturing subsequent to the redemption date, such Bonds, or portions thereof, as the case may be, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date on the Bonds to be redeemed to the extent that such interest is not represented by coupons for matured interest installments. All interest installments represented by coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such coupons. If there shall be selected for redemption less than all of the principal amount of a Bond in fully registered form, the Authority shall execute and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed portion of the principal amount of the registered Bond so surrendered, at the option of the owner thereof, either Bonds in coupon form or Bonds in fully registered form of like Series and maturity in any of the authorized denominations. If, on the redemption date, monies for the redemption of all the Bonds or portions thereof of any Series and maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee and Paying Agents so as to be available for that redemption on that date and if notice of redemption shall have been published as provided in this Article, then, from and after the redemption date, interest on the Bonds or portions of Bonds of such Series and maturity so called for redemption shall cease to accrue and become payable, and the coupons for interest pertaining to those Bonds maturing subsequent to the redemption date shall be void. If those monies shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE V

Custody and Application of Certain Proceeds of Bonds

501. *Establishment of and Deposits in School Assistance Fund.* There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Fund". To the credit of this Fund deposits shall be made as required in this Section. All proceeds of any Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide financial assistance to the Board (including, without limitation, providing it with money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities, and other operational needs of the Board) shall be deposited in the School Assistance Fund. In addition, there shall be deposited in the School Assistance Fund amounts required to be paid to and deposited in that Fund as provided in Section 503 of this Resolution. However, the portion of the proceeds of any Series of Bonds which is to be used to refund any Bonds or other notes and bonds of the Authority or is to be used to pay any debt obligations of the Board or of the City issued to provide financing for the Board shall be used and applied as provided in the Series Resolution au-

thorizing the issuance of that Series of Bonds and may be applied by the Authority directly to such purposes without being deposited in the School Assistance Fund.

502. *Application of School Assistance Fund.* The amounts in the School Assistance Fund shall be paid by the Trustee from time to time to the Board upon the filing with the Trustee of a requisition of the Chairman or other Authorized Officer so authorizing the Trustee to pay amounts in that Fund. The Chairman or other Authorized Officer is authorized and directed so to file from time to time with the Trustee requisitions to pay amounts deposited in the School Assistance Fund to the Board if the Chairman or such other Authorized Officer shall find that such amounts are then required by the Board for the purposes for which the Series Resolution authorizing the issuance of such Series of Bonds provides such amounts are to be used, all in accordance with the Board's budget or revised budget then in effect as approved by the Authority. The Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts paid to the Board from the School Assistance Fund. Should there remain any amounts in the School Assistance Fund on June 1, 1985, the Trustee shall pay and deposit all such amounts to the Debt Service Fund to the credit of the Principal and Interest Account, and the School Assistance Fund shall then be closed.

503. *Establishment of Cost of Issuance Accounts.* There is created and established a series of separate and distinct accounts to be maintained by the Trustee, and designated collectively as "School Assistance Bonds Cost of Issuance Accounts." Upon the issuance, sale and delivery of any Series of Bonds pursuant to this Resolution, the Series Resolution authorizing such Series of Bonds may (but is not required to) establish a separate account designated "Series . . . Cost of Issuance Account" (inserting in the title the appropriate Series and any other necessary designation). The Series Resolution shall provide for the payment into the related Cost of Issuance Account of the amount of the proceeds from the sale of such Series of Bonds designated by that Series Resolution to be used to pay the Costs of Issuance of that Series of Bonds. That amount shall be expended for Costs of Issuance of that Series of Bonds upon a requisition signed by an Authorized Officer stating the amount and purpose of any such payment. Upon receipt by the Trustee of a certificate of an Authorized Officer stating that all Costs of Issuance for a Series of Bonds have been paid and that amounts remaining in the related Cost of Issuance Account are no longer needed for the payment of Costs of Issuance of that Series of Bonds, the Trustee shall pay such remaining amounts in that Account to and deposit them in the School Assistance Fund, or if it has been closed, then to the Debt Service Fund to the credit of the Principal and Interest Account. In any event, on the first business day of the twelfth month following the last date of delivery of a Series of Bonds, the Trustee shall pay any amounts remaining in the Cost of Issuance Account for that Series of Bonds to and deposit them in the School Assistance Fund, or if it has been closed then to the Debt Service Fund to the credit of the Principal and Interest Account. When all amounts in any Cost of Issuance Account have been expended or transferred as provided in this Section, that Account shall be closed.

504. *Separate Funds and Accounts.* Each Cost of Issuance Account and the School Assistance Fund shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in any Cost of Issuance Account or the School Assistance Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

ARTICLE VI

Establishment and Application of Funds and Accounts for Payment of Bonds

601. *Debt Service Fund.* (1) There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Fund" (the "Debt Service Fund"). There are created and established in the Debt Service Fund as separate and distinct accounts to be maintained by the Trustee an account entitled "Principal and Interest Account," an account entitled "Redemption Account" and a series of accounts entitled collectively the "Capitalized Interest Accounts." Each Series Resolution authorizing the issuance of a Series of Bonds interest on which is required to be paid from a Capitalized Interest Account pursuant to Section 909 of this Resolution shall create and establish such an account entitled "Series . . . Capitalized Interest Account" (inserting in the title the appropriate Series and any other necessary designation).

(2) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Principal and Interest Account:

(a) all collections of taxes to be levied as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances;

(b) all amounts required to be transferred and credited to the Principal and Interest Account from the Redemption Account as provided in paragraph (11) of this Section;

(c) all amounts required to be paid and deposited in the Debt Service Fund from the Reserve Fund as provided in Section 602 of this Resolution;

(d) all amounts transferred to the Principal and Interest Account from a Capitalized Interest Account as provided in paragraph (8) of this Section; and

(e) all amounts transferred to the Principal and Interest Account pursuant to Article V of this Resolution.

(3) Amounts in the Principal and Interest Account shall be applied by the Trustee to the payment of the interest on the Bonds as it falls due (other than interest paid from a Capitalized Interest Account as provided in paragraph (8) of this Section), and the principal of the Bonds at maturity or on Sinking Fund Installment dates. Prior to June 1 and December 1 of each year (but not more than 5 days prior to such dates), beginning with December 1, 1981, the Trustee shall pay out of the amounts in the Principal and Interest Account to itself and the appropriate Paying Agents, the amounts required for the payment by it and the Paying Agents of the Debt Service Requirements then coming due on the Bonds (other than interest to be paid from a Capitalized Interest Account as provided in paragraph (8) of this Section).

(4) In December of each year, after paying all interest due on the Bonds on December 1 of that year, the Trustee shall transfer from the Principal and Interest Account to the Reserve Fund the amount, if any, by which the value of the Reserve Fund is less than the Reserve Requirement, but only to the extent that amounts in the Principal and Interest Account are in excess of the Debt Service Requirements on the Bonds for the next June 1.

(5) In December of each year (beginning in 1981), upon receipt of the Trustee's Annual Report and after all transfers required from the Principal and Interest Account to the Reserve Fund, as provided by paragraph (4) of this Section, have been made and after the transfers of amounts from the Reserve Fund to the Principal and Interest Account as provided by paragraph (5) of Section 602 of this Resolution have been made, the Authority (i) may by resolution direct the Trustee to transfer amounts from the Principal and Interest Account to the Redemption Account, (ii) may by resolution determine to abate the amount of taxes levied with respect to that year (and provided to be collected in the next calendar year) for payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates and of interest on Bonds as it falls due, or (iii) may so direct and determine a combination of such transfers and abatements. Upon a certified copy of such a resolution being filed with the Trustee directing such a transfer to the Redemption Account, the Trustee shall promptly make such a transfer. The total amount of any such abatement and transfer so directed and determined by resolution of the Authority in any year shall not exceed the amount, if any, by which the value of the Principal and Interest Account, after the transfers between the Principal and Interest Account and the Reserve Fund referred to in the first sentence of this paragraph, exceeds the sum of:

(a) the Debt Service Requirements for the next June 1, plus

(b) the amount, if any, by which all taxes levied pursuant to all Tax Levy Ordinances and received by the Trustee through December 1 of each year exceeds the sum of (i) the amount of principal of Bonds due at maturity or on Sinking Fund Installment dates, and of the interest due on the Bonds, through such December 1 (other than interest which was paid from a Capitalized Interest Account) plus (ii) the Debt Service Requirements for the next June 1.

(6) At any time after any December 1, the Trustee, in its sole discretion, may, and upon direction of an Authorized Officer shall, withdraw moneys from the Principal and Interest Account and purchase Bonds or portions of Bonds, which Bonds mature or are subject to mandatory redemption pursuant to Sinking Fund Installments on the next June 1. The principal amount of Bonds so purchased within any period after any December 1 and prior to the next June 1 shall not exceed the sum of the Sinking Fund Installments on Term Bonds due on that June 1 and the principal amount of Serial Bonds maturing on that June 1. The principal amount of Term Bonds so purchased shall be a credit against and reduction of the amount of the Sinking Fund Installments on those Bonds on the next June 1. No purchase of Bonds shall be made after notice of redemption of those Bonds shall have been given as provided in this Resolution. No such purchase shall be made at a price in excess of the principal amount of the Bonds purchased plus accrued and unpaid interest on those Bonds to the date of purchase.

(7) The Authority shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds the amount from proceeds of that Series of Bonds provided in the Series Resolution for that Series of Bonds. The Trustee shall pay to and deposit in the Capitalized Interest Account for each Series of Bonds all amounts required to be paid to such Account from the Reserve Fund as provided in paragraph (4) of Section 602 of this Resolution. A Series Resolution may provide for the temporary deposit of proceeds of a Series of Bonds in the Capitalized Interest Account for a Series of Bonds until the exact amount of the deposit required is ascertained and may provide for any excess amounts then to be deposited, as if the deposit were a deposit directly from proceeds of the sale of that Series of Bonds, in the School Assistance Fund, or for the use of such excess amounts for other purposes for which Bonds may be or may then be issued.

(8) Amounts in a Capitalized Interest Account for any Series of Bonds shall be used to pay interest on that Series of Bonds coming due on the dates specified in the Series Resolution for that Series of Bonds. After all interest to be paid from a Capitalized Interest Account for a Series of Bonds has been paid in full (or the payment of that interest has been provided for) any remaining amounts in that Account shall be transferred by the Trustee to the Principal and Interest Account. Prior to any interest payment date on Bonds of any Series for which interest is so to be paid from a Capitalized Interest Account, the Trustee shall pay out of the amounts in that Account to itself and the Paying Agents for that Series of Bonds the amounts required then to pay that interest on the Bonds of that Series then coming due.

(9) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Redemption Account all amounts transferred to the Redemption Account from the Principal and Interest Account pursuant to paragraph (5) of this Section.

(10) Amounts at any time in the Redemption Account may be used by the Trustee at the direction of an Authorized Officer to redeem Bonds or to purchase Bonds. No purchase of Bonds shall be at a price in excess of the Redemption Price of the Bonds for an optional redemption at the next optional redemption date, plus accrued and unpaid interest on the principal of the Bonds to be redeemed to the date of redemption. An Authorized Officer may direct the Trustee as to the method of making any such purchase. No purchase of any Bonds from the Redemption Account shall be made by the Trustee within the period of forty-five (45) days next preceding a date on which those Bonds are subject to redemption. The Series Resolution authorizing a Series of Bonds which includes Term Bonds may provide for such redemption or purchase of Term Bonds pursuant to this paragraph (10) to be a credit against and reduction of such Sinking Fund Installments as is determined by that Series Resolution.

(11) If at any time the amounts in the Principal and Interest Account are insufficient to pay interest on the Bonds as it falls due and to pay principal on Bonds at maturity or on Sinking Fund Installment dates, the Trustee shall transfer to the Principal and Interest Account moneys from the Redemption Account which, when added to funds in the Principal and Interest Account, shall be sufficient to make such payments. If, after that transfer, the amounts in the Principal and Interest Ac-

count remain insufficient to make such payments, the Trustee shall transfer amounts from the Reserve Fund to the Principal and Interest Account sufficient to make such payments.

(12) As long as any of the Bonds remain outstanding and unpaid as to either principal or interest, in whole or in part, all amounts in the Debt Service Fund shall be held in trust by the Trustee for the sole benefit of the Holders of Bonds or coupons and shall be applied solely for the payment, redemption or purchase of the Bonds or coupons, all as provided in this Section, and shall not be used for any other purpose.

(13) The Debt Service Fund and each Account in it shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Debt Service Fund and each Account in it shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

602. *Reserve Fund.* (1) There is established and created a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Reserve Fund" (the "Reserve Fund"). The Authority shall pay to the Trustee for deposit in the Reserve Fund that portion of the proceeds of the sale of any Series of Bonds as shall be provided by the Series Resolution authorizing that Series of Bonds. The Trustee shall pay to and deposit in the Reserve Fund all amounts provided to be transferred to the Reserve Fund from the Principal and Interest Account pursuant to paragraph (4) of Section 601 of this Resolution.

(2) All amounts on deposit in the Reserve Fund shall be held in trust for the sole benefit of the Holders of the Bonds and coupons as provided in this Resolution and shall be applied and used solely for the payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates, and for the payment of interest on the Bonds as it falls due, or for transfer to the Principal and Interest Account for application as provided by this Resolution, and shall not be used for any other purpose.

(3) Amounts in the Reserve Fund shall be transferred by the Trustee to the Debt Service Fund to the credit of the Principal and Interest Account at the times and in the amounts as required by paragraph (11) of Section 601 of this Resolution, in order to pay principal of the Bonds at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due.

(4) On or prior to December 1, 1980, and on or prior to June 1, 1981, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds for which interest on those dates is provided by the Series Resolutions for those Series of Bonds to be paid from such an Account, all interest or investment earnings, if any, received through those dates on the Investment Obligations purchased from amounts deposited from proceeds of that Series of Bonds in the Reserve Fund pursuant to Section 909 of this Resolution.

(5) On December 1 of each year beginning in 1981 the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account all amounts in the Reserve Fund to the extent the value of the Reserve Fund is in excess of the Reserve Requirement.

(6) Whenever the Trustee shall determine that the total amount in the Reserve Fund, together with all amounts in the Debt Service Fund, will be sufficient to pay or to redeem or to provide for the payment or redemption of all the Outstanding Bonds, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Redemption Account such remaining amounts in the Reserve Fund.

(7) The Reserve Fund shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Reserve Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

603. *Lien and Security Interest in Debt Service Fund and Reserve Fund.* The Debt Service Fund, including all its accounts, and the Reserve Fund shall be funds held in trust for the Holders of the Bonds and coupons as provided in this Resolution. The Holders of the Bonds and coupons shall have and are granted a security interest in and lien upon all cash and investments of such Funds, and such Funds shall be applied solely as provided in this Resolution, except that only the Holders

of Bonds and coupons of a particular Series shall have and are granted such a security interest in and lien upon amounts in the Capitalized Interest Account for that Series of Bonds. The security interests and liens described in this Section are valid and binding from the date the Bonds are issued, without any physical delivery or further action, and shall be valid and binding as against, and prior to any claim of all other parties having claims of any kind in tort, contract or otherwise against the State, the Authority, the Board, the City, or any other person, irrespective of whether such other parties have notice of the lien or security interest.

604. *Disposition of Bonds and Coupons Upon Payment.* All Bonds paid and redeemed, or purchased by the Trustee, under the provisions of this Resolution, either at or before maturity, together with all unmatured coupons, if any, pertaining to those Bonds, shall be cancelled when such payment, redemption or purchase is made, and such Bonds and coupons, unless then held by the Trustee, shall be delivered to the Trustee. All interest coupons shall be cancelled upon their payment and delivered to the Trustee. All cancelled Bonds and coupons shall from time to time, upon direction of an Authorized Officer, be cremated or otherwise destroyed by the Trustee. The Trustee shall execute a certificate of cremation or other destruction in duplicate describing the Bonds and coupons so cremated or otherwise destroyed, listing their numbers, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

ARTICLE VII

Security for Deposits and Investment of Funds

701. *Security for Deposits.* All moneys held under this Resolution by the Trustee or any Paying Agent shall be continuously and fully secured for the benefit of the Authority and the Holders of the Bonds and the coupons, as their respective interests may appear, by Investment Obligations of a market value equal at all times to the amount of the deposit so held by the Trustee. However, it shall not be necessary for the Trustee or any Paying Agent to give security for such amount of moneys as is insured by Federal deposit insurance, for the Trustee to give security for any moneys which shall be represented by Investment Obligations purchased under the provisions of this Resolution as an investment of such monies, or for any Paying Agent to give security for the deposit of any moneys held by it in trust for the Holders of Bonds and coupons.

702. *Investment of Funds and Accounts Held by the Trustee.* (1) Upon direction of an Authorized Officer, moneys in the Funds and Accounts established by this Resolution shall be invested by the Trustee in Investment Obligations so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide, as nearly as practicable, with the times at which moneys in these Funds and Accounts will be required for the purposes provided in this Resolution.

(2) Moneys in the Reserve Fund shall be invested by the Trustee upon direction of an Authorized Officer, in Investment Obligations the maximum maturity of which shall not be more than ten (10) years from the date of such investment; provided, however, that at least 25% of the moneys in the Reserve Fund shall from time to time be invested in Investment Obligations the average maturity of which shall not be more than two (2) years from the date of any investment.

(3) Obligations purchased as an investment of moneys in any Fund or Account held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund or Account and the income or interest earned by a Fund or Account due to the investment thereof shall be deposited in and credited to such Fund or Account.

(4) In computing the value of any Fund or Account held by the Trustee under the provisions of this Resolution, except the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at the cost or market price thereof, whichever is lower, exclusive of accrued interest. In computing the value of the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at par, or if purchased at less than par, at their cost to the Authority.

(5) The Trustee shall sell at the best price obtainable, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which such investment was made. The Trustee shall advise the Authority in writing, on or before the last day of each calendar month, of the details of all investments held for the credit of each Fund and Account in its custody under the provisions of this Resolution as of the end of the preceding month.

(6) The Trustee shall continuously invest all amounts deposited in a Capitalized Interest Account for a Series of Bonds in such Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution, as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution, until all the interest to be paid from the Account has been paid. The Trustee shall continuously invest all amounts deposited in the Reserve Fund from proceeds of any Series of Bonds for which interest is payable from a Capitalized Interest Account on December 1, 1980, or June 1, 1981, in Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution.

703. *Liability of Trustee for Investments.* The Authority shall authorize, direct and confirm in writing by an Authorized Officer, all investments by the Trustee. If the Authority fails to direct investments, the Trustee shall invest such amount at its discretion in such Investment Obligations as is permitted by this Resolution. The Trustee shall not be liable or responsible for the making of any investment authorized by the provisions of this Article, in the manner provided in this Section, or for any loss resulting from any such investment so made, except for its own gross negligence or willful default.

ARTICLE VIII

The Trustee and Paying Agents

801. *Trustee; Appointment and Acceptance of Duties.* The First National Bank of Chicago, Chicago, Illinois is appointed Trustee under this Resolution. The Trustee shall signify its acceptance of the duties and obligations imposed on it by this Resolution by a written instrument of acceptance deposited with the Authority prior to issuance of the first Series of Bonds.

802. *Paying Agents; Appointment and Acceptance of Duties.* (1) The Authority shall appoint one or more Paying Agents for the Bonds of any Series in the Series Resolution authorizing such Bonds, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 811 of this Resolution for the appointment of a successor Paying Agent. The Trustee may be appointed to act as Paying Agent notwithstanding that it may then be acting in the capacity of the Trustee. Moneys paid to Paying Agents pursuant to this Resolution shall be held in trust for the Holders of the Bonds and coupons and any risk of loss of such amounts shall be the risk of such Holders and not the Authority.

(2) Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by written instrument of acceptance deposited with the Authority and the Trustee.

(3) The corporate trust offices of the Paying Agents are designated as the respective agencies of the Authority for the payment of the interest and principal and Redemption Price of the Bonds, except that interest, principal and Redemption Price of all Bonds in fully registered form and principal and Redemption Price of all Bonds in coupon form registered as to principal (other than to bearer) shall be payable at the corporate trust office of the Trustee. Interest on Bonds in fully registered form shall be payable by check mailed by the Trustee to the Holders of those Bonds at their address as shown on the registry books of the Authority maintained at the Trustee.

803. *Responsibilities of Trustee and Paying Agents.* The recitals of fact in this Resolution, the Series Resolutions, the Tax Levy Ordinances and the Bonds shall be taken as the statements of the Authority (or the City Council in the case of the Tax Levy Ordinances), and neither the Trustee nor any Paying Agent assumes any responsibility for their correctness. Except as explicitly provided in this Resolution, neither the Trustee nor any Paying Agent shall be deemed to make any representations as to the validity or sufficiency of this Resolution, the Series Resolutions, the Tax Levy Ordinances or the Bonds or in respect of the security afforded by such documents. Except as explicitly provided in this Resolution, neither the Trustee nor the Paying Agent shall have any responsibility or duty with respect to the issuance of the Bonds or the application of the proceeds of the Bonds or the application of any moneys paid to the Board. Neither the Trustee nor any Paying Agent shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect of its duties and obligations under this Resolution, or to advance any of its own moneys unless properly indemnified to its reasonable satisfaction. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of its duties and obligations under this Resolution except for its own gross negligence or willful default or breach of trust. Neither the Trustee nor any Paying Agent shall have any responsibility or duty with respect to the application of any moneys paid by any of them to any other.

804. *Evidence on Which Trustee and Paying Agents May Act.* The Trustee and any Paying Agent may act upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties and shall not be liable for any such action. The Trustee and any Paying Agent may consult with counsel of recognized competency in such matters who may or may not be counsel to the Authority, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee or any Paying Agent under this Resolution in good faith and in accordance with such opinion or advice. Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Resolution, any Series Resolution, or any Tax Levy Ordinance, such matter (unless other evidence is specifically prescribed by such document) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Authority, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of such document, but in its discretion the Trustee or any Paying Agent may in lieu of such certificate accept other evidence of such fact or matter or may require such further or additional evidence as may seem reasonable to it. Except as otherwise expressly provided in this Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Resolution by the Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer.

805. *Compensation.* The Authority shall pay to the Trustee and to each Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in the performance of their powers and duties under this Resolution. The Authority further agrees to defend, indemnify and save the Trustee or any Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under this Resolution, and which are not due to the Trustee's gross negligence or willful default. Such payment of fees and indemnification of the Trustee and each Paying Agent shall be from available funds of the Authority. The Trustee and the Paying Agents shall have no right to use any amounts in the Debt Service Fund or the Reserve Fund or to have any set-off, lien or other right to any such amounts for such purposes.

806. *Permitted Acts and Functions.* The Trustee and any Paying Agent may buy, own, hold and sell (including acting as an underwriter in respect of) any Bonds or other bonds or notes of the Authority; and may engage or be interested in any financial or other transaction with the Authority with like effect and with the same rights as if it were not such Trustee or Paying Agent.

807. *Resignation or Removal of Trustee.* (1) The Trustee may at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal on any Bonds at maturity or on Sinking Fund Installment dates or to pay interest on any Bond as it comes due, resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty (60) days' written notice to the Authority and publishing notice of the resignation, specifying the date when such resignation shall take effect, once in a daily newspaper of general circulation in the City. Such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 808 of this Resolution, in which event such resignation shall take effect immediately on the appointment of the successor.

(2) The Trustee shall be removed by the Authority if at any time the Authority is so requested by an instrument or concurrent instruments in writing filed with the Trustee and the Authority, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority. The Authority may remove the Trustee at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal of any Bond (at maturity or on Sinking Fund Installment dates) or to pay interest on any Bond as it falls due, for such cause as shall be determined by the Authority by filing with the Trustee an instrument of removal signed by an Authorized Officer of the Authority.

808. *Appointment of Successor Trustee.* In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Authority covenants and agrees that it will then by resolution appoint a successor Trustee. The Authority shall publish notice of any such appointment made by it in a daily newspaper of general circulation in the City, such publication in each case to be made within twenty (20) days after such appointment. The Authority shall also promptly give notice as to the appointment of the successor Trustee to the county collector of each county in which any taxable property in the City is located. If appointment of a successor Trustee shall not be made as required by the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Authority written notice, as provided in Section 807 of this Resolution, or after a vacancy in the office of the Trustee shall have otherwise occurred, the Trustee or any Holder of the Bonds may apply to any court of competent jurisdiction to appoint a successor Trustee. That court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee. A copy of the order of court so appointing a successor Trustee shall be given promptly by an Authorized Officer to the county collector of each county in which any taxable property in the City is located. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association doing business and having its principal office in the City of Chicago, State of Illinois, and having a capital and undivided surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution.

809. *Transfer of Rights and Property to Successor Trustee.* Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor as Trustee, and also to the Authority, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property or right held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in this

Resolution. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Chairman or other Authorized Officer. Any successor Trustee shall promptly notify the Paying Agents of its appointment.

810. *Merger, Conversion or Consolidation.* Any company into which the Trustee or any Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee or any Paying Agent may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Trustee or Paying Agent without the execution or filing of any paper or the performance of any further act, provided with respect to the Trustee that such company shall be a bank or trust company organized under the laws of the State, and otherwise qualifying under Section 808 of this Resolution for appointment as a Trustee and shall be authorized by law to perform all the duties imposed upon it by this Resolution.

811. *Resignation or Removal of Paying Agents and Appointment of Successors.* Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty (60) days' written notice to the Authority and the Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Authority. Any successor Paying Agent shall be appointed by the Authority and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having a capital and surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office of Paying Agent on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor, or if there be no successor then appointed, to the Trustee until such successor is appointed. At all times at least one Paying Agent shall be a bank or trust company which maintains its corporate trust office in the City. The Authority shall notify the Trustee as to the appointment of a successor Paying Agent.

812. *Powers of Bondholder or Trustee to Enforce Compliance.* The Trustee shall have all the rights, duties and powers as provided in other sections of this Resolution. In addition, the Trustee shall have power, in its sole discretion, but shall not be obligated, to bring any legal proceedings on behalf of any Holders of the Bonds to enforce the provisions of the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance or any security for the Bonds or coupon as provided by such documents, but this provision shall not exclude any Holder of the Bonds from bringing any such legal proceedings in his or her own name. The Trustee and any Holder of the Bonds may bring any legal proceedings to compel the performance by any person of the obligations, duties and responsibilities imposed under the Act, the Resolution, any Series Resolution or any Tax Levy Ordinance or the Bonds. Those legal proceedings may include, without limitation, actions for injunctive or other equitable relief or for a writ or writs of mandamus. It shall not be necessary in order for any such proceeding to be brought that Bonds have not then been paid as to principal due either at maturity or on Sinking Fund Installment dates or as to interest then due.

813. *Trustee's Annual Valuation of Funds and Report and Tax Levy Certificates.* As promptly as practicable after December 1 in each year (beginning in 1981) but in any event on or prior to December 15 of such year, the Trustee shall determine the value of the cash and investments in the Principal and Interest Account and the Reserve Fund and shall prepare and submit to the Authority a Trustee's Annual Report. The Trustee's Annual Report shall contain a full and complete report on all receipts and expenditures of all Funds and Accounts established under this Resolution and of all transfers between such Funds and Accounts for the year ending the previous November 30. The report shall also include all expenditures and transfers to be made in December of the year of the Report

pursuant to paragraphs (4) and (11) of Section 601 and paragraph (5) of Section 602 of this Resolution. In addition, the Report shall state:

(a) The value of the Principal and Interest Account as of such December 1, after payment of the interest then due on the Bonds and after giving effect to any transfer in that December pursuant to paragraph (4) of Section 601 or to paragraph (5) of Section 602 of this Resolution.

(b) The value of the Reserve Fund as of such December 1 after giving effect to any transfer pursuant to paragraph (4) of Section 601 or paragraph (5) of Section 602 of this Resolution.

(c) The total amount of taxes received by the Trustee in all years prior to the date of the Report, shown by year of receipt.

(d) The total amount, if any, of all taxes required to be collected in the next calendar year pursuant to paragraph (3) of Section 906 of this Resolution.

(e) The total amount of all taxes required to have been collected pursuant to this Resolution in all years, up to and including the year of the Report (less any abatements of those taxes allowed by this Resolution).

(f) The Debt Service Requirements for the next June 1.

(g) The percentage by which the total ad valorem property taxes on taxable property in the City collected during the preceding calendar year was less than the total of such taxes extended for collection in that year.

The Trustee's Annual Report shall remind the Authority of its obligations under Section 908 of this Resolution. In addition, no later than December 31 of each year, beginning in 1981, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City shall be located a statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy for that year pursuant to paragraph (3) of Section 906 of this Resolution.

ARTICLE IX

Covenants of the Authority

The Authority covenants and agrees with the Holders of the Bonds and coupons as follows:

901. *Payment of Bonds.* The Authority shall duly and punctually pay or cause to be paid the principal of the Bonds at maturity or on Sinking Fund Installment dates and the interest thereon, at the dates and places and in the manner provided in the Bonds and in the coupons pertaining to the Bonds, according to the true intent and meaning of the Bonds and coupons.

902. *Offices for Payment and Registration of Bonds and Coupons.* The Authority shall at all times maintain an office or agency in the City of Chicago, State of Illinois, where Bonds and coupons may be presented for payment. The Authority may by a Series Resolution designate an additional Paying Agent or Paying Agents where Bonds and coupons of the Series authorized by that Series Resolution may be presented for payment. The Authority shall at all times maintain an office or agency in the City of Chicago, State of Illinois, where Bonds and coupons may be presented for registration, transfer or exchange. The Trustee is appointed as its agent to maintain such office or agency for the registration, transfer or exchange of Bonds and coupons.

903. *Further Assurances and Actions.* At any and all times the Authority shall, so far as it may be authorized or permitted by law, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, assignments, grants, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, confirming and effecting all and singular the liens upon and security interests in all rights, claims and interests in any levy of taxes for payment of any Bonds and coupons or in any present or future proceeds of those levies or in any Funds or Accounts created or established by this Resolution or by any Series Resolution pursuant to this Resolution for the

Holders of the Bonds and coupons. It will take all necessary actions of all kinds to cause the taxes which are to be levied as provided in Section 906 of this Resolution to be extended and collected as provided by that Section.

904. *Security Interests and Liens.* It will not assign, pledge or grant a security interest in or lien upon any of its rights, claims or interests arising pursuant to any levy of taxes made pursuant to this Resolution with respect to the Bonds or in any present or future proceeds of such levies or in any Fund or Account created or established by this Resolution or any Series Resolution except as provided by this Resolution, for the payment of principal, Redemption Price or interest on the Bonds.

905. *Issuance of Additional Obligations.* (1) The Authority shall not create or permit the creation of or issue any obligations or create any indebtedness which will be secured by a lien upon or security interest in any rights, claims or interests of the Authority to any levy of taxes for payment of Bonds or in any present or future proceeds of those levies or by a lien upon or security interest in any Funds or Accounts created or established by or pursuant to Article VI of this Resolution, or which will be payable from the Debt Service Fund or the Reserve Fund, except that Series of Bonds may be issued from time to time pursuant to a Series Resolution under this Resolution on a parity with the Outstanding Bonds and secured by an equal and ratable charge and payable equally and ratably from the Debt Service Fund and Reserve Fund for any lawful purposes (except that Capitalized Interest Accounts shall be established for paying interest solely on particular Series of Bonds).

(2) No Series of Bonds shall be issued under this Resolution unless

(a) the principal amount of the Bonds then to be issued, together with the principal amount of the obligations of the Authority theretofore issued and outstanding, will not exceed in aggregate principal amount any limitation imposed by law;

(b) there is at the time of the issuance of such additional Bonds no deficiency in the amounts required by this Resolution or any Series Resolution to be paid into the Capitalized Interest Account for such additional Series of Bonds (as provided in Section 909 of this Resolution);

(c) the value of the Reserve Fund, upon the issuance and delivery of such additional Bonds and the depositing in the Reserve Fund of any amount provided so to be deposited by the Series Resolution authorizing the issuance of such additional Bonds, shall not be less than the Reserve Requirement;

(d) the Series Resolution authorizing the issuance of such Series of Bonds shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution;

(e) the City Council of the City shall have duly adopted a Tax Levy Ordinance levying taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution which Tax Levy Ordinance shall include as Exhibits a copy of this Resolution and a copy of the related Series Resolution (exhibits to a Series Resolution may be deleted from the copy attached to the Tax Levy Ordinance);

(f) certified copies of the Tax Levy Ordinance shall have been duly filed in the offices of the clerks and the collectors of each county in which any taxable property in the City is located;

(g) the various requirements specified in Section 204 for issuance of Bonds under this Resolution shall have been made with respect to such additional Bonds; and

(h) there shall be no maturity of any Serial Bonds or any Sinking Fund Installments on any Term Bonds of any Series on any date as to which interest on Bonds of that Series is to be paid from a Capitalized Interest Account.

(3) No Bonds, except Bonds issued to pay principal or interest on Bonds or to redeem Bonds (whether issued at or before the time of payment or redemption), to provide deposits to the Reserve Fund, or to pay costs of issuance, shall be issued after 1984.

906. *Levy of Taxes.* (1) Prior to the issuance of any Series of Bonds, the Authority shall by the Series Resolution authorizing that Series of Bonds, demand and direct the City Council of the City to provide by ordinance (the "Tax Levy Ordinance") for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of Bonds of that Series, at maturity or on Sinking Fund Installment dates, and to pay interest on Bonds of that Series as it falls due, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out or described in paragraphs (2) and (3) of this Section. Prior to the issuance of any such Series of Bonds, the City Council shall have adopted such a Tax Levy Ordinance with respect to such Series of Bonds.

(2) The Series Resolution and the Tax Levy Ordinance for such Series of Bonds shall specify the amounts of taxes to be levied for each year for the purpose of providing for the payment of the principal of Bonds at maturity or on Sinking Fund Installment dates, and for payment of interest on Bonds as it falls due. The amount of the tax which shall be so specified for the levy provided for each year shall be an amount (which dollar amount shall be stated in the Series Resolution and the related Tax Levy Ordinance) sufficient to produce a sum equal to the Debt Service Requirements on that Series of Bonds on December 1 of the year following the year of levy and on June 1 of the next succeeding year. No tax need be levied to pay any interest on any Bonds, which interest is to be paid from a Capitalized Interest Account as provided in Section 909 of this Resolution.

(3) The taxes which the Series Resolution shall provide to be collected and which the Tax Levy Ordinance shall levy for the purpose of paying and discharging the principal of the Bonds at maturity or on Sinking Fund Installment dates and paying interest on the Bonds as it falls due, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional sums provided in this paragraph (3). These amounts shall be in addition to the dollar amounts specifically required by paragraph (2) of this Section to be set forth. The additional amounts provided in this paragraph shall be collected in each year while any of the Bonds are outstanding and unpaid, either as to principal or interest, beginning with the tax levy for 1981. The additional amount required by this paragraph (3) to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

> (a) the cumulative total of Debt Service Requirements on that Series of Bonds authorized by that Series Resolution through December 1 of such levy year, less an amount equal to the interest paid from a Capitalized Interest Account shall have exceeded
>
> (b) the cumulative total of the collections of all taxes levied as provided by the Tax Levy Ordinance with respect to that Series of Bonds (including taxes levied pursuant to this paragraph) for all years up to and through December 1 of such levy year.

Section 813 of this Resolution provides for the Trustee to file statements in December of each year (beginning in 1981) as to the amount of taxes to be included in the levy under this paragraph in the year of filing. The failure of the Trustee to file the certificate referred to in that Section 813 shall not affect the validity of the levy of taxes as provided for by this paragraph and whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City shall be located shall be directed by the Tax Levy Ordinances to cause to be extended and collected all the amounts provided to be collected in each year pursuant to this paragraph and the Tax Levy Ordinances.

(4) After the adoption and effectiveness of this Resolution, and each Series Resolution, the Secretary of the Authority shall cause to be filed a copy of each such resolution duly certified by or on behalf of the Secretary of the Authority with the City Clerk of the City. After the adoption and effectiveness of any Tax Levy Ordinance, the City Clerk of the City shall cause copies of that Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and county collector of each county in which any taxable property in the City is located. Upon filing of such copies of the Tax Levy Ordinance with the offices of such county clerks, it shall be the duty

of those county clerks to extend the taxes so levied by that Tax Levy Ordinance, all as provided in the Act, the Series Resolution, this Resolution and the Tax Levy Ordinance. Except as specifically provided in this Resolution, the taxes so to be levied as provided in this Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this Resolution, the Series Resolutions and Tax Levy Ordinances shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

(5) In extending the taxes provided by this Resolution and the Series Resolutions to be levied and the taxes levied by Tax Levy Ordinances, the county clerks of each county in which any taxable property in the City is located, shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount shall be determined by the Authority pursuant to the Act, this Resolution and the Series Resolutions. The amount so determined by the Authority shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Act, this Resolution, the Series Resolutions and the Tax Levy Ordinances. Each Series Resolution shall determine the amounts so to be included in each extension year as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books, for such years. The amounts so determined shall be based on the actual recent experience of tax collections of levies of taxes in the City, as of the adoption of the Series Resolution giving account to the time in which levies for any year have been collected. The amounts as so determined by any Series Resolution for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of this Resolution.

(6) The taxes to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council of the City is now, or may hereafter be, authorized by law to levy for any and all school (or any other) purposes. The taxes so to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be separate and apart from all other taxes of the Authority, the Board and the City and shall be separately identified as such by the proper tax collectors for such taxes.

(7) While any Bonds remain Outstanding and unpaid, the tax levies to be made as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be for the sole benefit of the Holders of the Outstanding Bonds and the coupons pertaining to such Bonds and such Holders shall have and are granted a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to those levies and all present and future proceeds of such levies. The security interest in and lien upon those rights, claims and interests are valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims of, all other parties having claims, if any, of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(8) Upon all Bonds of any Series being paid in full as to both principal and interest, or provision having been made for such payment as provided in Section 1101 of this Resolution, the Trustee shall give notice of that fact to the county clerks of each county in which any taxable property of the City is located, and all further taxes levied pursuant to the Series Resolution and the Tax Levy Ordinance for that Series of Bonds shall then be abated. However, if any Series of Bonds are issued to refund any Outstanding Bonds, the Series Resolution and the Tax Levy Ordinance for that refunding Series of Bonds may provide that the taxes which have been levied pursuant to the Series Resolution and Tax Levy Ordinance for the Bonds being refunded for years prior to the year in which the Tax Levy Ordinance for the refunding Bonds is adopted and filed with the appropriate county clerks, will continue to be extended, collected and paid to the Trustee and deposited in the Debt Service Fund. The amount of any such levy in a prior year for Bonds being refunded which shall not be required to pay principal on those Bonds being refunded at maturity or on Sinking Fund Installment dates or

interest on those Bonds being refunded as it falls due may reduce the required amounts of taxes to be levied for the refunded Bonds for those years.

(9) As to tax payments made with respect to estimated tax bills which are computed on the basis of a prior year's extension of taxes, the county collectors of taxes are directed to pay to the Trustee not less than the percentage of such tax receipts which the prior year's extension of levies for the Bonds was of all extensions of taxes of the Authority in that prior year.

(10) All proceeds from the levy of any taxes by any Tax Levy Ordinance shall be deposited by the county collector of each county in which any taxable property in the City is located directly in the Debt Service Fund with the Trustee and shall be applied, as provided by this Resolution, solely for the payment and discharge of the Bonds (at maturity or on Sinking Fund Installment dates) and of interest on the Bonds as it falls due, or for the redemption or purchase of Bonds as provided by this Resolution or for transfer to the Reserve Fund as provided by this Resolution and shall not be used for any other purpose.

907. *Abatement of Taxes.* The Authority will not repeal, abate or reduce the taxes levied pursuant to the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance, or otherwise take any action to restrict the extension and collection of those taxes, except that the Authority may take action to cause those taxes to be abated to the following extent:

(a) The Authority may abate any such taxes to the extent that taxes are levied to pay principal of or interest on Bonds which at the time of the abatement shall have been paid or redeemed in full as to both principal and interest or for the payment or redemption of which provision shall have been made as provided in Article XI of this Resolution;

(b) The Authority may abate any such taxes as provided pursuant to Section 601 of this Resolution.

908. *Allowance for Loss.* (1) Pursuant to Section 906 of this Resolution the Authority is required in each Series Resolution to determine an amount to be included in the extension of taxes levied by the related Series Tax Levy Ordinance, for an allowance for loss and cost of collection and anticipated deferred collections of those taxes. The allowance for such loss and cost of collection and anticipated deferred collections is to be expressed as a percentage of the taxes required to be produced in any year, all as provided in Section 906 of this Resolution.

(2) The Authority may, and when required by this Resolution shall, in accordance with this Section from time to time by resolution modify the determination of the allowance for loss and cost of collection and anticipated deferred collections made by a Series Resolution. In December of each year, beginning in 1981, the Authority shall by resolution determine whether to modify the allowance for loss and cost of collection and anticipated deferred collections for all those taxes to be extended in any future year or years. The Series Resolution may contain restrictions on the powers of the Authority to reduce the allowance as determined by that Series Resolution. A certified copy of any resolution of the Authority modifying the determination of the allowance for loss and cost of collection and anticipated deferred collections shall be filed by the Secretary of the Authority or an Authorized Officer in the offices of the county clerks of each county in which any taxable property in the City is located prior to December 31 of the year in which the resolution is adopted.

(3) The allowance for loss and cost of collection and anticipated deferred collections for any extension of taxes levied with respect to any Series of Bonds for any year shall not in any event be less than the percentage which would have been needed to be added to the total of all property taxes collected in the City for the second full calendar year preceding the year of extension to equal the total of the gross property taxes in the City extended in such preceding calendar year. In any event, the Authority shall for each tax levy with respect to each Series of Bonds for each year determine an allowance for loss and cost of collection and anticipated deferred collections of taxes of an amount which the Authority shall by resolution find to be sufficient so that the amounts of taxes to be collected will produce the amounts required to be produced pursuant to this Resolution.

909. *Capitalized Interest.* (1) Each Series Resolution authorizing any Series of Bonds shall determine the interest payment dates on which interest from the Bonds of that Series shall be paid from a Capitalized Interest Account for that Series of Bonds. All interest payable on any interest payment date on or prior to the June 1 of the year succeeding the year of the first levy of taxes with respect to that Series of Bonds shall be paid from a Capitalized Interest Account (except, with respect to a Series of Bonds issued to refund Outstanding Bonds, to the extent that taxes levied for the Outstanding Bonds being refunded will be available for payment of interest on the refunding Bonds).

(2) Upon the issuance of any Series of Bonds there shall be deposited into the Capitalized Interest Account for that Series of Bonds, from the proceeds of that Series, an amount as shall be sufficient to purchase Investment Obligations of any types described in subparagraphs (a) or (d) of paragraph 15 of Section 101 of this Resolution as shall be designated in writing to the Trustee by an Authorized Officer, the principal of and interest on which, when due, will provide money which (when added to any money to be transferred to the Capitalized Interest Account for that Series from the Reserve Fund) will produce money sufficient to pay interest on the Bonds of that Series on the interest payment dates on which interest is to be paid from that Capitalized Interest Account. The amount of money which shall be treated as transferable from the Reserve Fund shall be calculated on the basis of the amount of interest and investment earnings to be received in time to make such transfer on Investment Obligations to be purchased by the Trustee as designated in writing by an Authorized Officer from amounts deposited in the Reserve Fund from proceeds of such Bonds.

910. *Arbitrage.* The Authority will not use or invest any proceeds of the sale of any of the Bonds or any other funds in any manner which would cause any Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated under that Section.

911. *Application of Taxes, Funds and Accounts.* The Authority shall faithfully apply pursuant to the terms of this Resolution all proceeds of taxes levied with respect to the Bonds and all moneys and Investment Obligations in the Debt Service Fund and the Reserve Fund pursuant to this Resolution and the Series Resolutions.

912. *Payment of Trustee and Paying Agents.* The Authority will promptly pay all amounts owed by it under this Resolution to the Trustee and the Paying Agents.

ARTICLE X

Series Resolutions and Supplemental Resolutions

1001. *Adoption and Filing.* The Authority may adopt at any time or from time to time Series Resolutions to provide for the issuance of a Series of Bonds in accordance with the provisions of this Resolution and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed. The Authority may adopt at any time or from time to time Supplemental Resolutions for any one or more of the following purposes:

(1) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in this Resolution;

(2) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions on such issuance or incurring of indebtedness in effect prior to the adoption of such Supplemental Resolution;

(3) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Resolution;

(4) To confirm as further assurance any covenant, lien or security interest created or recognized by the provisions of this Resolution;

(5) To take any further action necessary or desirable for the levy, collection and application of taxes sufficient to pay the Bonds as to principal at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due;

(6) With the consent of the Trustee, to correct any ambiguity or defect or inconsistent provisions in this Resolution or any Series Resolution or to insert such provisions clarifying matters or questions arising under this Resolution or any Series Resolution as are necessary or desirable in the event any such modifications are not contrary to or inconsistent with this Resolution or such Series Resolution as in effect prior to the adoption of any such Supplemental Resolution; or

(7) To create one or more sub-accounts within the Principal and Interest Account, to provide for the crediting of amounts in the Principal and Interest Account to the various sub-accounts and to provide for the order in which amounts in the various sub-accounts shall be applied for the purposes for which the Principal and Interest Account is to be applied as provided in this Resolution; provided, however, that a Supplemental Resolution adopted pursuant to this paragraph (7) shall not in any way affect the rights or duties of the Authority or the Trustee to pay amounts to, deposit amounts in or credit them to the Principal and Interest Account or to apply amounts in that Account at the times, in the manner and for the purposes all as provided in this Resolution.

Any Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy certified by an Authorized Officer.

1002. *General Provisions Relating to Series Resolutions and Supplemental Resolutions.* This Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article X. Nothing contained in this Article X shall affect or limit the right or obligation of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of Section 903 of this Resolution or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere in this Resolution provided or permitted to be delivered to the Trustee or any Paying Agent. A copy of every Supplemental Resolution adopted by the Authority when filed with the Trustee shall be accompanied by a Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of the Act as amended to the date of the Counsel's Opinion, is authorized or permitted by the Act as so amended and by this Resolution and is valid and binding upon the Authority. The Trustee is authorized to accept delivery of a certified copy of any Series Resolution or Supplemental Resolution permitted or authorized pursuant to the provisions of this Resolution and to make all further agreements and stipulations which may be contained in that Series Resolution or Supplemental Resolution. In taking such action, the Trustee shall be fully protected in relying on Counsel's Opinion that such Series Resolution or Supplemental Resolution is authorized or permitted by the provisions of this Resolution. No Series Resolution or Supplemental Resolution changing, amending or modifying any of the rights, duties or obligations of the Trustee or any Paying Agent may be adopted by the Authority without the written consent of the Trustee or Paying Agent affected by the Series Resolution or Supplemental Resolution.

ARTICLE XI

Defeasance

1101. *Defeasance.* (1) If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Bonds and coupons then Outstanding, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated in the Bonds, the Bond Resolution and the Series Resolutions, then and in that event the covenants, agreements and other obligations of the Authority to the Holders of the Bonds and the coupons pertaining to the Bonds, shall be discharged and satisfied. In such event, the Trustee shall, upon request of the Authority, execute and deliver to the Authority all such instruments as may be desirable to evidence such release and discharge and the Trustee and the Paying Agent shall pay over or deliver to the Authority all monies or securities held by them pursuant to the Bond Resolution which are no longer required for the payment or redemption of Bonds or coupons not theretofore surrendered for such payment or redemption.

(2) Bonds or coupons for the payment or redemption of which monies shall have been set aside and shall be held in trust by the Trustee or any Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) of this Section 1101. All Outstanding Bonds of any Series and all coupons pertaining to those Bonds shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) of this Section 1101 if (a) there shall have been deposited with such Trustee or Paying Agents either monies in an amount which shall be sufficient, or Investment Obligations the principal of and interest on which when due will provide monies which, when added to the monies, if any, deposited with such Trustee or Paying Agents at the same time, shall be sufficient to pay the principal of those Bonds at maturity or on Sinking Fund Installment dates or the Redemption Price, if applicable, and interest due and to become due on those Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (b) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to publish as provided in Article IV of this Resolution notice of redemption on that date of such Bonds, and (c) in the event those Bonds are not by their terms subject to redemption and do not mature within the next succeeding 60 days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to publish, as soon as practicable, at least twice, at an interval of not less than seven days between publication, in a daily newspaper of general circulation in the City and in a financial newspaper of general circulation in the City of New York a notice to the Holders of such Bonds and coupons that the deposit required by (b) above has been made with the Trustee and that those Bonds and coupons are deemed to have been paid in accordance with paragraph (1) of this Section 1101 and stating such maturity or redemption date upon which monies are to be available for the payment of the principal or Redemption Price, if applicable, on those Bonds. Neither Investment Obligations nor monies deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on those Bonds; provided that any cash received from such principal or interest payments on such Investment Obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Obligations maturing at times and in principal amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on those Bonds on and prior to such redemption date or maturity date thereof, as the case may be.

(3) Anything in the Bond Resolution to the contrary notwithstanding, any moneys held by the Trustee or Paying Agents in trust for the payment and discharge of any of the Bonds or coupons which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or Paying Agents at such date, or for six years after the date of deposit of such moneys if deposited with the Trustee or Paying Agents after the date when the Bonds became due and payable, shall, at the written request of the Authority, be repaid by the Trustee or Paying Agents to the Authority, as its absolute property and free from trust, and the Trustee or Paying Agents shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Authority for the payment of such Bonds and coupons; provided, however, that before being required to make any such payment to the Authority, the Trustee or Paying Agents shall, at the expense of the Authority, cause to be published at least twice, at an interval of not less than seven days between publications, in a daily

newspaper of general circulation in the City and in a financial newspaper of general circulation in the City of New York, a notice that those moneys remain unclaimed and that, after a date named in the notice, which date shall be not less than 30 days after the date of the first publication of the notice, the balance of such moneys then unclaimed will be returned to the Authority.

(4) For the purpose of this Section 1101 Investment Obligations shall mean only direct obligations of the United States of America.

ARTICLE XII

No recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based on that payment or on this Resolution against any Director, officer or employee of the Authority or any person executing the Bonds or coupons on behalf of the Authority.

1204. *Severability.* If any one or more of the covenants, stipulations, promises, agreements or obligations provided in this Resolution on the part of the Authority, Trustee or any Paying Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant(s), stipulation(s), promise(s), agreement(s) or obligation(s) shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations contained in this Resolution and shall in no way affect the validity of the other provisions of this Resolution.

1205. *Headings.* Any headings preceding the texts of the several Articles and Sections of this Resolution or any Series Resolution, and any table of contents or marginal notes appended to copies of this Resolution or any Series Resolution, shall be solely for convenience or reference and shall not constitute a part of this Resolution or such Series Resolution, nor shall they affect its meaning, construction or effect.

1207. *Effectiveness.* This Resolution is effective immediately upon its adoption.

Contemporaneously with the receipt of any prepayment of Board Notes, the City must apply such amount to the prepayment of Bridge Notes. It is in the best interests of the Authority and the public that all of the outstanding Board Notes (and thereby an equal amount of the Bridge Notes) be prepaid. Notice is of prepayment of the outstanding Board Notes and Bridge Notes have been given by the Board and the City, respectively.

(e) The Board is also in need of additional money in order for it to continue to provide public education within the City while permitting the Board to meet its obligations to vendors, employees and holders of its bonds and notes.

(f) It is necessary and in the best interests of the Authority and the public for the Authority to borrow the sum of $120,000,000 and in evidence of its obligation to repay that borrowing to issue the 1980 Series C Bonds, as provided in this 1980 Series C Resolution, and for the Authority to use the amounts received from the sale of the 1980 Series C Bonds, all as provided in this 1980 Series C Resolution. The only previous issues of any notes or bonds of the Authority are its issues of $220,000,000 General Obligation School Assistance Bonds, 1980 Series A, and $150,000,000 General Obligation School Assistance Bonds, 1980 Series B, issued under the Bond Resolution.

(g) The Authority has advertised for proposals to purchase the 1980 Series C Bonds. Those advertisements appeared, among other places, in *The Chicago Tribune*, a daily newspaper published in the City, and in *The State Journal-Register*, a daily newspaper published in the City of Springfield, Illinois. Each of those advertisements was published not less than ten days prior to the date of the opening of the bids for the 1980 Series C Bonds. In addition, the Authority has caused there to be distributed to prospective purchasers of the 1980 Series C Bonds, a Preliminary Official Statement and a Notice of Sale and Official Bid Form.

(h) The Authority has received   sealed bids for the 1980 Series C Bonds. The bid of
                    , a copy of which bid is attached as Exhibit A and is made a part of this 1980 Series C Resolution, is the highest and best bid. It is in the best interests of the Authority and the public for the Authority to accept that bid and to issue and deliver the 1980 Series C Bonds to the purchasers listed in that bid, all in accordance with the terms of the bid and with this 1980 Series C Resolution.

(i) It is necessary and in the best interests of the Authority and the public for the Authority to demand and direct the City Council of the City to provide by ordinance for the levy and collection of direct annual taxes sufficient to pay the principal of and interest on the 1980 Series C Bonds, all as provided in the Act, the Bond Resolution and this 1980 Series C Resolution, and for the Authority to determine an amount for loss and cost of collection of taxes and anticipated deferred collections of taxes, as extended on the collectors' books, all as provided in the Act, the Bond Resolution and this 1980 Series C Resolution.

If this Bond is registered as to principal other than to bearer, the principal and redemption price, if any, of this Bond are payable at the corporate trust office of The First National Bank of Chicago, in the City of Chicago, Illinois, as Trustee.

This Bond is one of a duly authorized issue of bonds of the Authority designated "General Obligation School Assistance Bonds" (the "Bonds"), issued and to be issued in various series under and pursuant to the School Finance Authority Act of the State of Illinois (the "Act") and under and pursuant to the School Assistance Bond Resolution of the Authority duly adopted April 29, 1980 (the "Bond Resolution"), series resolutions authorizing each such series, and ordinances of the City Council of the City of Chicago levying taxes to pay principal of and interest on the Bonds.

This Bond is one of a series of Bonds designated "General Obligation School Assistance Bonds, 1980 Series C" (the "1980 Series C Bonds"), issued in the aggregate principal amount of $120,000,000 under the Bond Resolution and a series resolution authorizing the issuance of such series (the "1980 Series C Resolution"). As provided in the Bond Resolution, the Bonds may be issued from time to time pursuant to series resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and, subject to the provisions of the Bond Resolution, may otherwise vary. The aggregate principal amount of Bonds which may be issued under the

Bond Resolution is not limited except as provided in the Bond Resolution and the Act, as amended from time to time, and all Bonds issued and to be issued under the Bond Resolution are and will be equally and ratably secured by the covenants, liens and security interests made or provided for in the Bond Resolution (except as to Capitalized Interest Accounts which are for the purpose of paying interest on particular Series of Bonds).

The 1980 Series C Bonds are general obligations of the Authority. To the payment when due of the interest on the 1980 Series C Bonds and of the principal of the 1980 Series C Bonds, at stated maturity or on sinking fund installment dates, the full faith and credit of the Authority are irrevocably pledged. The 1980 Series C Bonds are not obligations of the City of Chicago (the "City"), the Board of Education of the City (the "Board"), the State of Illinois (the "State") or any other political subdivision of the State (other than the Authority) or any charge upon the general credit or against the taxing power of the City, the Board, the State or any other political subdivision of the State (other than the Authority).

The 1980 Series C Bonds are issued for the purpose of providing funds to be applied to the prepayment of all outstanding 9.75% General Obligation Notes of the Board, issued on February 1, 1980 (and thereby an equal amount of outstanding 9.75% Special Obligation School Tax Anticipation Notes of the City, issued on February 1, 1980), for the purpose of providing the Board with money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities and other operational needs of the Board, for the purpose of paying interest on 1980 Series C Bonds, for the purpose of depositing in the debt service reserve fund established under the Bond Resolution an amount to secure the Bonds, and for the purpose of paying costs of issuance of the 1980 Series C Bonds, all as provided by the Act, the Bond Resolution and the 1980 Series C Resolution. The 1980 Series C Bonds have been issued by the Authority upon full payment for the 1980 Series C Bonds as provided in the 1980 Series C Resolution.

The 1980 Series C Bonds, together with the outstanding Bonds issued under the Bond Resolution and such additional Bonds which subsequently may be issued under the Bond Resolution, are payable solely from taxes levied or to be levied to pay the principal of and interest on such Bonds and from funds and revenues as provided in the Bond Resolution and the series resolutions. Nothing in this Bond or in the Bond Resolution or the 1980 Series C Resolution prohibits the use for such payment of any funds which lawfully may be used for that purpose.

The issuance by the Authority of the 1980 Series C Bonds will not cause the Authority to exceed or violate any applicable limitation or condition regarding the issuance of obligations of the Authority imposed by the Constitution or laws of the State.

1980 Series C Bonds maturing on or after June 1, 1991, are subject to redemption at the option of the Authority as a whole, or in part in the inverse order of maturity and by lot within a maturity, if less than a whole maturity is redeemed, on any interest payment date on or after June 1, 1990, at the respective redemption prices (expressed as percentages of the principal amounts of the 1980 Series C Bonds to be redeemed) on the dates, all as set forth below, plus interest accrued on such 1980 Series C Bonds to the date fixed for redemption:

The Authority covenants with the holder of this Bond that it will keep and perform all covenants and agreements contained in the Bond Resolution and the 1980 Series C Resolution.

This Bond is transferable by delivery except when registered as to principal otherwise than to bearer. It may be registered as to principal in the name of the owner on the books of the Authority kept for that purpose at the corporate trust office of the Trustee, such registration to be noted on this Bond, after which no transfer of this Bond shall be valid unless made on those books by the registered owner in person, or by such owner's attorney duly authorized in writing, and similarly noted on this Bond; but this Bond may be discharged from registration by being in like manner registered to bearer, after which it shall again become transferable by delivery; and this Bond may again and from time to time be registered or discharged from registration in the same manner. The 1980 Series C Bonds, together with the outstanding Bonds issued under the Bond Resolution and such additional Bonds which subsequently may be issued under the Bond Resolution, are payable solely from taxes levied or to be levied to pay the principal of and interest on such Bonds and from funds and revenues as provided in the Bond Resolution and the series resolutions. Nothing in this Bond or in the Bond Resolution or the 1980 Series C Resolution prohibits the use for such payment of any funds which lawfully may be used for that purpose.

The issuance by the Authority of the 1980 Series C Bonds will not cause the Authority to exceed or violate any applicable limitation or condition regarding the issuance of obligations of the Authority imposed by the Constitution or laws of the State.

On June 1 or December 1, 1995	100½%
On June 1, 1996 and each interest payment date thereafter	100 %

1980 Series C Bonds maturing on June 1, 2009, are subject to mandatory redemption in part on June 1,   , and on each June 1 thereafter to and including June 1, 2008, at their principal amount plus accrued interest, without premium, in the years and amounts of the sinking fund installments for each of such years as set forth in the 1980 Series C Resolution.

Notice of redemption of any of the 1980 Series C Bonds shall be published once a week for at least two successive weeks, in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York. The first such publication shall be made not less than thirty days nor more than sixty days prior to the date fixed for redemption. When any of the 1980 Series C Bonds, including this Bond, shall have been called for redemption, and payment made or provided for, interest thereon shall cease to accrue from and after the date so specified.

It is certified and recited that all acts, conditions and things required to be done, to happen, or to be performed precedent to and in the issuance of this Bond, have been done, have happened and have been performed in regular and due form of law. The Authority covenants with the holder of this Bond that it will keep and perform all covenants and agreements contained in the Bond Resolution and the 1980 Series C Resolution.

The 1980 Series C Bonds are issuable in coupon form, registrable as to principal only, in the denomination of $5,000, and in fully registered form without coupons in denominations of $5,000 and integral multiples thereof. Subject to the limitations and upon payment of the charges provided in the Bond Resolution, 1980 Series C Bonds in fully registered form without coupons may be exchanged for a like aggregate principal amount of 1980 Series C Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) or for a like aggregate principal amount of 1980 Series C Bonds in fully registered form without coupons of other authorized denominations, and 1980 Series C Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) may be exchanged for a like aggregate principal amount of 1980 Series C Bonds in fully registered form without coupons of authorized denominations.

502. *Additional Levy.* The taxes to be collected as provided in this Article V for the purpose of paying the principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional amounts provided in this Section, in accordance with paragraph (3) of Section 906 of the Bond Resolution. These amounts shall be in addition to the dollar amounts specifically set forth in Section 501 of this 1980 Series C Resolution. The additional amounts provided in this Section shall be levied for each levy year, beginning with the tax levy for 1981, and shall be collected in each year while any of the 1980 Series C Bonds are outstanding and unpaid, either as to principal or interest. The additional amount to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on the 1980 Series C Bonds through Demember 1 of such levy year less an amount equal to the interest paid from the 1980 Series C Capitalized Interest Account shall have exceeded

(b) the cumulative total of the collections of all taxes levied as provided by the 1980 Series C Tax Levy Ordinance with respect to the 1980 Series C Bonds (including taxes levied pursuant to this Section) for all years up to and through December 1 of such levy year.

No later than December 31 of each year, beginning in 1981, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy in that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts provided to be collected in each year, pursuant to this Section.

503. *Direction and Demand to City Council.* Pursuant to the Act, demand is made upon the City Council of the City and the City Council is directed to provide by ordinance for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of the 1980 Series C Bonds at maturity or on Sinking Fund Installment dates and to pay the interest on the 1980 Series C Bonds as it falls due and to make deposits in the Reserve Fund, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out and described in Section 501 and 502 of this Article.

504. *Filing of Tax Levy Ordinance, Extension of Taxes.* After the adoption of this 1980 Series C Resolution, the Secretary of the Authority is authorized and directed to file a copy of it, duly certified by or on behalf of the Secretary, with the City Clerk of the City. After the adoption and effectiveness of the 1980 Series C Tax Levy Ordinance of the City Council levying the taxes described in this Article, the City Clerk of the City is directed to file copies of that 1980 Series C Tax Levy Ordinance, duly certified by or on behalf of that officer, in the office of the County Clerk of DuPage County, Illinois, and in the office of the County Clerk of Cook County, Illinois (which are all the counties in which any taxable property in the City is located) and in the offices of the County Collectors for those counties. Upon the filing of such copies of the 1980 Series C Tax Levy Ordinance with those County Clerks, it shall be the duty of those County Clerks to extend the taxes so levied for the 1980 Series C Bonds, all as provided in the Act, the 1980 Series C Tax Levy Ordinance, the Bond Resolution and this 1980 Series C Resolution. Except as specifically provided in the Bond Resolution, this 1980 Series C Resolution or the 1980 Series C Tax Levy Ordinance, the taxes levied as provided in this 1980 Series C Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series C Resolution shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

505. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* In extending the taxes provided by this 1980 Series C Resolution and the 1980 Series C Tax Levy Ordinance to be levied, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and this 1980 Series C Resolution. The amount so determined by the Authority is and shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Bond Resolution, this 1980 Series C Resolution and the 1980 Series C Tax Levy Ordinance. It is determined that the amounts so to be included in extensions for the following years of extension as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books are the following amounts:

Extension Year	Allowance
1981	7.0%
1982 (and each succeeding year)	4.5%

These amounts are based on the actual recent experience of tax collection of levies of taxes in the City giving account to the time in which levies for any year have been collected. The amounts as so determined are found to be presently sufficient so that the amounts of taxes to be levied and collected will produce the amounts required to be produced pursuant to this Article V. The amounts as so determined for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of the Bond Resolution but no decrease of this allowance shall be made for extensions for the years 1981 or 1982.

The Authority covenants and agrees with the Holders of the 1980 Series C Bonds that it will include an allowance for loss and cost of collection and for anticipated deferred collections of taxes with respect to any future series of Bonds issued prior to December 31, 1980, of not less than 7.0% and 4.5% for extensions in 1981 and 1982, respectively.

Levy of Additional Taxes Authorized for Providing Revenue for the Public School Teachers' Pension and Retirement Fund.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Whereas, Section 12 of "An Act in relation to State revenue sharing with local governmental entities" was amended, effective June 26, 1980, which amendment authorizes an increase in real property taxes extended for collection in 1980 and subsequent years for providing revenue for the Public School Teachers' Pension and Retirement Fund of Chicago; and

Whereas, The Board of Education of the City of Chicago, at a special meeting held September 19, 1980, duly adopted a "Resolution Providing for the Levy of Additional Taxes for Providing Revenue for the Public School Teachers' Pension and Retirement Fund of Chicago"; and

Whereas, At said special meeting and by said resolution the Board of Education of the City of Chicago duly adopted a demand and direction upon the City Council of the City of Chicago to levy an additional school tax for providing revenue for the Public School Teachers' Pension and Retirement Fund of Chicago, which resolution is in words and figures as follows:

Whereas, Pursuant to Section 17-128 of the Pension Code, as amended, [Ch. 108½, §17-128, Ill. Rev. Stat.] the City Council of the City of Chicago has, pursuant to to the demand and direction of the Board of Education of the City of Chicago (the "Board"), levied direct annual taxes for fiscal year 1979 and for fiscal year 1980 on the taxable property within the City, being the School District named Board of Education of the City of Chicago, to produce amounts for the purpose of providing revenue for the Public School Teachers' Pension and Retirement Fund of Chicago;

Whereas, Pursuant to Ch. 122, Sec. 34-54.1 of the School Code, as amended, the Controller of the Board certified to the County Clerks of Cook and DuPage Counties, Illinois, the portion of tax levied for fiscal year 1979 and the portion of the tax levied for fiscal year 1980 which were to be extended for collection in 1980 for the purpose of providing revenue to the Public School Teachers' Pension and Retirement Fund of Chicago in 1980;

Whereas, Section 12 of "An Act in relation to State revenue sharing with local governmental entities", approved August 1, 1969, as amended ("Section 12"), [Ch. 85, Sec. 616. Ill. Rev. Stat., 1979 ed.) provided a formula setting forth the proportionate amount of the pension or retirement obligations of the Board which were to be paid from real property taxes to be extended in 1980 and subsequent years, the remaining proportion of such obligations to be paid from receipts from the State of Illinois personal property replacement tax;

Whereas, Section 12 was amended by Public Act 81-1255 which was approved and effective June 26, 1980, the amendment changing the formula to increase the proportion of the pension or retirement obligations to be paid from real property taxes and consequently increasing the amount of the real property taxes to be extended in 1980 and subsequent years for that purpose;

Whereas, Under the formula set forth in Section 12, as amended, the amount of direct annual taxes which were to be levied and extended for collection in 1980 upon the taxable real property of the City for the providing of revenues for the Public School Teachers' Pension and Retirement Fund of Chicago, was $37,303,447;

Whereas, The total amount of direct annual taxes which was, in fact, extended for collection in 1980 for the purpose of providing for revenues for the Public School Teachers' Pension and Retirement Fund, was $31,246,638 (the amount which would have resulted from the formula in Section 12 prior to the June 26, 1980, amendment);

Whereas, The Board is in need of the $6,056,809 of direct annual taxes for the purpose of providing revenues for the Public School Teachers' Pension and Retirement Fund of Chicago which was not extended for collection in 1980 but which would have been levied and extended had the formula in Section 12, as amended, been applied;

Whereas, It is in the best interest of the Board that $6,056,809 of direct annual taxes which was not extended for collection in 1980 now be levied for collection in 1981 to be used for the purpose of providing revenues for the Public School Teachers' Pension and Retirement Fund of Chicago, now, therefore,

Be It Resolved by the Board of Education of the City of Chicago:

Section 1. That for the purpose of providing revenues for the Public School Teachers' Pension and Retirement Fund of Chicago, there shall be levied by the City Council and there shall be extended for collection in 1981 a direct annual tax upon all the taxable property within the City being the School District named Board of Education of the City of Chicago, in the sum of $6,056,809.

Section 2. Levy of Additional Taxes Authorized for Payment of Lease Rentals with Public Building Commission of Chicago.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, Section 12 of "An Act in relation to State revenue sharing with local governmental entities" was amended, effective June 26, 1980, which amendment authorizes an increase in real property taxes extended for collection in 1980 and subsequent years for the payment of Public Building Commission lease rentals by the Board of Education of the City of Chicago; and

WHEREAS, The Board of Education of the City of Chicago, at a special meeting held September 19, 1980, duly adopted a "Resolution Providing for the Levy of Additional Taxes for the Payment of Additional Taxes for the Payment of Lease Rentals with the Public Buliding Commission of Chicago;" and

WHEREAS, At said special meeting and by said resolution the Board of Education of the City of Chicago duly adopted a demand and direction upon the City Council of the City of Chicago to levy an additional school tax for the payment of lease rentals with the Public Building Commission of Chicago, which resolution is in words and figures as follows:

Whereas, The Board of Education of the City of Chicago (the "Board") is the lessee under four leases with the Public Building Commission of Chicago ("PBC") for the lease of various school buildings and facilities owned by the PBC, to wit: Lease BE 2 et al. (approved by Resolution of the Board 70-792, adopted October 14, 1970); Lease BE 4 et al. (approved by Resolution of the Board 71-645, adopted June 16, 1971; Lease BE 20 and BE 20A (approved by Resolution of the Board 74-1179-1, adopted December 4, 1974); Lease 4B and 18 (approved by Resolution of the Board 76-380, adopted March 24, 1976) (together referred to as the "PBC Leases").

Whereas, At the time of adoption of each of the PBC Leases, a direct annual tax was levied upon all the taxable property within the City of Chicago (the "City") being the School District named Board of Education of the City of Chicago by the City Council of the City of Chicago (the "City Council"), pursuant to the demand and direction of the Board, sufficient to produce the amounts required to provide for the payment of the rent provided in each particular PBC Lease;

Whereas, Section 12 of "An Act in relation to State revenue sharing with local governmental entities", approved August 1, 1969, as amended ("Section 12"), [Ch. 85, Sec. 616, Ill. Rev. Stat., 1979 ed.] provided a formula setting forth the proportionate amount of the debt service on outstanding bonds which shall be paid from real property taxes to be extended in 1980 and subsequent years, the remaining proportion of the debt service to be paid from receipts from the State of Illinois personal property replacement tax; that Section also provided for extension of the direct annual taxes for paying such debt service on outstanding bonds;

Whereas, Section 12 was amended by Public Act 81-1255 which was approved and effective June 26, 1980, the amendment changing the formula to increase the proportion of the debt service to be paid from real property taxes and consequently increasing the amount of the real property taxes to be extended in 1980 and subsequent years for that debt service;

Whereas, The Board has treated its lease rentals due on the PBC Leases as payment of debt service on outstanding bonds for purposes of the application of Section 12;

Whereas, under the formula set forth in Section 12, as amended, the amount of direct annual taxes levied by the City Council for the payment of the rent provided for in each of the PBC Leases, which was required to be extended for collection in 1980 upon the taxable real property of the City, was $19,198,741;

Whereas, the total amount of direct annual taxes which was, in fact, extended for collection in 1980 for the purpose of providing for the payment of the rent provided for in the PBC Leases was $16,107,455 (the amount which would have resulted from the formula in Section 12 prior to the June 26, 1980, amendment);

Whereas, The Board is in need of the direct annual taxes previously levied by the City for the purpose of providing for the payment of the rent provided for in the PBC Leases which was not extended for collection in 1980 but which would have been extended had the formula in Section 12, as amended, been applied;

Whereas, it is in the best interest of the Board that $3,091,286 of direct annual taxes which was not extended for collection in 1980 now be levied for collection in 1981 to be used for the purpose of providing for the rent provided in the PBC Leases, now, therefore,

Be It Resolved by the Board of Education of the City of Chicago:

Section 1. That for the purpose of providing for the payment of the rent provided for the following lease which were entered into by the Board and the Public Building Commission, there shall be levied by the City Council and there shall be extended for collection in 1981 the following direct annual taxes upon all the taxable property within the City being the School District named Board of Education of the City of Chicago, in the following amounts:

After the adoption of this Resolution providing for levy and collection of the taxes set forth in Section 1, the City Clerk of the City of Chicago is directed to file a copy of the Ordinance levying the tax, which ordinance includes a copy of this Resolution, duly certified by the City Clerk, in the office of the County Clerk of Cook County, Illinois and in the office of the County Clerk of DuPage County, Illinois, whereupon it shall be the duty of such Clerks to extend the taxes in this Resolution and the Ordinance provided for. It shall be the duty of those respective County Clerks to extend in 1981 such taxes against all the taxable property contained in this School District designated as the Board of Education of the City of Chicago, being a School District in the City of Chicago. Section 4. After the adoption of this Resolution, a copy thereof duly certified by the Secretary of the Board of Education of the City of Chicago shall be filed with the City Council of the City of Chicago with directions for presenting same to the City Council of the City of Chicago for consideration. SECTION 1. Chapter 100 is amended by adding the language appearing in Italics, as follows:

100-29.5. It shall be unlawful for any person to display for sale any consumer commodity unless the selling price is accurately stated in a clear and conspicuous manner. On any pre-packaged consumer commodity, except those sold through vending machines, the selling price shall be marked directly on the package.

On any consumer commodity which is not pre-packaged the selling price shall be stated on a sign contiguous to the point of display of the consumer commodity so priced.

Provided that when any consumer commodity is not pre-packaged and is sold out-of-doors the selling price numerals shall be not less than 3 inches in height and 1½ inches in width and any fractional numerals shall be not less than one-half the height and width of the whole numerals.

The Commissioner is hereby authorized to permit the use of alternative price-notification procedures which may be of benefit to the citizens of the City of Chicago and consumers. The Commissioner may, in conjunction with such alternative procedures, exempt classes of persons from the individual pricing requirements of this section and shall, in such event, adopt rules and regulations consistent with the objectives of this section to ensure accurate notice to consumers of the actual selling price of consumer products. Such regulations shall ensure that:

1. *The selling price of each consumer commodity is stated in a clear and conspicuous manner at the location where each such commodity is displayed for sale.*

2. *Each sale shall be documented by a receipt given to each purchaser which shall contain a record of the commodities purchased and the selling price of each such commodity.*

3. *The savings realized by reason of not requiring each individual pre-packaged commodity to be price-marked shall be passed on to the consumer.*

No person shall be deemed to comply with such regulations except those receiving a certificate from the Commissioner, after application therefor on such form as the Commissioner shall prescribe, that such person complies with the regulations.

SPONSOR ASSURANCES

17. These covenants shall become effective upon acceptance by the Sponsor of an offer of Federal aid for the Project or any portion thereof, made by the FAA and shall constitute a part of the Grant Agreement thus formed. These covenants shall remain in full force and effect throughout the useful life of the facilities developed under this Project, but in any event not to exceed twenty (20) years from the date of said acceptance of an offer of Federal aid for the Project. However, these limitations on the duration of the covenants do not apply to the covenant against exclusive rights. Any breach of these covenants on the part of the Sponsor may result in the suspension or termination of, or refusal to grant Federal assistance under, FAA administered programs, or such other action which may be necessary to enforce the rights of the United States under this agreement.

18. The Sponsor will operate the Airport as such for the use and benefit of the public. In furtherance of this covenant (but without limiting its general applicability and effect), the Sponsor specifically agrees that it will keep the Airport open to all types, kinds, and classes of aeronautical use on fair and reasonable terms without discrimination between such types, kinds, and classes. Provided; That the Sponsor may establish such fair, equal, and not unjustly discriminatory conditions to be met by all users of the Airport as may be necessary for the safe and efficient operation of the Airport; And Provided Further, That the Sponsor may prohibit or limit any given type, kind, or class of aeronautical use of the Airport if such action is necessary for the safe operation of the Airport or necessary to serve the civil aviation needs of the public.

19. The Sponsor—

a. Will not grant or permit any exclusive right forbidden by Section 308(a) of the Federal Aviation Act of 1958 (49 U.S.C. 1349(a)) at the Airport, or at any other airport now owned or controlled by it;

b. Agrees that, in furtherance of the policy of the FAA under this covenant, unless authorized by the Administrator, it will not, either directly or indirectly, grant or permit any person, firm or corporation the exclusive right at the Airport, or at any other airport now owned or controlled by it, to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity.

c. Agrees that it will terminate any existing exclusive right to engage in the sale of gasoline or oil, or both, granted before July 17, 1962, at such an airport, at the earliest renewal, cancellation, or expiration date applicable to the agreement that established the exclusive right; and

d. Agrees that it will terminate any other exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under the Airport and Airway Development Act.

20. The Sponsor agrees that it will operate the Airport for the use and benefit of the public, on fair and reasonable terms, and without unjust discrimination. In furtherance of the covenant (but without limiting its general applicability and effect), the Sponsor specifically covenants and agrees:

a. That in its operation and the operation of all facilities on the Airport, neither it nor any person or organization occupying space or facilities thereon will discriminate against any person or class of persons by reason of race, color, creed, or national origin in the use of any of the facilities provided for the public on the Airport.

b. That in any agreement, contract, lease, or other arrangement under which a right or privilege at the Airport is granted to any person, firm, or corporation to conduct or engage in any aeronautical activity for furnishing services to the public at the Airport, the Sponsor will insert and enforce provisions requiring the contractor:

(1) to furnish said service on a fair, equal, and not unjustly discriminatory basis to all users thereof, and

(2) to charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; Provided, That the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

c. That it will not exercise or grant any right or privilege which would operate to prevent any person, firm or corporation operating aircraft on the Airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance and repair) that it may choose to perform.

d. In the event the Sponsor itself exercises any of the rights and privileges referred to in subsection b, the services involved will be provided on the same conditions as would apply to the furnishing of such services by contractors or concessionaires of the Sponsor under the provisions of such subsection b.

21. Nothing contained herein shall be construed to prohibit the granting or exercise of an exclusive right for the furnishing of nonaviation products and supplies or any service of a nonaeronautical nature or to obligate the Sponsor to furnish any particular nonaeronautical service at the Airport.

22. The Sponsor will operate and maintain in a safe and serviceable condition the Airport and all facilities thereon and connected therewith which are necessary to serve the aeronautical users of the Airport other than facilities owned or controlled by the United States, and will not permit any activity thereon which would interfere with its use for airport purposes: Provided, That nothing contained herein shall be construed to require that the Airport be operated for aeronautical uses during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance; And Provided Further, That nothing herein shall be construed as requiring the maintenance, repair, restoration or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the Sponsor. In furtherance of this covenant the Sponsor will have in effect at all times arrangements for:

a. Operating the airport's aeronautical facilities whenever required.

b. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions, and

c. Promptly notifying airmen of any condition affecting aeronautical use of the Airport.

23. Insofar as it is within its power and reasonable, the Sponsor will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, prevent the construction, erection, alteration, or growth of any structure, tree, or other object in the approach areas of the runways of the Airport, which would constitute an obstruction to air navigation according to the criteria or standards prescribed in Section 77.23, as applied to Section 77.25, Part 77 of the Federal Aviation Regulations. In addition, the Sponsor will not erect or permit the erection of any permanent structure or facility which would interfere materially with the use, operation, or future development of the Airport, in any portion of a runway approach area in which the Sponsor has acquired, or hereafter acquires, property interests permitting it to so control the use made of the surface of the land.

24. Insofar as it is within its power and reasonable, the Sponsor will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, take action to restrict the use of land adjacent to or in the immediate vicinity of the Airport to activities and purposes compatible with normal airport operations including landing and takeoff of aircraft.

25. The Sponsor will keep up to date at all times an airport layout plan of the Airport showing (1) the boundaries of the Airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the Sponsor for airport purposes, and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon. Such airport layout plan and each amendment, revision, or modification thereof, shall be subject to the approval of the FAA, which approval shall be evidenced by the signature of a duly authorized representative of the FAA on the face of the airport layout plan. The Sponsor will not make or permit the making of any changes or alterations in the Airport or any of its facilities other than in conformity with the airport layout plan as so approved by the FAA, if such changes or alterations might adversely affect the safety, utility, or efficiency of the Airport.

26. All facilities of the Airport developed with Federal aid and all those usable for the landing and taking off of aircraft, will be available to the United States at all times, without charge, for use by government aircraft in common with other aircraft, except that if the use by government aircraft is substantial, a reasonable share, proportional to such use, of the cost of operating and maintaining facilities so used, may be charged. Unless otherwise determined by the FAA, or otherwise agreed to by the Sponsor and the using agency, substantial use of an airport by government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the FAA, would unduly interfere with use of the landing area by other authorized aircraft, or during any calendar month that:

a. Five (5) or more government aircraft are regularly based at the airport or on land adjacent thereto; or

b. The total number of movements (counting each landing as a movement and each takeoff as a movement) of government aircraft is 300 or more, or the gross accumulative weight of government aircraft using the Airport (the total movements of government aircraft multiplied by gross certified weights of such aircraft) is in excess of five million pounds.

27. Whenever so requested by the FAA, the Sponsor will furnish without cost to the Federal Government, for construction, operation, and maintenance of facilities for air traffic control activities, or weather reporting activities and communication activities related to air traffic control, such areas of land or water, or estate therein, or rights in buildings of the Sponsor as the FAA may consider necessary or desirable for construction at Federal expense of space or facilities for such purposes. The approximate amounts of areas and the nature of the property interests and/or rights so required will be set forth in the Grant Agreement relating to the Project. Such areas or any portion thereof will be made available as provided herein within 4 months after receipt of written request from the FAA.

28. The airport operator or owner will maintain a fee and rental structure for the facilities and services being provided the airport users which will make the Airport as self-sustaining as possible under the circumstances existing at the Airport, taking into account such factors as the volume of traffic and economy of collection.

29. The Sponsor will furnish the FAA with such annual or special airport financial and operational reports as may be reasonably requested. Such reports may be submitted on forms furnished by the FAA, or may be submitted in such manner as the Sponsor elects so long as the essential data are furnished. The Airport and all airport records and documents affecting the Airport, including deeds, leases, operation and use agreements, regulations, and other instruments, will be made available for inspection and audit by the Secretary and the Comptroller General of the United States, or their duly authorized representatives, upon reasonable request. The Sponsor will furnish to the FAA or to the General Accounting Office, upon request, a true copy of any such document.

30. All project accounts and records will be kept in accordance with a standard system of accounting if so prescribed by the Secretary.

31. If at any time it is determined by the FAA that there is any outstanding right or claim of right in or to the Airport property, other than those set forth in Part II, paragraphs 7(a), 7(b), and 7(c), the existence of which creates an undue risk of interference with the operation of the Airport or the performance of the covenants of this Part, the Sponsor will acquire, extinguish, or modify such right or claim of right in a manner acceptable to the FAA.

32. The Sponsor will not enter into any transaction which would operate to deprive it of any of the rights and powers necessary to perform any or all of the covenants made herein, unless by such transaction the obligation to perform all such covenants is assumed by another public agency found by the FAA to be eligible under the Act and Regulations to assume such obligations and having the power, authority, and financial resources to carry out all such obligations. If an arrangement is made for management or operation of the Airport by any agency or person other than the Sponsor or an employee of the Sponsor, the Sponsor will reserve sufficient rights and authority to insure that the Airport will be operated and maintained in accordance with the Act, the Regulations, and these covenants.

33. Unless the context otherwise requires, all terms used in these covenants which are defined in the Act and the Regulations shall have the meanings assigned to them therein.

SECTION 1. That the Mayor is authorized to execute and the City Clerk to attest, subject to approval of the City Comptroller and the Commissioner of Aviation and approval as to form and legality of the Corporation Counsel, an amendment to an agreement, authorized by ordinance passed by the City Council on February 24, 1972 (C.J.P. pp. 2687-2703), as amended, with Hertz Corporation, at Chicago-O'Hare International airport, said amendment to be in the following form:

This Agreement made and entered into, this .... day of ...., A.D., 1980, by and between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter referred to as "City" and The Hertz Corporation, a corporation organized under and existing by virtue of the laws of the State of Delaware, hereinafter referred to as "Concessionaire."

WITNESSETH:

Whereas, City and Concessionaire have heretofore entered into an agreement under date of February 24, 1972, authorized by the City Council February 24, 1972 (C.J.P. pp. 2671-2687), as amended, hereinafter referred to as "said agreement," in and by which City, among other provisions, granted to Concessionaire certain privileges or premises to be occupied and used for the purposes therein stated, located at Chicago-O'Hare International Airport in the City of Chicago, Counties of Cook and DuPage, State of Illinois;

Now, Therefore, City, in consideration of the provisions and conditions set forth in said agreement, does hereby amend said agreement, and Concessionaire hereby accepts said privileges or premises therein set forth and upon the terms, conditions and provisions set forth and stated therein (to which reference is hereby made, and which the parties agree will be incorporated, and shall be considered to be incorporated herein, by this reference thereto) except in so far and only in so far as said privileges, premises, terms, conditions and provisions are modified, changed, or amended by the further provisions of this agreement.

It is hereby further agreed that the sole modifications of, changes in, and amendments to said agreement, which are hereby made therein, and which shall be applicable to all renewals and extensions as may be made and provided for therein, are as follows:

1. Subsection (1) Existing Counter Space, as amended, appearing under Section A. Counter Space on page 9 of the original agreement and reading as follows:

> "During the term of this Agreement, Concessionaire shall have the right and privilege to use up to 322 square feet of counter space, on the first floor concourse of Terminal Building 2, and up to 322 square feet of counter space on the first floor concourse of Terminal Building 3. Concessionaire shall have the right to at least one counter area on the first floor concourse in each of the above mentioned Terminal Buildings and up to two counter areas in each, with the exact number, location and square footage of said counters to be determined by the Commissioner of Aviation".

shall be and the same is hereby changed, modified and further amended to read as follows:

> During the term of this Agreement, Concessionaire shall have the right and privilege to use up to 500 square feet of counter and office space, on the first floor concourse of Terminal Building 2, and up to 500 square feet of counter and office space on the first floor concourse of Terminal Building 3. Concessionaire shall have the right to at least one counter and office area on the first floor concourse in each of the above mentioned Terminal Buildings and up to two counters and an office area in each, with the number, location and size of said facilities to be determined by the Commissioner of Aviation.

2. Subsection (f) Expansion Areas, appearing under paragraph (2) Permanent Service Area "B" of Section D. Outer Area Automobile Service Facility, under Article V, Demised Premises and reading as follows:

> ". . . It is understood and agreed by and between the parties that if at any time during the term of this Agreement such land which has been designated as "Expansion Areas 4 or 7," as the same are more particularly described and set forth on Exhibit "E" attached hereto and made a part hereof, becomes desirable for other Airport uses, then the City shall give Concessionaire the right of first refusal; acceptance of the rental thereof shall be given in writing to the Commissioner of Aviation within thirty (30) days following receipt of said notice stating that Con-

> cessionaire is desirous of leasing such expansion area or areas and, in such event, this Agreement shall be amended to include such area or areas within the demised premises hereunder upon the same terms and conditions herein set forth. If Concessionaire shall fail to file a written acceptance of said expansion area or areas within said thirty (30) day period, the City may lease said property to others. In the event said rental is for rent-a-car purposes, rental charges shall be upon the same terms and conditions as those offered to Concessionaire".

shall be and the same is hereby changed, modified and amended to read as follows:

> . . . It is understood and agreed by and between the parties that if at any time during the term of this Agreement such land which has been designated as Expansion Area 9, as the same is more particularly described and set forth on Revised Exhibit "E" attached hereto and made a part hereof, become desirable for other Airport uses, then the City shall give Concessionaire the right of first refusal. If Concessionaire fails to file, with the Commissioner of Aviation, a written acceptance of said expansion area, within thirty (30) days following receipt of said notice of first refusal, the City may lease said property to others. In the event such rental is for rent-a-car purposes, rental charges shall be upon the same terms and conditions as those offered to Concessionaire.
>
> Within ninety (90) days following the exercise of its option whether by right of first refusal or otherwise, to lease Expansion Area 9, Concessionaire shall submit to the Commissioner a plat of survey showing the exact square footage involved, together with written acceptance of the rental therefor, at the rate of ten cents (10¢) per square foot per year, which rental shall commence on the date upon which a Certificate of Completion has been issued by the City authorizing the use of any improvements erected or installed by Concessionaire, or within one (1) year of the written acceptance of the rental therefor, whichever is the sooner. Concessionaire agrees to bear the entire cost of the required survey. This Agreement shall then be amended to include said area within the demised premises upon the same terms and conditions as herein set forth.
>
> It is further agreed and understood by and between the parties that Concessionaire shall have an option through May 31, 1982 to develop the area designated on Revised Exhibit "E" as Expansion Area 5, 5A and 6, comprising 114,422.9 square feet (Area 5), 22,279.0 square feet (Area 5A) and 73,297.9 square feet (Area 6), a total for the three areas of 209,999.8 square feet, after which date said property shall revert to the control of the City upon failure of Concessionaire to exercise said option. At the time of the exercise of the option to develop Expansion Areas 5, 5A and 6 in writing, Concessionaire shall also acknowledge acceptance of an additional rental of Twenty Thousand Nine Hundred Ninety-nine and 98/100 Dollars ($20 999.98) per year, increasing the total monthly payment set forth under Article VI, Section E., (4), hereinbelow, from Two Thousand Nine Hundred and Four and No/100 Dollars ($2,904.00) to Four Thousand Six Hundred Fifty-four and No/100 ($4,654.00) per month; provided, however, that said increased rental shall commence on the date upon which a Certificate of Completion has been issued authorizing the use of the improvements erected or installed by Concessionaire upon Expansion Area 5 and/or 5A and/or 6, or on that date which is one (1) year, (plus any authorized extensions) after the exercise in writing by Concessionaire of the option to develop the area, whichever is the sooner. In the development of any expansion area Concessionaire shall be bound by all applicable prescriptions laid down hereinabove governing the use and development of Permanent Service Area "B".

3. Three new paragraphs shall be added to the agreement immediately following subsection (f), hereinabove amended, to be designated as subsection (g), (h) and (j) and reading as follows:

> (g) Public Transit Easement. Concessionaire agrees to relinquish all of Area 6, together with all permanent site improvements thereon to the National Car Rental System, Inc., within one (1) year of a written notification from the City that Area 5A is to be developed as a public transit corridor, in exchange for all of Area 4, together with all permanent site improvements thereon, said exchange to take place not later than the date upon which the Concessionaire surrenders Area 5A to the City. Concessionaire further agrees to pay to National Car Rental System, Inc., not later than the date of its surrender of Area 5A to the City, whatever sum may be required to improve any portions of Area 6 which had not been permanently improved by Concessionaire. The service road designated on Revised Exhibit "E" as "Future Service Road," will become a two-way roadway at that time to allow National Car Rental System, Inc. access to Area 6. Upon written notification from Concessionaire and/or National Car Rental System, Inc. that the exchange has taken place, the City will adjust the respective rentals to reflect the new occupancies as of the date specified in the notification(s).
>
> (h) Service Roads. Once any of the expansion areas numbered 4, 5 or 5A have come under development, Concessionaire, in cooperation with the other rent-a-car Concessionaires authorized to use it, shall construct a new service road as shown on Revised Exhibit "E". Concessionaire shall sustain the entire cost of engineering, construction and major improvements of the road according to an equitable proration based on the same percentages for each Concessionaire as each had of the land making up the original permanent service areas. This road is to be located outside of the individual leased areas. Routine maintenance, including snow removal, patching and sealing, shall be performed by the City. Until such new service road is put into operation the present east-west service road serving as egress to Old Mannheim Road shall remain a common use roadway under routine City maintenance. Only after the new road becomes available for use shall the old service road, in segments determined by the boundaries of the various expansion areas in which they are located, be incorporated into the exclusive area of the individual Concessionaire. City agrees to require any additional tenant or Concessionaire operating from areas adjacent to such service road to reimburse Concessionaire for its prorata share, as hereinafter defined, of the unamortized cost of construction of said roadway. Should the City itself find it necessary to share the roadway for public purposes then the City agrees that it will likewise reimburse Concessionaire in the same manner and in the same proportion as an "additional tenant" would be required to do as set forth hereinbelow. The additional tenant or Concessionaire's prorata share shall be based upon the number of lineal feet of space adjoining said roadway which it occupies compared to the total lineal feet occupied by all tenants and Concessionaires but additional tenant's prorata share shall not exceed 27.3% of the total unamortized cost. Each original Concessionaire is to receive the same percentage of the reimbursement sum that it paid for the construction of the service road. Once any or all of the expansion areas to the south of the main service facilities and numbered 8, 9 and 10 on Revised Exhibit "E" come under development by any or all of the Concessionaires, the present east-west service road

providing access from Old Mannheim Road to the rent-a-car maintenance facilities shall be put into a tenancy-in-common, with rental based on a proration according to the square feet of such service road contained within the boundaries of the separate expansion areas through which it passes. City shall continue thereafter to perform the routine maintenance of this road also, with any major improvements or rehabilitation being the responsibility of Concessionaires.

(j) FAA Navigational Aids. In the development and use of its demised premises, Concessionaire agrees to abide by the requirements of the Federal Aviation Administration in furnishing proper protection for and access to any and all navigational aids which are presently or might in the future have to be located within the demised premises. The actual land upon which such FAA installations are located, however, are not to be included in Concessionaire's demise premise.

4. Paragraph (5), appearing on pages 35 and 36 under Section C of Article VII—Conduct of Operations and reading as follows:

"5. To abide by and be subject to all reasonable rules and regulations which are now or which may be promulgated by the Commissioner of Aviation concerning the management, operation or use of the Airport."

shall be and the same is hereby changed, modified and amended to read as follows:

5. To observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect of hereafter promulgated.

5. The fourth and fifth paragraphs of Article XVI—Equal Opportunity, appearing on pages 43 and 44, are deleted in their entirety and the following six paragraphs and two paragraph headings shall be inserted in lieu thereof, reading as follows:

Attention is called to Executive Order 11246, issued September 24, 1965, 3 C.F.R., 1964-1965 Compilation, p. 339, as modified by Executive Order 11375, issued October 13, 1967, 3 C.F.R., Compilation, 320; The Civil Rights Act of 1964, U.S.C. ¶ 2000d, *et seq.;* The Age Discrimination Act of 1975, 42 U.S.C. ¶ 6101, *et seq.;* and all amendments to those statutes and executive orders and regulations of the United States Departments of Labor, Transportation, and Health, Education, and Welfare and most particularly Department of Transportation, Title 49. Code of Federal Regulations, Part 21; to the State Acts approved July 26, 1967, Ill. Rev. Stat., Ch. 48, ¶¶ 881-887 inclusive; July 28, 1961, Ill. Rev. Stat., Ch. 38, ¶¶ 13-1 to 13-4 inclusive: July 21, 1967, Ill. Rev. Stat., Ch. 48, ¶¶ 851 to 856 inclusive; July 8, 1933, Ill. Rev. Municipal Code of the City of Chicago, Ch. 198. 7A.

To demonstrate compliance, Concessionaire and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Non-Discrimination in the Use of the Premises

This agreement involves the construction or use of, or access to, space on, over, or under real property acquired, or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which services the public.

Concessionaire, for himself, his personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination in the use of said facilities (2) that in the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of race, color or national origin shall be excluded from participation in denied benefits of, or otherwise be subjected to discrimination, and (3) that Concessionaire shall use the premises in compliance with all other requirements imposed by, or pursuant to, the Department of Transportation regulations.

In the event of the breach of any of the above non-discrimination covenants, the City of Chicago shall have the right to terminate this agreement and to re-enter and repossess said land and the facilities thereon, and hold the same as if said agreement had never been made or issued.

Affirmative Action

Concessionaire assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participation in any employment activities covered in 14 CFR Part 152, Subpart E. Concessionaire assures that it will require that its covered suborganizations provide assurances to Concessionaire that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

It is, therefore, agreed that except solely as hereinabove modified, changed and amended, the privileges, premises, terms, conditions and provisions of said agreement shall apply to, and shall govern, this amendment of said agreement and any and all further renewals or extensions thereof for any subsequent period which may be affected or made under and in accordance therewith.

shall be and the same is hereby changed, modified and amended to read as follows:

> . . . It is understood and agreed by and between the parties that if at any time during the term of this Agreement such land which has been designated as Expansion Area 10, as the same is more particularly described and set forth on Revised Exhibit "E" attached hereto and made a part hereof, becomes desirable for other Airport uses, then the City shall give Concessionaire the right of first refusal. If Concessionaire fails to file, with the Commissioner of Aviation, a written acceptance of said expansion area within

thirty (30) days following receipt of said notice of first refusal, the City may lease said property to others. In the event such rental is for rent-a-car purposes, rental charges shall be upon the same terms and conditions as those offered to Concessionaire.

Within ninety (90) days following the exercise of its option whether by right of first refusal or otherwise, to lease Expansion Area 10, Concessionaire shall submit to the Commissioner a plat of survey showing the exact square footage involved, together with written acceptance of the rental therefor, at the rate of ten cents (10¢) per square foot per year, which rental shall commence on the date upon which a Certificate of Completion has been issued by the City authorizing the use of any improvements erected or installed by Concessionaire, or within one (1) year of the written acceptance of the rental therefor, whichever is the sooner. Concessionaire agrees to bear the entire cost of the required survey. This Agreement shall then be amended to include said area within the demised premises upon the same terms and conditions as herein set forth.

It is further agreed and understood by and between the parties that Concessionaire shall have an option through May 31, 1982 to develop the area designated on Revised Exhibit "E" as Expansion Area 3A and 7, comprising 41,125.0 square feet (Area 3A) and 113,750.0 square feet (Area 7), a total for the two areas of 154,875.0 square feet, after which date said property shall revert to the control of the City upon failure of Concessionaire to exercise said option. At the time of the exercise of the option to develop Expansion Areas 3A and 7 in writing, Concessionaire shall also acknowledge acceptance of an additional rental of Fifteen Thousand Four Hundred Eighty-seven and 50/100 Dollars ($15,487.50) per year, increasing the total monthly payment set forth under Article VI, Section E., (4), hereinbelow, from Two Thousand Nine Hundred Four and No/100 Dollars ($2,904.00) to Four Thousand One Hundred Ninety-four and 63/100 Dollars ($4,194.63) per month; provided, however, that said increased rental shall commence on the date upon which a Certificate of Completion has been issued authorizing the use of the improvements erected or installed by Concessionaire upon Expansion Area 3A and/or 7, or on that date which is one (1) year, (plus any authorized extensions) after the exercise in writing by Concessionaire of the option to develop the area, whichever is the sooner. In the development of any expansion area Concessionaire shall be bound by all applicable prescriptions laid down hereinabove governing the use and development of Permanent Service Area "B".

3. Two new paragraphs shall be added to the agreement immediately following subsection (f), hereinabove amended, to be designated as subsections (g) and (h) reading as follows:

(g) Service Roads. Once any of the expansion areas numbered 4, 5 or 5A have come under development, Concessionaire, in cooperation with the other rent-a-car Concessionaires authorized to use it, shall construct a new service road as shown on Revised Exhibit "E". Concessionaires shall sustain the entire cost of engineering, construction and major improvements of the road according to an equitable proration based on the same percentages for each Concessionaire as each had of the land making up the original permanent service areas. This road is to be located outside of the individual leased areas. Routine maintenance, including snow removal, patching and sealing, shall be performed by the City. Until such new service road is put into operation the present east-west service road serving as egress to Old Mannheim Road shall remain a common use roadway under routine City maintenance. Only after the new road becomes available for use shall the old service road, in segments determined by the boundaries of the various expansion areas in which they are located, be incorporated into the exclusive area of the individual Concessionaire. City agrees to require any additional tenant or Concessionaire operating from areas adjacent to such service road to reimburse Concessionaire for its prorata share, as hereinafter defined, of the unamortized cost of construction of said roadway. Should the City itself find it necessary to share the roadway for public purposes then the City agrees that it will likewise reimburse Concessionaire in the same manner and in the same proportion as an "additional tenant" would be required to do as set forth hereinbelow. The additional tenant or Concessionaire's prorata share shall be based upon the number of lineal feet of space adjoining said roadway which it occupies compared to the total lineal feet occupied by all tenants and Concessionaires but additional tenant's prorata share shall not exceed 27.3% of the total unamortized cost. Each original Concessionaire is to receive the same percentage of the reimbursement sum that it paid for the construction of the service road. Once any or all of the expansion areas to the south of the main service facilities and numbered 8, 9 and 10 on Revised Exhibit "E" come under development by any or all of the Concessionaires, the present east-west service road providing access from Old Mannheim Road to the rent-a-car maintenance facilities shall be put into a tenancy-in-common, with rental based on a proration according to the square feet of such service road contained within the boundaries of the separate expansion areas through which it passes. City shall continue thereafter to perform the routine maintenance of this road also, with any major improvements or rehabilitation being the responsibility of Concessionaires.

(h) FAA Navigational Aids. In the development and use of its demised premises, Concessionaire agrees to abide by the requirements of the Federal Aviation Administration in furnishing proper protection for and access to any and all navigational aids which are presently or might in the future have to be located within the demised premises. The actual land upon which such FAA installations are located, however, are not to be included in Concessionaire's demised premises.

4. Paragraph (5), appearing on pages 35 and 36 under Section C of Article VII—Conduct of Operations and reading as follows:

"5. To abide by and be subject to all reasonable rules and regulations which are now or which may be promulgated by the Commissioner of Aviation concerning the management, operation or use of the Airport."

shall be and the same is hereby changed, modified and amended to read as follows:

5. To observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

6. The fourth and fifth paragraphs of Article XVI—Equal Opportunity, appearing on pages 43 and 44, are deleted in their entirety and the following six paragraphs and two paragraph headings shall be inserted in lieu thereof, reading as follows:

Attention is called to Executive Order 11246, issued September 24, 1965, 3 C.F.R., 1964-1965 Compilation, p. 339, as modified by Executive Order 11375, issued October 13, 1967, 3 C.F.R., 1967 Compilation, p. 320; The Civil Rights Act of 1964,

Rev. Stat. Ch. 48, ¶¶ 881-887 inclusive; July 28, 1961, Ill. Rev. Stat., Ch. 38, ¶¶ 13-1 to 13-4 inclusive; July 21, 1967, Ill. Rev. Stat., Ch. 48, ¶¶ 851 to 856 inclusive; July 8, 1933, Ill. Rev. Stat., Ch. 29, ¶¶ 17 to 24 inclusive (all 1977); and to an ordinance passed by the City Council of the City of Chicago, August 21, 1945, Journal of the Council Proceedings, p. 3877, Municipal Code of the City of Chicago, Ch. 198. 7A.

To demonstrate compliance, Concessionaire and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Non-Discrimination in the Use of the Premises

This agreement involves the construction or use of, or access to, space on, over, or under real property acquired, or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which services the public.

Concessionaire, for himself, his personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination in the use of said facilities (2) that in the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of race, color or national origin shall be excluded from participation in denied benefits of, or otherwise be subjected to discrimination, and (3) that Concessionaire shall use the premises in compliance with all other requirements imposed by, or pursuant to, the Department of Transportation regulations.

In the event of the breach of any of the above non-discrimination covenants, the City of Chicago shall have the right to terminate this agreement and to re-enter and repossess said land and the facilities thereon, and hold the same as if said agreement had never been made or issued.

Affirmative Action

Concessionaire assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participation in any employment activities covered in 14 CFR Part 152, Subpart E. Concessionaire assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Concessionaire assures that it will require that its covered suborganizations provide assurances to Concessionaire that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

It is, therefore, agreed that except solely as hereinabove modified, changed and amended, the privileges, premises, terms, conditions and provisions of said agreement shall apply to, and shall govern, this amendment of said agreement and any and all further renewals or extensions thereof for any subsequent period which may be affected or made under and in accordance therewith.

Execution of this amendment authorized by ordinance of the City Council of the City of Chicago passed on the ...... day of ...., 1980, (C.J.P. pp. ....).

It is understood and agreed by and between the parties that if at any time during the term of this Agreement such land which has been designated as Expansion Area 8, as the same is more particularly described and set forth on Revised Exhibit "E" attached hereto and made a part hereof, becomes desirable for other Airport uses, then the City shall give Concessionaire the right of first refusal. If Concessionaire fails to file, with the Commissioner of Aviation, a written acceptance of said expansion area, within thirty (30) days following receipt of said notice of first refusal, the City may lease said property to others. In the event such rental is for rent-a-car purposes, rental charges shall be upon the same terms and conditions as those offered to Concessionaire.

This Agreement shall then be amended to include said area within the demised premises upon the same terms and conditions as herein set forth.
>
> It is further agreed and understood by and between the parties that Concessionaire shall have an option through May 31, 1982 to develop the area designated on Revised Exhibit "E" as Expansion Area 4, comprising 76,513.8 square feet, after which date said property shall revert to the control of the City upon failure of Concessionaire to exercise said option. At the time of the exercise of the option to develop Expansion Area 4 in writing, Concessionaire shall also acknowledge acceptance of an additional rental of Seven Thousand Six Hundred Fifty-one and 38/100 Dollars ($7,651.38) per year, increasing the total monthly payment set forth under Article VI, Section E., (4), hereinbelow, from One Thousand Nine Hundred Forty-one and 89/100 Dollars ($1,941.89) to Two Thousand Five Hundred Seventy-nine and 51/100 Dollars ($2,579.51) per month; provided, however, that said increased rental shall commence on the date upon which a Certificate of Completion has been issued authorizing the use of the improvements erected or installed by Concessionaire upon Expansion Area 4, or on that date which is one (1) year, (plus any authorized extensions) after the exercise in writing by Concessionaire of the option to develop the area, whichever is the sooner. In the development of any expansion area Concessionaire shall be bound by all applicable prescriptions laid down hereinabove governing the use and development of Permanent Service Area "B".

3. Three new paragraphs shall be added to the agreement immediately following subsection (f), hereinabove amended, to be designated as subsections (g), (h) and (j) and reading as follows:

> (g) Public Transit Easement. Concessionaire agrees to relinquish all of Area 4, together with all permanent site improvements thereon to the

Hertz Corporation, within one (1) year of a written notification from the City that Area 5A is to be developed as a public transit corridor, in exchange for all of Area 6, together with all permanent site improvements thereon, said exchange to take place not later than the date upon which the Hertz Corporation surrenders Area 5A to the City. Concessionaire further agrees to pay to Hertz, not later than the date of its surrender of Area 5A to the City, the unamortized balance, calculated in the manner prescribed by Article XVII hereof, of the cost of its improvements to Area 5A, together with such additional sum as may be required to improve any portions of Area 4 which had not been permanently improved by National Car Rental System, Inc. The service road designated on Revised Exhibit "E" as "Future Service Road," will become a two-way roadway at that time to allow Concessionaire access to Area 6. Upon written notification from Concessionaire and/or the Hertz Corporation that the exchange has taken place, the City will adjust the respective rentals to reflect the new occupancies as of the date specified in the notification(s).

(h) Service Roads. Once any of the expansion areas numbered 4, 5 or 5A have come under development, as outlined hereinabove, Concessionaire, in cooperation with the other rent-a-car Concessionaires authorized to use it, shall construct a new service road as shown on Revised Exhibit "E". Concessionaires shall sustain the entire cost of engineering, construction and major improvements of the road according to an equitable proration based on the same percentages for each Concessionaire as each had of the land making up the original permanent service areas. This road is to be located outside of the individual leased areas. Routine maintenance, including snow removal, patching and sealing, shall be performed by the City. Until such new service road is put into operation the present east-west service road serving as egress to Old Mannheim Road shall remain a common use roadway under routine City maintenance. Only after the new road becomes available for use shall the old service road, in segments determined by the boundaries of the various expansion areas in which they are located, be incorporated into the exclusive area of the individual Concessionaire. City agrees to require any additional tenant or Concessionaire operating from areas adjacent to such service road to reimburse Concessionaire for its prorata share, as hereinafter defined of the unamortized cost of construction of said roadway. Should the City itself find it necessary to share the roadway for public purposes then the City agrees that it will likewise reimburse Concessionaire in the same manner and in the same proportion as an "additional tenant" would be required to do as set forth hereinbelow. The additional tenant or Concessionaire's prorata share shall be based upon the number of lineal feet of space adjoining said roadway which it occupies compared to the total lineal feet occupied by all tenants and Concessionaires but additional tenant's prorata share shall not exceed 27.3% of the total unamortized cost. Each original Concessionaire is to receive the same percentage of the reimbursement sum that it paid for the construction of the service road. Once any or all of the expansion areas to the south of the main service facilities and numbered 8, 9 and 10 on Revised Exhibit "E" come under development by any or all of the Concessionaires, the present east-west service road providing access from Old Mannheim Road to the rent-a-car maintenance facilities shall be put into a tenancy-in-common, with rental based on a proration according to the square feet of such service road contained within the boundaries of the separate expansion areas through which it passes. City shall continue thereafter to perform the routine maintenance of this road also, with any major improvements or rehabilitation being the responsibility of Concessionaires.

(j) FAA Navigational Aids. In the development and use of its demised premises, Concessionaire agrees to abide by the requirements of the Federal Aviation Administration in furnishing proper protection for and access to any and all navigational aids which are presently or might in the future have to be located within the demised premises. The actual land upon which such FAA installations are located, however, are not to be included in Concessionaire's demised premises.

4. Paragraph (5), appearing on pages 35 and 36 under Section C of Article VII—Conduct of Operations and reading as follows:

> "5. To abide by and be subject to all reasonable rules and regulations which are now or which may be promulgated by the Commissioner of Aviation concerning the management, operation or use of the Airport."

> 5. To observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

6. The fourth and fifth paragraphs of Article XVI—Equal Opportunity, appearing on pages 43 and 44 are deleted in their entirety and the following six paragraphs and two paragraph headings shall be inserted in lieu thereof, reading as follows:

Attention is called to Executive Order 11246, issued September 24, 1965, 3 C.F.R., 1964-1965 Compilation, p. 339, as modified by Executive Order 11375, issued October 13, 1967, 3 C.F.R., 1967 Compilation, p. 320; The Civil Rights Act of 1964, 42 U.S.C. § 2000 d, *et seq.;* The Age Discrimination Act of 1975, 42 U.S.C. § 6101, *et seq.;* and all amendments to those statutes and executive orders and regulations of the United States Departments of Labor, Transportation, and Health, Education, and Welfare and most particularly Department of Transportation, Title 49, Code of Federal Regulations, Part 21; to the State Acts approved July 26, 1967, Ill. To demonstrate compliance, Concessionaire and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

If Concessionaire is a partnership or corporation or legal entity other than a natural person, any change in control of said entity during the term hereof shall be deemed a transfer for the purposes of this Agreement, subject to the foregoing provisions. In the event Concessionaire fails to secure express or implied approval of said agreement, sublease or transfer, as provided herein, the City may, at its option, determine and declare such change as a breach of this Agreement and take immediate possession of the demised premises hereinafter described; however, said option may not be exercised unreasonably by the City nor without good and sufficient cause. It is understood and agreed by and between the City and Concessionaire that nothing contained in this Agreement is intended or shall be construed as in any way creating or establishing or maintaining the relationship of agency, copartnership or joint venturers between the parties hereto.

ARTICLE IV

Operating Rights

The City grants to Concessionaire a non-exclusive privilege, in common with others that the City may from time to time authorize, to operate a rent-a-car business on, upon and from the Airport, and for no other purpose whatsoever; provided, however, that the City will not grant to any other individual, firm or corporation, a privilege to conduct a rent-a-car business on, upon and from the Airport under terms more favorable to such other individual, firm or corporation that those contained herein, including the minimum guaranty, percentage fee, space rental and performance bond requirements, or more favorable counter space locations.

ARTICLE V

Demised Premises

The City demises and leases to Concessionaire the following premises at the Airport, together with the facilities, rights and privileges hereinafter described subject to a continuing easement and right of entry for future installation, maintenance, repairs and replacement of such public utilities as may be necessary upon or involving the demised premise, including heating, water, gas, electrical, sewerage, drainage, fire protection, sprinkler, ventilating, refrigerating, fuel and communication systems and such other service systems as may be involved, including but not limited to installation, maintenance, repair and replacement of tubes, pipes, lines, mains, wires, conduits and equipment on or about the demised premises; provided, however, that all such installation, maintenance, repair and replacement shall be performed so as to interfere as little as reasonably possible with Concessionaire's operation.

1. *Present Counter Space*—During the term of this Agreement Concessionaire shall have the right and privilege to construct and use up to 248 square feet of counter space on the first floor concourse of Terminal Building 2, and up to 248 square feet of counter space on the first floor concourse of Terminal Building 3. Concessionaire shall have the right to at least one counter area on the first floor concourse in each of the above mentioned Terminal Buildings and up to two counter areas in each, with the exact number, location and square footage of said counters to be determined by the Commissioner of Aviation.

2. *Future Counter Space in Terminal Building 1*—Commencing upon the date when the first floor concourse of Terminal Building 1 has been remodeled or replaced and is ready for use by the general public, Concessionaire shall be entitled to lease up to 248 square feet of counter space therein upon the same terms and conditions and rental rate as apply to the counter spaces located in Terminal Buildings 2 and 3.

3. *Future Counter Space in New Parking Structure*—Commencing upon the date when the first floor concourse of the new parking structure to be erected in the public parking lot at the Airport is completed and ready for use by the general public, Concessionaire shall be entitled to the following options:

   a. to continue to lease and occupy the counter space in Terminal Building 1, if any, and in Terminal Buildings 2 and 3; or

   d. to elect, at a later time, to cancel its leasehold rights and privileges within Terminal Building 1, 2 and 3, and/or in the new parking structure; provided, however, that if Concessionaire relinquishes counter space in Terminal Buildings 1, 2 and 3, and/or the new parking structure, Concessionaire will provide such substitute facility as may be required by and as in consonance with technological change or changes in the operation of the rent-a-car service in said Terminal Buildings and/or parking structure. The adequacy or sufficiency of said substitute facility shall be determined by the Commissioner of Aviation; provided, further, however, that should Concessionaire wish to effect such cancellations under subparagraphs, c. or d. hereinabove set forth, Concessionaire shall give no less than sixty (60) days advance written notice to the Commissioner of Aviation of its intention so to do.

4. *Relocation and Modification of Counter Space*—If at any time during the term of this Agreement, modification or expansion of said Terminal Buildings makes it necessary, in the sole judgment of the Commissioner of Aviation, to relocate the above-described counter areas, said Commissioner may, upon ninety (90) days advance written notice to Concessionaire, direct Concessionaire to relocate or rebuild such counter areas at substitute Terminal Building locations of comparable size as allocated by the Commissioner of Aviation, at the sole cost and expense of City and the same must be constructed in accordance with plans and specifications which have been approved by the Commissioner of Aviation and the Commissioner of Public Works. If, at any time during the term of this Agreement, Concessionaire desires to relocate, improve or modify existing counter facilities that it presently occupies in Terminal Buildings 2 and 3, or, if Concessionaire shall seek to install a counter or other improvements in Terminal Building 1, such improvements or modifications shall be located and constructed in accordance with plans and specifications which have been approved by the Commissioner of Aviation and the Commissioner of Public Works.

ARTICLE VI

Concession Fees—Minimum Guarantee—Rental Commitment

Concessionaire agrees to pay the City for the privileges and authority hereinabove described and set forth under the terms and conditions contained in this Article.

A. *Concession Fees and Minimum Guarantee*—Concessionaire agrees to compensate the City for the privileges and authority to operate its rent-a-car business on, upon and from the Airport in an amount equal to either (1) ten percent (10%) of Concessionaire's gross receipts as defined in Article II, Section D of this Agreement, or (2) an annual minimum guarantee hereinafter set forth in this Article VI, Section A, whichever is greater, for each contract year. The period from November 1, 1980 through May 31, 1981 shall be the first contract period and for the purposes of this Agreement shall be considered the first contract year. Each subsequent contract year shall begin on the first day of June and end on the last day of the following May. The minimum guarantee for said first contract year shall be Two Hundred Fifty Thousand and no/100 Dollars ($250,000.00).

B. *Adjustment of Concession Fee*—If after May 31, 1982 and upon each five-year anniversary thereafter, the effective percentage of gross receipts paid by the Airport rent-a-car concessionaires as a concession fee at the ten (10) United States Airports with the greatest number of passengers carried by scheduled air carriers averages more than the average concession fee at the said airports on the date of execution of this Agreement, then the percentage fee of this Agreement may be adjusted upward in the discretion of the Commissioner of Aviation to a percentage fee provided herein as such increased average concession fee bears to the average concession fee prevailing on the date of execution of this Agreement.

C. *Adjustment of Minimum Guarantee*—The minimum guarantee for the second and each subsequent contract year shall be adjusted in direct proportion to the percentage increase or decrease, as the case may be, in the aggregate amount of fees paid to City by all Airport rent-a-car concessionaires on account of the Airport rentals made during the immediate preceding contract year, compared with such aggregate fees paid on account of Airport rentals made during the twelve (12) month period to such preceding contract year; provided, however, that in no event shall the minimum guarantee for any contract year be less than Two Hundred Fifty Thousand and no/100 Dollars ($250,000.00). The annual minimum guarantee for any contract year shall be prorated when this Agreement is not in effect during the full year because of the commencement or termination of this Agreement during such year, or because of the application of Articles I, II, VII or VIII hereof.

D. *Date of Payments of Concession Fees or Minimum Guarantee*—Payments of amounts due from Concessionaire of concession fees or minimum guarantee under this Article VI shall be on a monthly basis and shall be paid on or before the 20th day of the month succeeding each and every calendar month of the term or portion hereof, for the operation of the preceding month. Said monthly payments are to be in those amounts which (a) will bring to the City total payments for that part of the contract year ending with the last day of the month for which payment is being made of either ten percent (10%) of gross receipts for the contract year to such date, or (b) the proportionate part of the annual guarantee which is allocatable to the part of the year which has elapsed by such date, whichever amount is higher. Each monthly payment shall be accompanied by a report to the City, in duplicate, showing Concessionaire's gross receipts for said month and cumulative gross receipts for the contract year to and including said month. All payments and reports of receipts hereunder shall be made to the Office of the the Comptroller of the City of Chicago, with a copy of each report to be sent to the Commissioner of Aviation.

E. *Rental Commitment*—Concessionaire agrees to compensate the City for the premises demised therein certain rent payable in advance, in monthly installments, on the first day of each month or a portion thereof, during the term of this Agreement, as follows:

1. As rental for counter space hereinabove described in Article V, Section A, Concessionaire shall pay to the City the sum of one-twelfth of the annual rental due predicated on an annual rental rate of Six Dollars and Fifty cents ($6.50) per square foot, which amount shall be in addition to all other sums provided in this Agreement.

2. All rental payment hereunder shall be made to the City at the Office of the Comptroller of the City of Chicago.

F. *Books, Records and Audits*—Concessionaire shall maintain at its office in Chicago or make available in Chicago: its books, ledgers, journals, accounts and records wherein are kept all entries reflecting its operations at the airports under this Agreement. Such books, ledgers, journals, accounts and records shall be available for inspection and examination by the Commissioner of Aviation and the Comptroller of the City of Chicago, or their duly authorized representatives, at reasonable times during business hours, and to make copies and excerpts therefrom as may be necessary to make a full, proper and complete audit of all business transacted by Concessionaire in connection with its operation hereunder. Within 120 days of the signing of this lease, Concessionaire shall furnish the City with a written statement indicating Concessionaire's election to report either on a calendar year or fiscal year basis; such letter shall explain the Concessionaire's fiscal year if elected. Within 120 days after the close of each calendar or fiscal year, as previously elected, or the termination of the agreement through passage of time or otherwise, the Concessionaire will provide the City with a "Statement of Sales and Rents" representing sales and rents by month for the period being reported on, together with an opinion thereon of an independent certified public accountant. The Concessionaire must inform the City of the identity of the independent certified public accountant prior to the close of such calendar or fiscal year and such independent certified public accountant must be acceptable to the Lessor.

The following is an example of an opinion which would satisfy these requirements:

> "We, a firm of independent certified public accountants, have examined the accompanying statement of sales and rents reported to the City of Chicago by First General Automotive d/b/a Dollar Rent-A-Car Company for the year ended .... relating to the Rent-A-Car concession operations at Chicago-O'Hare International Airport pursuant to a lease between the City of Chicago and First General Automotive d/b/a Dollar Rent-A-Car Company dated .... Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.
>
> In our opinion, the accompanying statement of sales and rents showing gross sales of .... and total rents of .... presents fairly the amount of gross sales and rentals, as defined in the lease, for the year rendered ....

If the opinion of the independent certified public accountant is qualified or conditioned in any manner, the City Comptroller has the right to cause an audit to be performed at Concessionaire's expense.

Concessionaire shall, upon request, furnish such other further financial or statistical reports as the City may, from time to time require.

ARTICLE VII

B. *Operation of Concessionaire's Business*—Concessionaire, its employees, invitees, and those doing business with it, shall conduct its operations and business within the Airport in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport or the Terminal Building or other buildings in which it may be located. Concessionaire's failure to remove such personal property or trade fixtures shall not constitute Concessionair a hold-over, except that all such property not removed within thirty (30) days after Concessionaire has received personal property or trade fixtures shall thereupon become the sole and exclusive property of the City.

ARTICLE X

SECTION 2. That in order to promote the general welfare of the City of Chicago, Illinois and its inhabitants by relieving conditions of unemployment and encouraging the increase of industry, the Project shall be and is hereby authorized to be financed as described herein. The estimated cost of acquisition of the Project is not less than $300,000. It is hereby found and declared that the financing of the Project and the use thereof by the Company as hereinafter provided is necessary to accomplish the public purposes described in the preamble hereto.

Authorization and Prepayment of Bond

SECTION 3. That for the purpose of financing the acquisition of the Project there is hereby authorized the issuance by the Issuer its Industrial Development Revenue Bond (J. F. Daley Incorporating Co., Inc. Project), in the principal sum of $300,000, dated the date of issuance thereof, and payable to the order of the Bank in 10 equal consecutive annual principal installments, each in the amount of $30,000 (except the last installment shall be the unpaid balance) on each October 1 commencing October 1, 1981, and ending on October 1, 1990, the date of the final maturity. The Bond shall bear interest (computed on the basis of a year of 365 or 366 days, as may be appropriate) from its date until maturity on the principal amount from time to time remaining unpaid on the Bond at the rate of ten per cent (10%) per annum, payable January 1, 1981 and quarterly thereafter on each April 1, July 1, October 1 and January 1 until the entire principal sum is paid.

The Bond shall bear interest on any overdue principal to the maximum extent permitted by law at the rate of 14% per annum from the due date until paid.

The principal installments of the Bond are subject to prepayment upon written notice as set forth in the next succeeding paragraph given by the Company on behalf of the Issuer at any time in whole or, if in part, in the inverse order of their due date at a prepayment price of par plus accrued interest to the prepayment date without premium.

Upon receipt by the Bank of at least 10 business days' prior written notice specifying a date for the prepayment of the principal of the Bond (or any portion thereof), the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, prepay principal, together with accrued interest on the portion prepaid, on the Bond in accordance with the preceding paragraph; provided, however, that no partial prepayment of less than $1,000 shall be permitted. In addition, if other funds in an amount in excess of $50,000 shall become available in the Bond Fund, and are not otherwise required to be applied to the payment of the Bond, the Bank shall, without notice from the Company or the Issuer, promptly, but in any event within 10 business days from the receipt of such funds, apply such funds to the prepayment of the Bond at the prepayment price set forth above, and shall give notice to the Company of such prepayment. All principal installments of the Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

The principal installments of and interest on the Bond shall be payable to the order of Bank of Elk Grove or its assigns in lawful money of the United States of America at the principal office of Bank of Elk Grove in the City of Elk Grove Village, Illinois. The Bank shall note on the Payment Record attached to the Bond the date and amount of payment of each principal installment and interest then being paid and of interest theretofore paid and not yet noted thereon and upon request of the Company or the Issuer, the Bond shall be available for inspection by the Company or the Issuer at the offices of the Bank at 100 East Higgins Road, Elk Grove Village, Illinois 60007. The Bond is non-transferable by the Bank, except as a whole and after notice in writing to the Issuer and the Company of such transfer.

The Bond shall be signed by the Mayor and attested by the City Clerk of the Issuer and the corporate seal of the Issuer shall be affixed thereto.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Agreement (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof) and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement, which revenues and receipts shall be used for no other purpose than to pay the principal installments of, and interest on the Bond, except as may be otherwise expressly authorized in this Ordinance. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general credit or taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be payable solely from the revenues and receipts from the Agreement.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Definitions.* All defined terms used in this Bond Ordinance shall have the meanings specified in Article I of the Loan Agreement (except as herein otherwise expressly provided, or unless the context clearly requires otherwise).

SECTION 2. *Authority to Acquire, Construct and Equip the Project.* Based upon representations made by the Borrower to the Issuer, the Issuer hereby determines that the Cost of the Project will not be substantially less than $2,000,000; that the location of the Project within the corporate boundaries of the Issuer will promote the purposes of the Enabling Ordinance; that the financing of the acquisition, construction and equipping of the Project by the Issuer through a loan of the proceeds derived from a sale of the Series 1980 Bond to the Borrower is in the public interest and in furtherance of the purposes of the Enabling Ordinance; and that such financing is authorized by the Enabling Ordinance and this Bond Ordinance. It is hereby found and declared that the financing of the Cost of the Project, and the use of the Project by the Borrower as hereinafter provided, is necessary to accomplish the purposes of the Enabling Ordinance.

SECTION 3. *Authorization of the Series 1980 Bond, and Security for the Bonds.* For the purpose of providing funds to finance a portion of the Cost of the Project, there shall be issued, and is hereby authorized and directed to be issued, the Series 1980 Bond of the Issuer.

The Principal of, Premium, if any, and Interest on the Bonds shall be secured by and shall be paid solely from the revenues and receipts derived from the Instruments (but excluding moneys derived by the Issuer from the Instruments pursuant to its Unassigned Right), and not from any other fund or source. The Bonds shall be issued in compliance with, and under authority of, the provisions of the Enabling Ordinance and this Bond Ordinance. The Issuer hereby pledges the revenues and receipts derived by it from the Instruments (but excluding amounts derived by it pursuant to its Unassigned Rights) to the payment of the Principal of, Redemption Premium, if any, and Interest on the Bonds.

The Bonds shall be limited obligations of the Issuer, the Principal of, Premium, if any, and Interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the Principal of, Premium, if any, and Interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State or any other political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and neither the Issuer, the State nor any other political subdivision thereof shall be liable thereon; and the Principal of, Premium, if any, and Interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of the Issuer, the State or any other political subdivision thereof. The aforementioned limitation shall be plainly stated on the face of each Bond together with a recital that each such Bond has been issued under and in compliance with the provisions of the Enabling Ordinance.

Any payments on the Bonds made to any Owner thereof, or to any duly authorized representative of said Owner, by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall, for all purposes and in every respect, be deemed a payment of the Bonds, and such payments shall be applied in accordance with the provisions of this Bond Ordinance.

Nothing in the instruments shall be construed so as to create an obligation or commitment by the Issuer to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) certain of the revenues and receipts to be received by the Issuer, or by any Person on the Issuer's behalf, from or pursuant to the Instruments, as provided herein, (iii) any proceeds accruing to the Issuer, or to any Person on the Issuer's behalf, from insurance on the Project, (iv) any moneys accruing to the Issuer, or to any Person on the Issuer's behalf, on account of any taking or condemnation of title to (or sale by the Borrower under threat of condemnation of) the whole or any part of the Project, and (v) any moneys arising out of the investment or reinvestment of said proceeds, income, rents, revenues, receipts or other moneys.

It is hereby found, determined and declared by the Issuer that the aggregate amount payable in each year under the Loan Agreement is the amount necessary in such year to pay the principal of, Premium, if any, and Interest on the Series 1980 Bond; and that the loan repayments and other monetary obligations undertaken by the Borrower in the Loan Agreement are sufficient to satisfy the monetary obligations required by the Enabling Ordinance to be undertaken by the user of an industrial development project within the meaning of the Enabling Ordinance.

The principal of the Series 1980 Bond, and any Redemption Premium and Interest thereon, shall be payable in lawful money of the United States of America at the office of the Owner thereof.

No Bond shall be sold, transferred or assigned except to an "Institutional Investor," as such term is hereinafter defined, and then only for the investment account of such "Institutional Investor," as hereinafter defined. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee thereof. The term "Institutional Investor" as used herein means a bank, savings and loan association, insurance company or other financial institution which has a combined capital, surplus and undivided profits of at least $25,000,000. In the event that any Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the Issuer and the Borrower of the new address for the payment thereof; absent such notification, such sale, transfer or assignment shall be ineffective as against the Issuer and the Borrower. Each Bond shall bear on the face thereof the legend: "No Sale, Assignment or Transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the loan agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor," as such term is defined in the bond ordinance, and then only for the investment account of such Institutional Investor."

SECTION 5. *Prepayment of the Principal of the Series 1980 Bond.* The principal installments of the Series 1980 Bond, over and above the payments required to be paid on a monthly basis, shall be subject to prepayment at any time, by the Issuer at the option of the Borrower in whole or in part and if in part then in inverse order of their due dates prior to the stated maturity thereof, but only after giving the notice specified in Section 6 of this Bond Ordinance, at an amount equal to the sum of the following:

(1) an amount of money which will be sufficient to prepay all, or the appropriate portion, of the principal of the Series 1980 Bond to be redeemed, including, without limitation, all Interest to accrue to said date, and the expenses incurred or to be incurred in connection with the prepayment of the indebtedness hereunder and the prepayment of the Series 1980 Bond.

(2) an amount of money equal to the fees, charges and expenses of the Issuer, the Fiscal Agent and the Owner of the Series 1980 Bond, if any, accrued and to accrue to the prepayment date, and

(3) an amount of money sufficient to discharge all other liabilities of the Borrower accrued and to accrue to the prepayment date under the Instruments.

Upon the giving of notice to the Owner of the Series 1980 Bond at that time, all or any portion of the Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the Owner of the Series 1980 Bond at that time, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Series 1980 Bond by the Owner thereof at that time, and irrespective of any error or omission in such endorsement.

The Series 1980 Bond is subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability," as such term is defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurrence of a Determination of Taxibility, the Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the Owner of the Series 1980 Bond at that time, in exchange for cancellation of the Series 1980 Bond, of its own installment note in the principal amount of the Series 1980 Bond Outstanding at that time, bearing Interest at the rate then being charged by the Owner of the Series 1980 Bond at that time for secured industrial loans made to the prime customers of the Owner of the Series 1980 Bond at that time, plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received Interest on the Series 1980 Bond at the rate of fifteen percent (15%) per annum for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of interest on the Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the Instruments, and shall be secured as provided therein as fully as if such installment note was the Series 1980 Bond issued under this Bond Ordinance; or

(2) at a redemption price equal to the unpaid principal amount thereof, plus accrued Interest to the redemption date, plus a Redemption Premium equal to (i) the amount necessary so that all Persons who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received Interest on the principal amount of the Series 1980 Bond then Outstanding at the rate of fifteen percent (15%) per annum for the period of their ownership elapsed between the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, and the date of redemption, prior to transfer or prior to payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, may have had to pay as a result of Interest on the Series 1980 Bond being deemed taxable.

Each Owner of the Series 1980 Bond (or portion thereof) at or subsequent to the time of an "Event of Taxability" (as defined in Section 7.3 of the Loan

Agreement) shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the Owner of the Series 1980 Bond (or portion thereof) at such time, be entitled to an amount equal to (i) the amount necessary so that such owner of the Series 1980 Bond (or portion thereof) shall have received Interest on the principal amount of the Series 1980 Bond Outstanding during the time of such ownership after the time of the "Event of Taxability," as such term is defined in Section 7.3 of the Loan Agreement, at the rate of fifteen percent (15%) per annum for the period elapsed between the "Event of Taxability" and the date on which the principal amount of the Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such Owner of the Series 1980 Bond (or portion thereof) may have had to pay as a result of Interest on the Series 1980 Bond (or portion thereof) being deemed taxable.

Notice having been given in the manner provided in Section 6 hereof, the Series 1980 Bond or the principal portions thereof so called for redemption or prepayment pursuant to this Section shall become due and payable on the dates so designated, at the price and upon presentation and surrender thereof (or upon presentation of proof of ownership thereof satisfactory to the Borrower) at the office specified in such notice. The Series 1980 Bond shall continue to bear Interest until replaced with an installment note of the Borrower or paid, as described above.

All Bonds which have been redeemed shall be cancelled by the Issuer and delivered to the Borrower.

SECTION 6. *Notice of Prepayment.* Notice of any prepayment shall be given in the name of the Issuer by the Issuer or the Borrower to the Owners of the Bonds in the manner required for the giving of notice under the Loan Agreement, as specified in Section 9.1 thereof. Each such notice shall be mailed at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, and shall specify the series and numbers of the Bonds to be prepaid, unless the giving of such notice is waived in writing by the Owners of all of the Bonds to be prepaid. Such notice shall further state that payment will be made upon presentation and surrender of the Bonds to be prepaid (or upon presentation of proof of ownership thereof satisfactory to the Borrower). Notice of any prepayment as herein provided shall be given only after written notification thereof from the Borrower to the Issuer has been given. Failure to give such notice by mailing, or any defect therein, to the Owner of any Bond designated for prepayment shall not affect the validity of the proceedings for the prepayment of any other Bond.

SECTION 7. *Mutilated, Lost, Stolen or Destroyed Bonds.* In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and deliver a replacement Bond of like date, series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer to whom proof of ownership of such mutilated Bond shall also be made; provided further that in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer evidence of such loss, theft, or destruction satisfactory to the Issuer, to whom proof of ownership of such lost, stolen or destroyed Bond shall also be made; provided further that in the case of any mutilated, lost, stolen or destroyed Bond, the Issuer and the Borrower shall be provided with indemnity reasonably satisfactory to the Issuer and the Borrower. In the event that any such Bond shall have matured, instead of issuing a replacement Bond the Issuer may pay the same or cause the same to be paid without surrender thereof. The Issuer may charge the Owner of such Bond with the Issuer's reasonable fees and expenses in connection therewith. All Bonds issued in replacement of any mutilated, lost, stolen or destroyed Bond pursuant to the provisions of this Section shall bear an endorsement in substantially the following form: "This Bond has been reissued to replace a mutilated, lost, stolen or destroyed Bond Numbered .... and Dated ...., .. 19.."

SECTION 8. *Persons Treated as Owners.* The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of, Premium, if any, and Interest on any such Bond shall be made only to or upon the order of the Owner thereof, or his duly authorized legal representative, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary. All such payment shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Subject to the restrictions on transfer provided in Section 4 hereof, title to each Bond is transferable by the Owner thereof or by his attorney duly authorized in writing. Transferees shall be entitled at their request and cost to the issuance of new Bonds. Transfer of title to any Bond shall be effective only upon the giving of the notice required by Section 4 hereof.

SECTION 9. *Method of Execution of Bonds.* The Bonds shall be executed for and on behalf of the Issuer by the manual signature of its Mayor, and attested to by the manual signature of its City Clerk, with the seal of the Issuer impressed thereon.

SECTION 10. *Form of the Series 1980 Bond.* The Series 1980 Bond and the form of assignment attached thereto shall be in substantially the following form:

The issuance of this Series 1980 Bond has been duly authorized by the Issuer, and this Series 1980 Bond constitutes the entire issue known as the "Industrial Development Revenue Bond, Series 1980 (Leaf Confectionery Inc. Project)" of the Issuer in the principal amount of Two Million Dollars ($2,000,000), authorized for the purpose of financing the acquisition of certain real property as well as the modernizing of existing facilities and the purchase of new equipment for the manufacture of gum and candy products to be located within the corporate limits of the Issuer (the "Project"), and paying necessary expenses incidental thereto, so as to fulfill the purposes of the Enabling Ordinance, as hereafter defined, to wit: to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City. This Series 1980 Bond has been issued under the Bond Ordinance, as hereinafter defined, and along with the other bonds which may subsequently be issued under the provisions of the Bond Ordinance, as hereinafter defined, and any ordinance amendatory thereof or supplemental thereto (this Series 1980 Bond and such subsequent bonds being hereinafter collectively referred to as the "Bonds"), are equally and ratably secured as to principal premium, if any, and interest pursuant to an ordinance duly adopted by the Issuer on September 10, 1980 (the "Bond Ordinance"), and are additionally secured by, among other things, a certain Loan Agreement (the "Loan Agreement"), dated as of September 1, 1980, by and between the Issuer, as lender, and Leaf Confectionery, Inc., a Delaware corporation, as borrower (the "Borrower"), a certain Pledge and Assignment (the "Assignment"), dated as of September 1, 1980, from the Issuer, as assignor, to the Owners of the Bonds, as assignee, and a certain Collateral Security Agreement (the "Collateral Security Agreement"), dated as of September 1, 1980, from the Borrower, as pledgor, to the Owners of the Bonds, as pledgee. Reference is hereby made to the Bond Ordinance, the Loan Agreement, the Assignment and the Collateral Security Agreement (all of which are hereinafter collectively referred to as the "Instruments") for a description of the Project, the nature and extent of the security for the Bonds, a statement of the terms and conditions upon which the Bonds are issued and secured, the rights of the owners hereof and thereof, and the other matters set forth therein.

A loan of the proceeds of this Series 1980 Bond has been made, pursuant to the Loan Agreement, to the Borrower for the purpose of financing the Project. Pursuant to the Loan Agreement, the Borower must pay, or cause to be paid, to the Issuer, or its assignee, such amounts as will always be sufficient in the aggregate to pay the principal of, premium, if any, and interest on the Bonds as the same mature and become due; and under the Loan Agreement, it is the obligation of the Borrower to operate and maintain the Project, or to cause the Project to be operated and maintained, in good repair, to keep it, or to cause it to be kept, properly insured, and to pay, or to cause to be paid, all taxes, assessments, depreciation charges and other charges levied or assessed against or with respect to the Project.

This Series 1980 Bond is issued under and in full compliance with the Constitution and laws of the State of Illinois, including particularly Chapter 15.2 of the Municipal Code of Chicago (the "Enabling Ordinance").

No sale, assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor," as such term is defined in the Bond Ordinance and then only for the Investment Account of such Institutional Investor.

Subject to the preceding paragraph, this Series 1980 Bond may be sold, transferred or assigned by the owner hereof in person, or by his attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance. Upon such sale, transfer or assignment, the purchaser, transferee or assignee hereof, shall be entitled, at such purchaser's, transferee's or assignee's expense, to the issuance of a new Bond.

The Issuer may deem and treat the party in whose name this Series 1980 Bond is registered as the absolute owner hereof for the purpose of receiving payments of, or on account of, the principal hereof, premium, if any, and interest due hereon, and for all other purposes, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary, except as provided in the Bond Ordinance.

This Series 1980 Bond has been issued in fully registered form without coupons in the denomination of $2,000,000, and constitutes all of the series of the Issuer's bonds known as the "Industrial Development Revenue Bond, Series, 1980 (Leaf Confectionery, Inc. Project".

The principal installments of this Series 1980 Bond, over and above the payments required to be paid on a monthly basis, are subject to prepayment at any time, by the Issuer at the option of the Borrower, in whole or in part, and if in part in inverse order of their due dates prior to the stated maturity thereof, but only after giving the notice specified below, at an amount equal to the sum of the following: an amount of money which will be sufficient to redeem this Series 1980 Bond, or a portion hereof, including, without limitation, the appropriate principal amount hereof, all interest to accrue to said date, and expenses incurred or to be incurred in connection with the prepayment of the indebtedness evidenced hereby.

Upon the giving of notice to the owner hereof, as described in the fourth succeeding paragraph, all or any portion of this Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the owner of this Series 1980 Bond, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Schedule of Payments appended hereto, and irrespective of any error or omission in such endorsement.

This Series 1980 Bond is subject to mandatory redemption in the event that the Borrower is required to prepay the amounts payable under the Loan Agreement upon the occurrence of a "Determination of Taxability," as defined in Section 7.3 of the Loan Agreement. If called for redemption upon the occurrence of a "Determination of

Taxability," this Series 1980 Bond shall be subject to redemption by the Issuer at any time in whole and not in part, in one of the two methods described below as selected by the Borrower:

(1) by the delivery from the Borrower to the owner of this Series 1980 Bond at that time, in exchange for cancellation of this Series 1980 Bond, of the Borrower's own installment note in the principal amount of this Series 1980 Bond outstanding at that time, bearing interest (based, for actual days elapsed, on a 360 day year) at the rate then being charged by the owner of this Series 1980 Bond at that time for secured industrial loans made to the prime customers of the owner of this Series 1980 Bond at that time, plus the payment of an amount equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement, shall have received interest on this Series 1980 Bond at the rate of fifteen percent (15%) per annum (based, for actual days elapsed, on a 360 day year) for the period of their ownership elapsed between the "Event of Taxability," and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable; any installment note of the Borrower so delivered shall be subject to, and governed by, the provisions of the instruments, and shall be secured as provided therein, as fully as if such installment note was this Series 1980 Bond issued under the Bond Ordinance; or

(2) at a redemption price equal to the unpaid principal amount hereof, plus accrued interest to the redemption date, plus a redemption premium equal to (i) the amount necessary so that all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," shall have received interest on the principal amount of this Series 1980 Bond at the rate of fifteen percent (15%) per annum (based, for actual days elapsed, on a 360 day year) for the period of their ownership elapsed between the "Event of Taxability," and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which all who shall have owned this Series 1980 Bond at any time after an "Event of Taxability," may have had to pay as a result of interest on this Series 1980 Bond being deemed taxable.

Each owner of this Series 1980 Bond (or portion hereof) at or subsequent to the time of an "Event of Taxability" shall, upon presentation to the Issuer and the Borrower in writing of proof satisfactory to the Issuer and the Borrower that he was the owner of this Series 1980 Bond (or portion hereof) at such time, be entitld to an amount equal to (i) the amount necessary so that such owner of this Series 1980 Bond (or portion hereof) shall have received interest on the principal amount of this Series 1980 Bond which was outstanding during the time of such ownership after the time of the "Event of Taxability," at the rate of fifteen percent (15%) per annum (based, for actual days elapsed, on a 360 day year) for the period of such ownership elapsed between the "Event of Taxability," and the date on which such principal amount of this Series 1980 Bond was paid, transferred or redeemed, plus (ii) any penalties or interest which such owner of this Series 1980 Bond (or portion hereof) may have had to pay as a result of interest on this Series 1980 Bond (or portion hereof) being deemed taxable.

The amounts referred to in the preceding three (3) paragraphs shall constitute the total compensation due any owner of this Series 1980 Bond (or portion hereof) as a result of an "Event of Taxability."

In the event any principal over and above the principal required to be paid on a monthly basis is intended to be prepaid as aforesaid, notice thereof identifying the amount of principal to be prepaid shall be given in the name of the Issuer by the Borrower or the Issuer by mailing (by certified or registered mail, postage prepaid, return-receipt requested) a copy of the prepayment notice at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, to the owner of each Bond (or portion thereof) to be prepaid at the addressed furnished to the Issuer and the Borrower in writing by such owner, unless such notice is waived by the owners of all of the Bonds to be prepaid; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the prepayment of principal with respect to which no such failure has occurred. The unpaid portions of the Bonds shall continue to bear interest until paid. Payment will be made upon presentation and surrender of the Bonds to be prepaid.

If the Issuer shall default in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable, at maturity, by acceleration or otherwise, or if an "event of default," as defined in the Loan Agreement shall occur, then, and at any time thereafter, unless and until the event of default shall have been cured or shall have been waived in the manner provided therein, the owners of a majority in aggregate principal amount of Bonds then outstanding may, upon written notice given by certified or registered mail to the Issuer, the Borrower and the owners of the remainder of the Bonds at the time outstanding under the Bond Ordinance, declare all Bonds then outstanding to be due and payable, and may proceed to enforce the rights embodied in the Bonds then outstanding, and any and all such other rights as the owners of the Bonds may have, either by suit in equity or by action at law, or both.

The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds is a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Instruments and the Project, and otherwise as provided in the Instruments. Pursuant to the provisions of the Instruments, amounts sufficient in the aggregate for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid directly to the owners of such Bonds for the account of the Issuer pursuant to the terms and provisions thereof. Any payments on the Bonds made to any owner (or representative thereof) by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall for all purposes and in every respect be deemed a payment of the Bonds, and such funds shall be applied to the payment of the Bonds, and shall satisfy and discharge the liability of the Issuer upon the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State of Illinois or any other political subdivision thereof within the meaning of any State of Illinois constitutional provision or statutory limitation, and neither the Issuer, the State of Illinois nor any other political subdivision thereof shall be liable thereon, and the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing power of the Issuer, the State of Illinois or any other political subdivision thereof.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal of all of the Bonds issued under the Bond Ordinance, and then outstanding, may become or may be declared to be due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Instruments may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

It Is Hereby Certified, Recited and Declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the passage and approval of the Bond Ordinance and the issuance of this Series 1980 Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Series 1980 Bond, together with all other obligations of the Issuer relating hereto, shall not constitute an indebtedness of the Issuer, the County of Cook, the State of Illinois or of any other political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. Neither the officers of the Issuer nor any person executing the Bonds shall be personally liable on the Bonds solely by reason of the issuance thereof.

In Witness Whereof, the City of Chicago, Illinois, has caused this Series 1980 Bond to be executed in its name by the manual signature of its Mayor, and attested by the manual signature of its City Clerk, and its seal to be impressed hereon, all as of ...., 1980.

Section 11. *Execution and Delivery of the Bonds; Deposit of Bond Proceeds; Designation of Fiscal Agent by Issuer.* The Mayor and the City Clerk of the Issuer are hereby authorized and directed to prepare and execute, in the manner hereinbefore specified, the Series 1980 Bond herein authorized, and to deliver the Series 1980 Bond to the Bond Purchaser upon receipt of the purchase price therefor, namely 100% of the principal amount thereof. American National Bank and Trust Company of Chicago, Chicago, Illinois, is hereby designated Fiscal Agent for the Issuer for the purposes of, among other things, (i) serving as the depository of the proceeds of the Series 1980 Bond as provided herein, (ii) establishing and maintaining the Construction Fund as provided in Section 13 hereof, and (iii) performing such other obligations and responsibilities as shall be provided in the Instruments. The rights and duties of the Fiscal Agent are further specified in Section 32 of this Bond Ordinance. The proceeds of said Series 1980 Bond shall be deposited with the Fiscal Agent and applied as provided in Section 3.3 of the Loan Agreement and Section 13 hereof.

Section 12. *Evidence of Signatures of Bondowners; Ownership of Bonds.* Any request, consent, revocation of consent or other instrument which this Bond Ordinance may require or permit to be signed and executed by the Owners of the Bonds may be in one or more counterparts of similar tenor, and shall be signed or executed by such Owners of the Bonds in person, or by their attorneys duly appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any Person of the Bonds shall be sufficient for any purpose of this Bond Ordinance (except as otherwise herein expressly provided) if made in the following manner, or in any other manner satisfactory to the Issuer, the Fiscal Agent or the Borrower, which may nevertheless require further or other proof in cases where the same is deemed desirable. The fact and the date of the execution of such instruments by any Owner of the Bonds or his attorney may be proved by a guarantee of the signature thereon by a bank or trust company, or by the certificate of any notary public or other officer authorized to take acknowledgements of deeds, that the individual signing such request or other instrument acknowledged to him the execution thereof and exhibited before him the Bonds to which an ownership claim has been made, or by an affidavit of a witness of such execution and presentation, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association, or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of authority.

Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond, and of any Bond issued in exchange therefor or in replacement thereof, with respect to anything done or suffered to be done by the Issuer, the Fiscal Agent or the Borrower in accordance therewith.

SECTION 13. *Construction Fund.* There is hereby authorized and ordered to be established in the custody of the Fiscal Agent a separate trust fund designated the "Leaf Confectionery, Inc. Construction Fund (City of Chicago)" (the "Construction Fund"). The Fiscal Agent shall promptly deposit the proceeds derived from the sale of the Series 1980 Bond into the Construction Fund. The Construction Fund shall be used for the purpose of providing moneys to pay the Cost of the Project, in the manner and as provided in Section 3.3 of the Loan Agreement. Any moneys not required for said purpose shall, when the Project is certified as having been completed as provided in Section 3.5 of the Loan Agreement, be applied by the Fiscal Agent in the manner provided in Section 3.3(k) of the Loan Agreement.

SECTION 14. *Investments.* As used herein, the term "Permitted Investments" shall mean those investments permitted by Section 3.8 of the Loan Agreement.

Moneys held in the Construction Fund or in any other trust fund established hereunder or pursuant hereto, upon instructions from the Authorized Borrower Representative, shall be invested by the Fiscal Agent in Permitted Investments. No investment shall be made pursuant to this Section for a period longer than the time period, determined by the Fiscal Agent, for which said moneys are not required for the purpose for which they are intended. All proceeds of, interest on and profit realized from Permitted Investments held in any trust fund shall accrue to and become a part of the appropriate trust fund, and any loss resulting from such Permitted Investments shall be charged to such trust fund and paid by the Borrower from its own funds on demand of the Fiscal Agent.

SECTION 15. *Application of the Construction Fund.* The Fiscal Agent is authorized and directed to apply the amounts on deposit in the Construction Fund to the payment or reimbursement of the Cost of the Project.

The Fiscal Agent is hereby authorized and directed to make payments and reimbursements from the Construction Fund upon a requisition submitted to the Fiscal Agent and signed by the Authorized Borrower Representative in conformance in all respects with the requirements contained in Section 3.3 of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall file an accounting thereof with the Issuer and the Borrower annually on the anniversary of the date of the issuance and delivery of the Series 1980 Bond until completion of the Project, as such is evidenced by the certificate required by Section 16 hereof and Section 3.5 of the Loan Agreement.

SECTION 16. *Completion of the Project.* The completion of the Project, and the payment of all costs and expenses incident thereto, shall be evidenced by the filing with the Owners of the Bonds, the Issuer and the Fiscal Agent of the certificate of the Authorized Borrower Representative required by the provisions of Section 3.5 of the Loan Agreement.

SECTION 17. *Payment of Principal of, Premium, if any and Interest; Condition of the Issuer's Obligations.* The Issuer covenants that it will promptly pay, or cause to be paid, the Principal of, Premium, if any, and Interest on every Bond, at the place, on the dates and in the manner provided in this Bond Ordinance and in the Bonds, according to the true intent and meaning hereof and thereof. The Principal of, Premium, if any, and Interest on the Bonds are payable solely from the revenues and receipts derived from or in connection with the Instruments and the Project (but excluding those amounts derived by or for the Issuer pursuant to its Unassigned Rights), which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent specified in the Instruments. The Bonds are further secured by, among other things, the Instruments and the Construction Fund. The Issuer shall not be required under the Instruments to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) the income, revenues, receipts and other moneys derived from the Instruments or the Project (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights), (iii) any income or gains therefrom, and (iv) condemnation awards, amounts received pursuant to any sale under threat of condemnation, or insurance proceeds with respect to the Project. Each and every covenant herein made is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall not constitute an indebtedness of the Issuer or a loan of credit thereof within the meaning of any constitutional or statutory provision, but shall be payable solely from the revenues and receipts derived from or in connection with the Project, including all moneys received by the Issuer under the Loan Agreement, or by the Issuer's assignee under the Assignment, which revenues and receipts (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights) are hereby specifically pledged to the payment thereof in the manner and to the extent in the Instruments specified; and nothing in the Bonds or this Bond Ordinance shall be considered to pledge any other funds or assets of the Issuer.

Any provision of this Bond Ordinance to the contrary notwithstanding, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof (other than its obligations to pay the Principal of, Premium, if any, and Interest on the Bonds), unless (i) it shall have been requested to do so by the Owner of any such Bond in writing, and (ii) if compliance with such request can reasonably be expected to result in the incurrence by the Issuer of any fees or expenses, it shall have received from the Borrower or the Owner of the Bond assurances reasonably satisfactory to the Issuer that the Issuer will be promptly reimbursed for the full amount of such fees and expenses; provided, however, that no limitation on the obligations of the Issuer contained herein by virtue of any lack of assurances provided in clause (ii) above shall be deemed to prevent the occurrence and full force and effect of an event of default hereunder.

SECTION 18. *Particular Covenants of the Issuer.* Except as provided in Section 17 hereof, as long as any of the Principal of, Premiums, if any, or Interest on the Bonds herein authorized remains unpaid, or until provision shall have been made for the payment thereof, the Issuer convenants with each of the Owners of said Bonds as follows:

(a) The Issuer will comply fully with all the terms, provisions and conditions of the Instruments which require performance by, or impose duties on, the Issuer, and will not permit any default to occur on the part of the Issuer hereunder or thereunder; will fully and promptly enforce all of the terms, provisions and conditions of the Loan Agreement which require performance by, or impose duties on, the Borrower; and in the event of the occurrence of an event of default under the Loan Agreement will, subject to the terms and provisions of the Instruments, exercise, or cause the same to be exercised, all of the rights and remedies conferred upon the Issuer by the Loan Agreement for the full and complete protection of the security and rights of the Owners of the Bonds. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(b) The Issuer will enforce, or cause to be enforced, collection of the loan repayments and the payment of other fees, expenses and charges in the amounts and at the times set forth in the Loan Agreement, and will not reduce, or cause or permit to be reduced, the loan repayments and other fees, expenses and charges fixed, established and required by the Loan Agreement, nor change or alter the time or times when the same are due and payable under said Loan Agreement. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(c) Until payment of all principal of, Redemption Premiums, if any, and Interest on the Bonds has been duly made or provided for, the Issuer will not consent to any change, amendment, modification or termination of the Loan Agreement, except as otherwise provided herein or therein.

(d) Any Net Proceeds of condemnation awards or insurance coverage, any amounts received pursuant to any sale under threat of condemnation, any funds which are received by the Issuer pursuant to the Loan Agreement, or any other funds intended for the purpose of paying the Principal of Redemption Premiums, if any, and Interest on Bonds, will be used solely and exclusively to pay the Principal of, Redemption Premiums, if any, and interest on Bonds when subject to prepayment or otherwise as provided in the Loan Agreement. Upon receipt of any such funds, the Issuer shall proceed promptly to prepay principal on the Bonds over and above the principal required to be paid on a monthly basis, and shall give the notice, or cause the notice to be given, thereof provided for by the terms of this Bond Ordinance.

(e) The Issuer will not issue any other obligations payable from payments to be made by the Borrower pursuant to the Loan Agreement, nor will the Issuer voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge on said payments or on the property and rights subject to the Loan Agreement, except as provided in Sections 33 and 34 hereof, nor will the Issuer, unless required by law or by the terms of the Loan Agreement or the Assignment, sell or otherwise dispose of its interest in the Loan Agreement or any part thereof.

(f) The Borrower has agreed to keep the Project, or to cause the same to be kept, insured in the manner provided for by the Loan Agreement. The Issuer's share, if any, of the Net Proceeds of any such insurance policies shall be payable to and deposited with the Bond Purchaser (as representative of all of the Owners of the Bonds). Any of the Net Proceeds of such insurance policies shall be used and applied in the manner set forth in the Loan Agreement.

(g) The Issuer shall cause the Fiscal Agent to maintain adequate records and accounts, separate and apart from all other records and accounts of the Issuer or the Fiscal Agent, in accordance with generally accepted principles of accounting, including complete details of all financial transactions relating to the Bonds and the Project. Such books and records shall be available for inspection by the agents of the Borrower or any of the owners of the Bonds during the regular business hours of the Fiscal Agent.

(h) The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Ordinance, in any and every Bond executed and delivered hereunder or pursuant hereto, and in all proceedings pertaining hereto and thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including paricularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, to lend to the Borrower the proceeds of the Bonds by means of the Loan Agreement, and to pledge and assign the revenues and receipts (and rights thereto) hereby authorized to be pledged and assigned in the manner and to the extent herein, in the Loan Agreement and in the Assignment set forth; that all action on its part for the issuance of the Bonds and the adoption of this Bond Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

SECTION 19. *Insurance and Condemnation Proceeds.* The Loan Agreement provides for the assignment to the Bond Purchaser (as representative of all of the Owners of the Bonds) of certain insurance proceeds and condemnation awards, amounts paid pursuant to sales under threat of condemnation, damages and compensation with respect to the Project which are payable to the Issuer. The Issuer hereby agrees to the application of such moneys in said manner.

SECTION 20. *Amendments or Modifications.* Any provision of the Bonds or the Instruments may be modified or amended in any respect with the written consent of the Owners of a majority in aggregate principal amount of Bonds then Outstanding, provided however, that nothing in this Section 20 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of Interest on, or reduction of any Premium payable on the redemption of, any Bonds, without the consent of the Owners of such Bonds, (b) the creation of any lien (other than Permitted Encumbrances) prior to or on a parity with the lien of the Instruments, (c) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such supplemental or amendatory ordinance, without the consent of the Owners of all Bonds at the time Outstanding which would be affected by the action to be taken, (d) the modification of the rights, duties or immunities of the Fiscal Agent, without the written consent of the Fiscal Agent, or (e) a privilege or priority of any Bond over any other Bond; and provided further that any provision relating to the amounts to be paid on the Bonds (or the time of such payments) may be modified or amended only with the written consent of the Owners of all Bonds then Outstanding, and provided further that the Borrower shall have given its prior written approval to any such modification or amendment if the same would permit, or be construed to permit, any change in the obligations of the Borrower as set forth in the Instruments. Every amendment or modification of a provision of the Bonds or the Instruments to which the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds is given, as above provided, shall be expressed in an ordinance of the Issuer amending or supplementing the provisions of this Bond Ordinance, and shall be deemed to be a part of this Bond Ordinance. It shall not be necessary to note on any outstanding Bond any reference to such amendment or supplement. A certified copy of every such amendatory or supplemental ordinance, and a certified copy of this Bond Ordinance, will be sent by the City Clerk of the Issuer to each of the Owners of the Bonds.

The Issuer may enter into any supplemental or amendatory ordinance for any of the purposes of this Section only upon the receipt by it of the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds then Outstanding; such consent shall be binding upon all Owners of the Bonds and upon any subsequent Owners of the Bonds (whether or not such subsequent Owners have notice thereof).

No subsequent Owner of any Bond shall have any right to object to such supplemental or amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental or amendatory ordinance pursuant to the provisions of this Section, this Bond Ordinance shall be, and be deemed to be, modified and amended in accordance therewith; and the respective rights, duties and obligations under this Bond Ordinance of the Issuer, the Fiscal Agent, the Borrower and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Bond Ordinance, subject in all respects to such modifications and amendments. Any supplemental or amendatory ordinance authorized and entered into in accordance with the provisions of this Bond Ordinance shall thereafter form a part of this Bond Ordinance, and all of the terms and conditions contained in any such supplemental or amendatory ordinance as to any provisions authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Bond Ordinance for any and all purposes.

SECTION 21. *Enforcement.* The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owners of the Bonds, and subject to the provisions of Section 28 hereof, the Owner of any one or more of the Bonds may sue to recover Interest, Premium or principal which has not been paid according to the terms of said Bonds. The Owners of the Bonds then Outstanding, in accordance with the provisions of Section 23 hereof and Section 10 of the Assignment, may sue in any action, either at law or in equity, to enforce or compel performance of all duties and obligations required by this Bond Ordinance to be done or performed by the Issuer or by the Borrower.

SECTION 22. *Events of Default.* Each of the events set forth in Section 6.1 of the Loan Agreement, and defined therein as an "event of default," shall constitute an "event of default" hereunder. Upon the happening and continuance of any event of default, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may appoint a representative to act on behalf of the Owners of all of the Bonds, and such representative shall be and is hereby vested with all of the rights, powers and duties of a trustee appointed by the Owners of all of the Bonds. Upon such occurrence and giving of written notice to the Borrower, the Issuer and the other Owners of Bonds then Outstanding by the representative selected by the Owners of a majority in agregate principal amount of the Bonds then Outstanding, or (if no such representative is selected) by the Owners of a majority in principal amount of Bonds then Outstanding, such representative or (if no such representative is selected) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may, by notice in writing delivered to the Issuer, the Borrower and the other Owners then Outstanding, declare the principal of all Bonds then outstanding, and the Interest accrued thereon, to be due and payable immediately without presentment, demand, protest or other notice of any kind, all of which are hereby waived; and upon any such declaration the same shall become and be immediately due and payable.

The Issuer hereby grants to the Borrower full authority for the account of the Issuer to perform any covenant or obligation, the non-performance of which is alleged in any notice received by the Borrower to constitute an event of default, in the name and place of the Issuer, with full power to do any and all things and acts to the same extent as the Issuer, and perform any such things and acts with the power of substitution.

For purposes of this Section, notice shall be deemed to have been given if given in the manner required by Section 9.1 of the Loan Agreement for the giving of notices thereunder.

SECTION 23. *Foreclosure and Enforcement of Remedies.* Upon the happening and continuance of any event of default and the giving of notice to the Borrower, the other Owners of the Bonds then Outstanding, and the Issuer (as provided in Section 22 hereof) by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their reprsentative), then and in every case the Owners of a majority in principal amount of the Bonds then Outstanding (or their representative) may proceed to protect and enforce the rights of all Owners of Bonds then Outstanding forthwith by such suits, actions or special proceedings in equity or at law, or proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Bonds or the Instruments, or in aid of the execution of any power granted herein, therein or in the Enabling Ordinance, or for the enforcement of any legal or equitable rights or remedies, including the sale of all or any part of the Project, subject to statutory requirements, if any, to the highest bidder, and all right, title and interest, claim and demand therein and thereto, and all right of redemption thereof, as the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall determine.

In the enforcement of any right or remedy under the Instruments or the Enabling Ordinance, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall be entitled to sue for, enforce payment on and receive any and all amounts then due and unpaid or becoming due from the Issuer to the Owners of all of the Bonds then Outstanding, for principal, Interest, Premium or otherwise under any provision of the Instruments, the Enabling Ordinance or the Bonds, with Interest on overdue payments at the rate of nine percent (9%) per annum, together with any and all costs and expenses of collection and of all proceedings hereunder and thereunder, without prejudice to any other right or remedy of the Owners of all of the Bonds then Outstanding, and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and therein, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys available for said purpose), in any manner provided by law, the moneys adjudged or decreed to be payable.

SECTION 24. *Application of Revenues and Recepits After Default.* All moneys received by the Owners of the Bonds pursuant to any right given or action taken under the provisions of this Bond Ordinance shall, after payment of the costs and expenses of the proceedings resulting in the collection of such money, and of the expenses, liabilities and advances incurred or made by the Owners of the Bonds, be applied to the payment of the Bonds in such manner as the Owners of all of the Bonds may determine, or in the absence of such a determination pro rata.

Whenver the principal of all of the Bonds, and the Premium, if any, and Interest thereon, shall have been paid under the provisions of this Section, and all expenses and charges of the Owners of the Bonds, the Fiscal Agent and the Issuer shall have been paid, any balance remaining shall be paid to or upon the order of the Borrower.

SECTION 25. *Waivers of Events of Default; Actions by the Owners of the Bonds.* The Owners of a majority in aggregate principal amount of the Bonds then Outstanding may waive any event of default hereunder upon payment of all amounts in default, and after all other defaults have been cured. All rights of action under the Instruments or the Bonds may be enforced by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding without the production thereof at any trial or other proceeding relating thereto, and any such suit or proceeding instituted by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding shall be brought in their respective names without the necessity of joining as a party plaintiff or defendant the Issuer, and any recovery of judgment will be for the equal benefit of all of the Owners of the Bonds.

SECTION 26. *Bondowner Rights not Impaired.* Nothing contained in the Instruments shall affect or impair the right of any Owner of any Bond to payment of the principal of, Redemption Premium, if any, and Interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of, Redemption Premium, if any, and Interest on each of the Bonds to the respective Owners thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

SECTION 27. *Effect of Discontinuance of Proceedings.* If any proceeding taken by the Owners of the Bonds on account of any event of default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Owners of the Bonds, then and in every such case, the Borrower, the Issuer and the Owners of the Bonds shall be restored, respectively, to their former obligations and rights hereunder.

SECTION 28. *Remedies Not Exclusive; Delay or Omission.* No remedy by the terms of the instruments conferred upon or reserved to the Owners of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Instruments, or now or hereafter existing at law or in equity.

No delay or omission of the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding to exercise any right or power arising upon any event of default shall impair any right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by the Instruments to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding.

SECTION 29. *Bondowners Control Proceedings.* Subject to the provisions of the preceding Section, anything in the Instruments to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing, executed and delivered, effective upon deposit in the mail if sent by registered or certified mail, to the Issuer and the Borrower, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Instruments, and for the appointment of a receiver or any other proceedings hereunder or thereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Ordinance.

SECTION 30. *Acceleration in the Event of Default.* In the event that the principal of, Premium, if any, or Interest on the Bonds herein authorized is not paid according to the terms hereof and thereof, either on maturity, mandatory prepayment, call for redemption or the occurrence of an event of default, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, may, in accordance with the provisions of Section 10 of the Assignment, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, declare the principal of all Bonds then Outstanding to be immediately due and payable; and upon such declaration given as aforesaid, the principal of, Premium, if any, and accrued Interest on said Bonds shall be immediately due and payable. This provision, however, is subject to the condition that if at any time thereafter all arrears of Interest, except Interest accrued but not due, and of principal shall have been paid in full, then in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or effect any other event of default, or impair any rights consequent thereon.

SECTION 31. *Defeasance.* If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all of the Bonds, or their representatives, the principal of, Redemption Premium, if any, and Interest due or to become due thereon, at the times and in the maner stipulated in the Bonds and this Bond Ordinance, and if all other amounts due under the Instruments are paid in full, then the pledge and assignment of any revenues and receipts from or in connection with the Project under the Instruments, and the estate and rights hereby and thereby granted, and all covenants, agreements and other obligations of the Issuer to the Owners of the Bonds, shall thereupon cease, terminate, become void and be discharged and satisfied. In such event, the Owners of the Bonds shall cancel and discharge the lien of the Instruments, and shall execute and deliver to the Issuer and the Borrower, and record in all offices appropriate therefor, all such instruments as may be appropriate to satisfy such lien and to evidence such discharge and satisfaction; and the Fiscal Agent, the Issuer and the Owners of the Bonds shall pay over and deliver to the Borrower or its order all moneys or securities held by them or their representative pursuant to this Bond Ordinance which are not required for the payment of the principal of, Redemption Premium, if any, or Interest on the Bonds not theretofore paid or redeemed and all other amounts due under this Bond Ordinance.

All Bonds paid or redeemed in full shall be returned to the Issuer for cancellation prior to their delivery to the Borrower.

SECTION 32. *Provisions Relating to the Fiscal Agent.*

(a) The Fiscal Agent shall signify its acceptance of its duties and obligations under the Instruments by its execution of the Fiscal Agent Agreement. All provisions of this Section shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Fiscal Agent under the Instruments, as fully for all intents and purposes as if this Section were contained therein.

(b) (i) The Fiscal Agent shall have no responsibility for the validity or sufficiency of the Instruments, or the security provided hereunder and thereunder, or for the due execution hereof and thereof by the Issuer and the other parties thereto, or in respect of the title to or the value of the Project, or in respect of the validity of any Bonds issued hereunder, or to see to the recording or filing of any financing statement or any other document or instrument whatsoever. The recitals, statements and representations contained in this Bond Ordinance and in the Bonds shall be construed as having been made by and on behalf of the Issuer, and not by and on behalf of the Fiscal Agent, and the Fiscal Agent does not assume any responsibility for the correctness of the same.

(ii) The Fiscal Agent shall not be liable or responsible for the failure of the Issuer to perform any act required of it by the Instruments, or for the loss of any moneys arising through the insolvency or the act, default or omission of any depository other than itself in which such moneys shall have been deposited under the Instruments. The Fiscal Agent shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with the Instruments, or for any loss resulting from any such investment. Notwithstanding any other provision contained herein or in the other Instruments, the Issuer shall not be liable or responsible for the disposition by the Fiscal Agent of the proceeds of the Bonds, provided that the Issuer shall have properly caused the same to be deposited with the Fiscal Agent. The Fiscal Agent shall not be liable in connection with the performance of its duties under the Instruments, except for its own misconduct, negligence or bad faith. The immunities and exemptions from liability of the Fiscal Agent contained herein shall extend to its directors, officers, employees and agents.

(iii) The Fiscal Agent, prior to the occurrence of an event of default hereunder, and after the curing of all events of default which may have occurred, undertakes to perform only such duties as are specified to be performed by the Fiscal Agent as set forth in the Instruments.

(c) The Fiscal Agent shall be entitled to receive and collect from the Borrower payment or reimbursement for reasonable fees for services rendered under the Instruments, and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Fiscal Agent in connection herewith and therewith. Before taking any action hereunder or thereunder, the Fiscal Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put, and to protect it against all liability, except liability which has resulted from its own misconduct, negligence or bad faith by reason of any action taken or omitted.

(c) A duly certified copy of a valid and effective amendatory or supplemental ordinance authorizing such amendment to the Loan Agreement and the Assignment, and the issuance of such Additional Bonds.

(d) The proceeds of such Additional Bonds shall be paid over to the Fiscal Agent and deposited to the credit of the Construction Fund as provided in Section 13 hereof (or to such other trust funds as are provided and created by the amendatory or supplemental ordinance).

(e) A certificate signed by the Authorized Borrower Representative to the effect that no event of default is occurring or will result from the issuance of such Additional Bonds.

(f) An opinion of Bond Counsel to the effect that the issuance of such Additional Bonds will not affect the tax-exempt status of all Bonds then Outstanding.

SECTION 35. *Authorization and Confirmation of the Sale of the Series 1980 Bond.* The sale of the Series 1980 Bond to the Bond Purchaser at a price of 100% of the principal amount thereof, pursuant to the form, terms and provisions of this Bond Ordinance, is hereby approved and confirmed.

SECTION 36. *Form, Execution and Authorization of Financing Documents.* The Issuer, by its Mayor and its City Clerk, is authorized to enter into the Loan Agreement, the Assignment and the Fiscal Agent Agreement, which instruments are to be substantially in the form now before this meeting and hereby approved, and which instruments the Mayor and the City Clerk of the Issuer are hereby authorized and directed to execute for and on behalf of, and as the act and deed of, the Issuer. The Loan Agreement, the Assignment and the Fiscal Agent Agreement, as executed and delivered by the Mayor and the City Clerk of the Issuer, shall each be in substantially the respective forms now before this meeting and hereby approved, or with such changes therein as shall be approved by the officers of the Issuer executing the same, their execution thereof to constitute conclusive evidence of their approval and the approval of the City Council of the Issuer of any and all changes or revisions therein from the forms of said instruments now before this meeting; and from and after the execution and delivery of the above-mentioned documents, the officers, agents and employees of the Issuer are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and instruments, as may be necessary to carry out and comply with the provisions of this Bond Ordinance and said Loan Agreement, Assignment and Fiscal Agent Agreement as executed.

The Mayor and the City Clerk of the Issuer are hereby further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Ordinance and the other Instruments, or to evidence the said authority and its exercise.

SECTION 38. *Priority of Instruments.* The Instruments are given in order to secure funds to finance the acquisition, construction and equipping of the Project, and, by reason thereof, it is intended that the Instruments shall be superior to any laborers', mechanics', materialmen's or other liens which may be placed upon the Project.

SECTION 39. *Creation of Lien; Indebtedness.* The Issuer shall not create or suffer to be created any lien or charge upon or pledge of the revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) derived from or in connection with the Project, except the lien, charge and pledged created by the Instruments and the Bonds. The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate; in their own name or in the name of the Issuer, may, and are hereby granted the right to, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, whether or not the Issuer is in default in its covenant to enforce such rights and obligations.

The Issuer shall not incur any indebtedness, or issue any evidences of indebtedness other than the Bonds herein authorized secured by a lien on or pledge of such revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) which is prior to or equal with the lien and pledge securing the Bonds hereunder, said lien continuing as long as any of the Bonds are Outstanding. The Issuer further covenants and agrees not to sell, convey, transfer, mortgage or encumber its interest in the Loan Agreement, except as specifically permitted by the Instruments.

SECTION 40. *Instruments of Further Assurance.* The Issuer covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such supplemental ordinances and further acts, instruments and transfers as the Owners of the Bonds may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Owners of the Bonds, all and singular, the property herein described, and the revenues and receipts pledged hereby to the payment of the principal of, Premium, if any, and Interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien of the Instruments shall, *ipso facto,* and without any further conveyance, assignment or act on the part of the Issuer or the Owners of the Bonds, become and be subject to the lien of the Instruments as fully and completely as though specifically described herein and therein; but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer heretofore made by this Section 40.

SECTION 41. *Recording and Filing.* The security interests granted to the Owners of the Bonds by the Issuer relative to the Issuer's rights under the Loan Agreement, and by the Borrower relative to the Borrower's rights in the personal property constituting a part of the Project, shall be perfected in the manner required by the State Uniform Commercial Code, and any security agreement or interest which might in any way conflict with or supercede the priority of such security interests shall be released so as not to impair the priority of the security interests required to be created hereby. Such financing or continuation statements as in the opinion of such Independent Counsel become necessary to preserve said lien shall be filed in such offices by the Borrower as shall be required by the State Uniform Commercial Code to maintain the prior perfected status required hereby. The Borrower will within twenty (20) days after any such filing, recording or other act, furnish the Owners of the Bonds with an opinion of Independent Counsel as to the adequacy, and reciting the details, of such filing, recording or other act, and specifying any re-recording or refiling to be effective in the future with respect to the security interests required to be created hereby.

SECTION 42. *Taxes, Charges and Assessments.* Pursuant to Section 5.7 of the Loan Agreement, the Borrower has agreed to promptly pay, or to cause to be promptly paid, all lawful taxes, assessments, imposts and governmental charges at any time levied or assessed upon or against the Project, or any part thereof, which might impair or prejudice the lien and pledge created by the Instruments; provided, however, that nothing contained in this Section shall require there to be paid any such taxes, assessments, imposts or charges as long as the validity thereof is being contested in accordance with Section 5.8 of the Loan Agreement, in good faith and by appropriate legal proceedings; and provided further that such delay in payment shall not subject the Project or any part thereof to forfeiture or sale. Nothing contained herein or in the other Instruments shall be construed as exempting the property of the Borrower or any other Person from the application of the Issue's power of eminent domain, prohibiting the application of any law or regulation, or obviating any obligation of the Borrower or any other Person to any lawful tax or special assesssment.

SECTION 43. *Maintenance and Repairs; Insurance.* Pursuant to Section 5.6 of the Loan Agreement, the Borrower has agreed that it will at all times cause the Project to be maintained, preserved and kept in good condition, repair and working order, and that it will from time to time cause to be made all needed repairs so that the operation and business pertaining to the Project shall at all times be conducted properly, and so that the Project shall be fully maintained as an industrial development project within the meaning of the Ordinance.

Pursuant to Section 5.9 of the Loan Agreement, the Borrower has agreed to keep, or to cause to be kept, at all times while the Bonds are Outstanding, the Project insured against such risks as are customarily insured against by businesses of like size and type as the Borrower.

SECTION 44. *Rights Under Loan Agreement.* The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, as pledgees and assignees of certain revenues and receipts derived from the Loan Agreement under the Assignment, in their respective names or in the name of the Issuer, shall, subject to the provisions thereof, have the legal power to exercise all of the rights, powers and privileges of the Issuer under the Loan Agreement, including the right to enforce all of the obligations of the Borrower thereunder.

SECTION 45. *Provisions of this Bond Ordinance Separable.* The provisions of this Bond Ordinance are hereby declared to be separable; and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases and provisions hereof.

SECTION 46. *Covenants, Stipulations, Obligations and Agreements of the Issuer.* All covenants, stipulations, obligations and agreements of the Issuer contained in the Instruments shall be deemed to be the covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall be binding upon the Issuer and its successors from time to time, and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law; and, except as otherwise provided in this Bond Ordinance or in the other Instruments to which the Issuer is or is to be a party, all rights, powers and privileges conferred, and duties and liabilities imposed, upon the Issuer by the provisions of this Bond Ordinance or of the other Instruments shall be executed or performed by the Issuer or by such officers, board or body as may be required by law to exercise such powers and to perform such duties.

No covenant, stipulation, obligation or agreement contained in the other Instruments shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Issuer, nor shall any officer executing the Bonds be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 47. *Small Issue Election.* The Issuer hereby elects to have the provisions of Section 103(b)(6)(D) of the Code applied to the Series 1980 Bond approved and authorized pursuant to this Bond Ordinance, and the Mayor and the City Clerk of the Issuer are hereby authorized, empowered and directed to take any and all such further action required to implement and effectuate such election, including, without limitation, the preparation and filing of such statements or other documents as may be deemed by them to be necessary or advisable in order to comply with the procedures set forth in Section 1.103-10(b)(2)(vi) of the Regulations; and all acts heretofore taken by them in this connection are hereby ratified and confirmed.

SECTION 48. *Conflicting Resolutions and Ordinances.* All resolutions and ordinances in conflict herewith are hereby repealed to the extent of such conflict. Notwithstanding the foregoing sentence, the initial ordinance of the Issuer with respect to the Project, adopted on June 27, 1980, shall not be repealed either in whole or in part.

SECTION 49. *Effective Date.* This Bond Ordinance shall take effect and be in force from and after its adoption.

Should there occur a "Determination of Taxability" as defined in Section 7.1(b) of the Agreement, the entire outstanding principal amount of the Bond shall be subject to redemption, at the option of the Issuer upon direction of the Company, within 60 days of the date of such Determination of Taxability, at a redemption price equal to the entire principal amount of the Bond outstanding on the date fixed for redemption, plus accrued interest on the principal amount paid on redemption to the date fixed for redemption.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond mutilated, lost, stolen or destroyed; provided that, in the case the Bond is mutilated, the mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments of interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

Revenues; Bond Fund

SECTION 7. The Bond and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by assignment of the interest of the Issuer in the Agreement and the Note as hereinafter authorized, and payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement and the Note as provided herein.
